Saturday, Galion and Bucyrus will play at 11.00 Saturday morning with the finals set for 7.30 that evening. The Fremont girls, headed by Grace Hirt have a splendid chance of winning the tournament.

OH, HUM! THEY DROP ANOTHER 'UN

Fremont divided honors with Port Clinton at the high school gym Tuesday night, the visiting girls' basketball team taking defeat from the local varsity girls, 25 to 11.

The preliminary game, at first took on a threatening aspect, as the Fremont forwards missed numerous tries for goal. A rally, however, early in the game, brought them up from the rear and with the snappy playing they have shown all season, with the exception of the one game lost to Norwalk in this district tourney, they easily would have won the game.

Hirt and Beebe, nicely supported by Wood, were the stars of the girls' game. The work of the Fremont guards also was good, their stopping of the Port Clinton forwards, holding down the visitors' score:

LETTERS TO STARS OF CAGE AND GRIDIRON

Thursday was a gala occasion at Fremont high. Hank Baumann says it was "pay day" for the athletes. If Hank is correct in his conjecture, a lot of fellows missed the pay car, so they say.

It was the event on which Fremont high school paid off her debts to the athletes and the athletes who battled for the old purple and white colors on hard fought fields and cage floors during the past season.

The student body was ordered into the assembly hall Thursday afternoon and there in the presence of the applauding multitude each and every student that played enough periods to qualify, received their letter awards.

Coach Charles Taylor handed out the "persimmons" and as the heroes and heroines come forth to take their reward for valor, cheers and applause made the building roar.

By-gones were forgotten and as Captain "Judy" Lerch of the 1924 football outfit came forth to grasp his letter, the student body went wild and cheered the tall, blonde leader to the echo.

Coach Taylor also got his share of applause, as did all hands from the captain to the water boy, who failed to get his numeral.

The passing out of the letters also saw the passing out of a galaxy of athletes, whose going leaves a big hole in the athletic scenery at Fremont high. Fellows like Lerch, Stan Hawk, Howard Wingard, Herman Schneider, Urban Fox, Ellsworth Schneider, Hank Baumann, Bob Nickles, Dan Reardon, Al Foos and Don Smith will be missed as they were the main cogs on the 1924 athletic machines and an entire new gear shift will have to be supplied for the coming campaigns.

Those who received letters were:

FOOTBALL

Kenneth Hawk, Stanley Hawk, Raymond Hughes, Julius Lerch, John McCarthy, Robert Nickel, Don Pasch, Dan Reardon, Herman Schneider, Delbert Siler, Walter Zink, Urban Fox, Henry Baumann, Ellsworth Schneider, Howard Wingard, John Mallon, Alvin Foos.

BASKETBALL

Lovell Bowers, Alvin Foos, Robert Fangbner, Kenneth Hawk, Herman Schneider, Don Smith, Howard Wingard.

GIRLS

Doris Beebe, Grace Hirt, Alice Longanbach, Ruth Miller, Lillian Karlovetz, Ione Wood.
