

1928 season...

COUNTY BASEBALL

The Fremont high baseball team, member of the county school league, will open its season in Clyde Saturday afternoon, facing the student team of that city. The Fremonters have gotten in some good practice licks and are in ~~fair~~ fettle for the engagement.

FREMONT HIGH TAKES OPENING GAME WITH ST. JOSEPH'S NINE

Prospects for the Fremont high baseball team were given a big boost Wednesday afternoon when Bob Freeh went to the mound for the first time this season after recovering from football injuries and hurled shutout ball against St. Joseph's high at Harmon Field.

Fremont high won in a romp from their rivals farther up the street, the final score being 18-2 at the end of seven innings.

Freeh retired after hurling four innings during which he allowed but one scratch hit.

Coach Warren Yeiler withdrew Freeh to save him for the Jackson high game at Harmon Field Friday afternoon, the pitching Wednesday having been a good workout for Freeh.

Eddie Myers took Freeh's place on the mound and hurled good ball also. He tossed them up for two innings and Wonderly pitched the final inning when St. Joseph's escaped a shutout by scoring twice.

Wonderly caught while Freeh and Myers were hurling and Luther the plate in the seventh.

The cold weather affected the players, especially the St. Joseph nine. There were many errors with Fremont high benefiting mostly.

With the knowledge that Freeh is ready to take his turn on the mound the team's prospects are much better as Bob was a big winner last season.

Reineck and Merrill formed the St. Joseph's battery.

COBB'S DOUBLE BRINGS VICTORY TO ATHLETICS OVER RED SOX

The F. H. S. Baseball team, not up to the usual standard of the school, has had hard luck and still has several games to play, but all in all, it was the greatest season Fremont High has ever had in athletics, generally speaking, and one that will ring down through history, a fine bit of real accomplishment.
