

1944 Season review...

# **GRID DRILLS UNDER WAY AT TWO SCHOOLS**

**Uniforms Issued;  
Ross Has 44 Out;  
St. Joe Lists 35**

Football drills got under way, in a more or less desultory fashion, at both Ross and St. Joseph's high schools Friday evening, shortly after the ban imposed because of infantile paralysis was lifted.

Activities in both camps were largely confined to the issuance of equipment and getting the roster of the boys who will try out for the teams this season.

At Harmon field uniforms were issued to 44 candidates and Sylvester Kohr, new head coach, said he expected 10 more within the next week. Among those turning out Friday night were 11 lettermen while eight others who earned their spurs last year will be missing. They were lost by graduation and calls to the armed service.

While the Ross practice was little more than a get-together for Kohr and his assistants and the 1944 hopefuls, the boys did don uniforms and go through limbering up exercises. The Little Giants will practice once daily, starting next week, and then swing into a two-a-day regime the following Monday.

### Bit of Psychology

"A team that won't be beaten can't be beat."

Those expressive and highly prophetic, albeit optimistic, words

appear on a little cardboard sign that hangs in the field house at Harmon field. We call it a field house for want of a better name and because that is what it amounts to. It is the dressing and shower room under the stands.

The sign and words mentioned hangs above the window through which all football equipment issued to Little Giants must pass. It's almost impossible for any of the youngsters to miss, either coming or going.

The words aren't original and we have no idea who printed them on this particular piece of cardboard, but we recommend them to the squads of both Ross and St. Joseph's highs. They are going to need some kind of mental armament, at least during the early stages of the impending season.

### Time Is Short

Both squads turned out last Friday night but practices will really get underway late this afternoon, a week later than expected and also seven days after that of their initial foes, Port Clinton for the Little Giants and Bellevue for the Crimson Streaks.

Not much time remains before the September 15th openers hence a bit of mental bolstering and what is generally labeled the 'old college try' might stand both teams in good stead. Football games will be won again this season on touchdowns and not thought waves but there is something to this philosophy that a team that won't be beaten can't be beat.

Neither Fremont team is opening the campaign with a "breather" game. Port Clinton, with the seasoned material it has back and the week more of practice is going to be definitely tough for the Little Giants and you can repeat the same words for Bellevue in connection with the Streaks. The Porters lost one game last season, that to Fremont, while St. Joe nosed out the Red Men and it is a foregone conclusion that both schools are out for revenge.

### ROSS GRIDIRON DUCATS ON SALE

Season tickets for the five Ross high home football games went on sale Monday at four places, Tremper's News Agency, Lytle's, Pfisterer's and Falquette's Drug Store. John Tisworth, who is in charge of the sale, has announced.

The tickets, for adults only, are \$3 and are for admittance to the games with Port Clinton, September 15; Lorain, September 22; Fostoria, October 6; Tiffin, October 20, and Elyria, November 3. The game with Fremont St. Joseph's is not included on the tickets.

Single admissions this season will be 65 cents for the unserved sections of the Harmon field grandstand, and 90 cents for the reserved center section. Seats may be reserved on the season tickets at Tremper's only.

### NELSON HOLDS LEAD BY TWO

Toledo Pro Five

## **PORT CLINTON CANCELS GAME**

Outbreak of infantile paralysis in Port Clinton and the subsequent ban on all youth activities which has closed the schools which opened September 5, has left Fremont Ross high without a grid opener for next Friday night, Coach Sive Kohr announced today.

Inasmuch as schools will be closed and the team cannot practice in the meantime, Principal Shively informed Kohr Wednesday night that Port Clinton would be forced to cancel its game here on September 15.

Kohr stated that he would contact the office of H. W. Emswiler, commissioner of Ohio high school athletics, at once in an effort to learn what teams might have an open date. He will attempt to book a game for Harmon stadium, but failing in that, will play on the road if necessary. In case a home game cannot be obtained, the contest with St. Joseph's high will be included on the season tickets already sold here, he said.

