Bedford continues rule over GLL mats

FOSTORIA — The dynasty continues to grow, but it showed some chinks in its armor Saturday.

Bedford made it a quarter of a century of Great Lakes League wrestling dominance, comfortably winning the league tournament at Fostoria High School and topping the final league standings.

Not since retired Fremont Ross coach Al Voggenthaler coached Sylvania to the GLL title in 1968 have the Kicking Mules lost a GLL title.

Bedford coach Bill Reigner, who has coached all 25 championship teams, watched Bedford win five of its fewest titles since it won five in 1988. That still put plenty of space between it and runner-up Ross.

Bedford had 268½ points with six individual champions, while Ross had 182½ with a pair of champions. Whitmer was third at 174½, Clay next with 168, followed by Napoleon at 151½, Fostoria with 112 and Northview at 87½.

"We got as many points as I thought we would," Ross coach Grover Dowell said, "but I did not think that Bedford would have that many. They did a really nice job."

In the final league team standings — figured on 21 points for winning the tournament, 18 for second, 15 for third, etc. — Bedford had 33 points after adding its six dual meet win (two points for each win).

Whitmer slipped ahead of

Ross by a point with 23 for second. Clay was fourth with 20, followed by Napoleon (19), Fostoria (8) and Northview (5).

David Alejandro (119) and Matt Merrill (130) won titles for Ross, and the Little Giants had two runners-up: Jason Hatfield (125) and John Lugar (135).

The Little Giants also got third places from Ryan Patterson (103) and Shawn Heidelburg (140).

Dowell said he thought Napoleon, which was 5-1 in GLL dual matches, would place individuals higher in the standings and help his team's effort as it tried to end Bedford's reign.

Alejandro posted a lopsided 18-4 win over Bedford's Don Fleitz in the finals, shaking off a first-period rib injury in the process.

"I made him wrestle my match," the Ross senior said. The rib injury, though, took his thoughts off Fleitz momentarily.

"The first thing that came to my mind," Alejandro said, "was sectionals in two weeks."

The injury, though causing him to wince occasionally after the match, is not expected to keep him out of the sectional tournament at Ross Feb. 26-27.

Merrill avenged a loss to Wes Brockert of Northview in their title match. Brockert pinned Merrill in the first period during an earlier dual meet.

"I was a little cocky the last time we met," he said, "and he showed me."

This time, Merrill showed

Brockert, pinning him in 3:15.
