

1968 District meet...

**VICTORY STRAIN** — Strain of the effort shows on his face as Steve Parker crosses the finish line in first place of the Buckeye Conference 440-yard dash. Parker tied a Conference record Saturday night by running the quarter-mile distance in :49.8 seconds. This was his fastest to date on the eve of the district meet Saturday, when he will return to the site of his Buckeye Conference record run at Sandusky's Strobel Field. (News-Messenger Photo)

# Parker Tops Seven AA Track Champs

Seven defending champions are in the field and nine records in definite jeopardy Saturday when 14 teams vie in the Sandusky Class AA District track meet.

The Ross swift is the defending 440-yard dash champion. He holds the district mark of :51.0 in this event. After winning the district at Sandusky a year ago Parker went on to win the Mansfield Regional with a :50.2 clocking. He finished fifth in the state meet where he twice was clocked at :49.3. Parker's

ord. Parker's performances this season give him a shot at records in three events.

The Ross swift is the defending 440-yard dash champion. He holds the district mark of :51.0 in this event. After winning the district at Sandusky a year ago Parker went on to win the Mansfield Regional with a :50.2 clocking. He finished fifth in the state meet where he twice was clocked at :49.3. Parker's

of the defending 1967 record-setters will lower their own marks Saturday. Krueger and Williams can each point to the best high school weight performances in Ohio this year. These are 49-8½ shot put by Williams in the Buckeye Conference meet, and 187-3 in discus by Krueger against Ross.

Coleman, who holds the low hurdle standard of :20, can include in his 1968 season credentials a scorching :19.4 clocking.

Competing schools are Ross, Sandusky, Bellevue, Castalia

Margareta, Clyde, Eastwood, Huron, Norwalk, Perkins, Port Clinton, Tiffin, Calvert, Tiffin Columbian, Oregon Clay and Vermilion.

Parker in addition to the 440

is a threat to break the record in the 100 and 220-yard events. There is an interesting challenge in the 100-yard dash where three competitors have been timed in 10 seconds flat this season. This is two-tenths of a second faster than the record. This event should match

Parker, defending champion Larry Stewart of Perkins and

Kent Cartwright, Tiffin Columbian. Cartwright is one of only two runners to nip Parker in the century this year. Parker is unbeaten in the quarter mile and has lost only in the Marion Relays at 220 yards.

Another nip-and-tuck race

could develop in the 880-yard run where at least four run-

ners have recorded comparable times. Two of these could be defending champion Dave Gregg and Rich Dickman, both of Clyde. Gregg has had a

2.02.6 time this year, but Dickman has the best time of 2.03.6.

Preliminaries Saturday at Strobel Field in Sandusky will begin at 10 a.m. Finals are slated for 2 p.m.

Sandusky will be favored to repeat as champion. Ross, Tiffin Columbian, Perkins, Clyde could all be in the battle for the runnerup spot.

**Steve Parker Wins Three Events**

# Clyde Second, Ross Third In District Run

**SANDUSKY** — Sandusky came home first as expected despite heavy rain but Clyde pulled a minor surprise in finishing second in the Class AA District track meet here Saturday. Although well behind the championship total of 62 points for Sandusky, Clyde took second place with 35½ points.

This nipped Fremont Ross by one-half point for the run-

nerup trophy. The Little Giants once more were sparked by sprinting of Steve Parker. In a repeat of the recent Buckeye Conference meet Parker won three events and set a record. This qualified Parker for the regional meet next Saturday at Mansfield Malabar in the 100, 220 and 440-yard dashes. He set a new district record of :10.1 in the 100-yard dash.

Ross also finished second in the mile relay to qualify for the regional. Running on this team which finished behind Clyde were Jon Schwartz, Jon Taylor, Ron Reardon and Mike Holman.

The Little Giants placed in 10 events, although qualifying in only the four. Clyde placed in only seven events but bolstered its point total with a one-two finish in the 880-yard run, two-three in the 440-yard run and pole vault, plus the mile relay win.

The Fliers were strongest in the 880-yard run where Rich Dickman won the event in 2:03.4

and Dave Gregg was second at 2:06.5. Clyde qualified five boys, as did Ross. For Clyde it was Dickman and Gregg, 880-yard run; Paul Patrick, 440-yard run; Dick Farrar, pole vault and the mile relay team of Dickman, Patrick, Gregg and Brian Burroughs.

Sandusky, which observers give a good chance of winning the state title because of hurdler Jon Jackson and its weight event strength, qualified boys for regional in six events. Two of these qualifiers set new district records as the meet was contested in a driving rain.

New records were set by Sanduskyans Ed Williams, shot put, 57-11½, and Ken Krueger, discus, 176-9½. Both were exceptional efforts due to the conditions but Williams was nearly two feet short of his season best and Krueger has been measured with a toss over 11 feet greater than that of Saturday. The fact Williams and Krueger have the best distances this year in the state, plus a one - two discus threat, put Sandusky in a state contender position. Steve Rogers of Sandusky was second in the discus at 157-5½.

Other Sandusky qualifiers were Dave Rather, long jump, and relay team members Levon Jackson, Dan Miller, Rich Deeter and Rather.

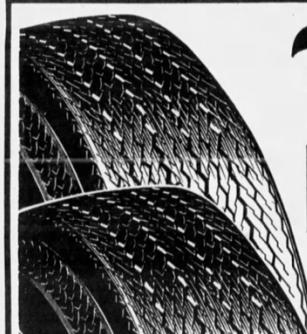

Behind the six events for Sandusky, four each for Clyde and Sandusky, Port Clinton and Norwalk each qualified boys in three events.

The top two finishers in each event qualified for the regional meet, last step before the state competition.