## Polishing Process Starts

With most of the rough edges worn off after two weeks of drills on the practice fields, Fremont's scholastic football coaches have started to apply the buffer to the material in hand in an effort to give it at least a touch of polish before the 1944 lid-lifters, scheduled for just a week from tomorrow night.

Just how much luster they can give the Little Giants and the Crimson Streaks in the next seven days remains to be seen, but the nightly sessions at Harmon stadium and Anderson field would indicate that there will be sufficient to cast some reflections from the arcs back into the spectators eyes even though it won't be enough to completely dazzle them.

It takes time to build a football machine that will roll along like a piece of well-oiled mechanism and time has been one of the things that Coach Sive Kohr and his staff and Mentor Jim Marinis, handling the Streaks by himself, just haven't had.

## May See Tuesday

Of the two, Kohr appears to be more ready for his opener. With 19 of last year's letter-winners back and some keen competition for all the starting slots, the Ross mentor will start his final whittling with a hush-hush scrimmage tonight. It's hush-hush as the coach of the other team has stated that it will be called off if the meeting is given any publicity. We trust he won't get this paper in time to take the action.

On Tuesday night, however, local fans can look all they want to. Jim Whittaker, recently discharged from the Army, is bringing his Gibsonburg Golden Bears to Harmon stadium for a practice game under the lights and the public is invited to attend. Insofar as there is nothing secret about the Rossmen's drills we can tell about what the fans will see.

Kohr and his assistants, Whitey Althoff, Harold Schaefer, John Tisvorth and Ed McConnell, have been using Bob Demmel at tailback, Dale Hoy at fullback and Bud Link at quarterback. All are lettermen. The other slot is a wide-open battle between Waldo Whitcomb, Dick Hilly, Eddie Eichenlaub, Rich Mohler and Joe Fusch and some of those boys are improving rapidly.

## All Have Chance

On the line the hold-overs have been Kent Darr at center, Ed Sells, Howey Hoffman and Emmett Mackey at the guards, Bill Miller and Jack Frantz at the tackles and Bob Zink at an end. Giving them plenty of competition have been Center John Tschumy, Guards Al Johnson and Bob Samuel, Tackles Bob Frantz and Art Frazier and Ends Bob Miller and Bob Walters.

That is the squad with which Kohr & Co. have been spending most of their time and from which the starting eleven is expected to come. With one or two exceptions none of the boys have their berths clinched. Kohr stated, and that's a healthy condition. Offensively, the Ross mentor has been experimenting with the T formation and the Little Giants may use it extensively. In inter-squad scrimmages the team looks as if it would be able to take care of itself against most opponents but that remains to be proved.

## One Streak Regular

While none of the Little Giants have first-string positions assured, the scramble is really wide open out on Napoleon street where Marinis has been putting his charges through their paces in the Green Sox outfield. The Streak chief has exactly one player who was a regular last year—Jim Courtney, who is being converted from center to a tackle.

Four other boys won letters but were not regular starters in 1943. They are Jim Kritzler, Jack Wurzel and Chuck Wagner, backs, and Tom Swartz, an end. There are 35 candidates out and Marinis stated today that he didn't see how he could possibly field a team that would average more than 155 pounds from end to end and 145 pounds in the backfield. Which will be light, even as high school teams go.

Working in the backfield with the three lettermen named are

Vince Swint, Al Foos, Jerry Freeh and Art Bruggeman, while as line candidates Marinis has Ends Dick Lahey and Eugene Hipp; Tackles Don Snyder, Ed LeJeune and Bob Hughes; Guards Leon Reiser, Glenn Gabel, Dick Gabel, Bob Burns and Jim Warner, and Centers Dick Wasserman and Pat Swartz. Only one boy is a senior and the St. Joe coach is making no predictions about the coming campaign.

## Guessing Game

And that is about the extent of the football information that can be passed along this time after visits to the practice fields and conferences with the coaches. Of course, mentors aren't giving away any secrets at this stage of the game, but there isn't much either one can exactly come up. The big gamble will start for you fans a week from tomorrow. We'll start our nose by trying to guess the outcome of this week's collegiate tilts as Ohio schools open their seasons. Miami should nose out Bowling Green with the fact that Oxford used to be a nice town influencing our choice just a trifle, Ohio Wesleyan over Case and it's a shaky vote, Denison over Alma, Mich., as the Big Red returns to the wars after a year's lay-off, Rochester over Baldwin-Wallace for no reason at all except we're trying to be right. And while the record is perfect, may we mention that the column gave the Bee-Gee's a nod over Central Michigan last week? The score was 20-9 in favor of Bob Whittaker and us.

## LITTLE GIANTS FIND PUNCH IN MID-GAME

Score 20 Points In Middle Periods After Trailing Wauseon

Giving promise of developing into as good a team as Fremont has had in a number of seasons, but showing plenty of weaknesses, both offensive and defensive, that will have to be corrected, the Little Giants came from behind last night to win their opener from Wauseon, 17 to 18.

A good-sized crowd but one that didn't jam the stadium saw the Rossmen trail for a period, tie the score and then explode for two touchdowns and the game in the third stanza.

They scored again in the fourth and then, with a liberal sprinkling of second-stringers playing against them, the heavy and ever-dangerous Wauseon eleven scored a pair of touchdowns in the closing minutes that cut their deficit to respectable figure.

The Little Giants rolled up 12 first downs to the visitors' four, three of which came on penalties and chalked up 212 yards from scrimmage against 67, proving that the offensive power is there. 10

STATISTICS		
Fremont		Wauseon
12	First Downs	4

26	Yds. Fumbles Aver.	31
15	Yds. Fumbles Ret.	3
5	Fumbles	4
7	Fumbles Rec. By	2

In the first half, excluding a scoring run of 72 yards that was something of a fluke, Wauseon ended up with a net loss of six yards from scrimmage. So the defense wasn't too bad, either.

**Long Run Nullified**  
Standing out for their team in the opener were End Bob Zink, who did some nice tackling and time and again swarmed into the Wauseon backfield to toss runners for losses; Guard Ed Sells, Tackle Bill Miller and Center Kent Darr among the linemen.

Bob Demmel did some hard running but usually without much blocking help, but it was Dick (Ick) Mohler, sub for Fullback Dale Hoy, who stood out in the backfield. He uncorked two scoring runs and on both of them used his head to get the full advantage of his interference.

In the first period the Little Giants traveled the long route to get nowhere as 30 yards of penalties, plus what they lost on the plays, had them gaining 82 yards and getting but to the Wauseon five where they lost the ball on downs.

On the first play after they took the ball the visitors served warning that they were dangerous. They also suffered a heart-breaking setback at the same time. On the first play Hal Robinson swam wide around end and raced 96 yards to cross the Fremont goal line only to have his sprint wiped out and his team penalized 15 yards for clipping on the 19.

**Streak Ball To Score**  
That called for a punt and Fremont took it on the 36 and was up to the 25 when Dale Hoy hit the line and Fullback Tiltle stole the ball from him and galloped 72 yards for the first score of the game. A plunge for point failed. There was one minute left in the quarter.

With a little more than two minutes left in the second period Fremont evened the count. Demmel took a punt on the 50 and lugged it back 15 yards. Inks picked up 11 on a reverse around left end and Hoy made eight on two plays. Demmel circled end for another five and then, on a fake reverse, went around end for the score. His placement for point was wide and the score was tied.

Fremont dominated play after the intermission. The second half opened with Wauseon kicking to the Little Giants. Waldo Whitcomb taking the ball on his own 25 and stepping it back 11 yards. From there Mohler, in for Hoy, Inks and Demmel worked the leather to the Wauseon 29 only to lose it on downs.

**Mohler Gets Started**  
On their first play, however, Wauseon fumbled and Mohler recovered on the 31. He picked up five more yards and then, after Whitcomb had sifted inside end for four more, Mohler went through a big hole in the line, cut to his right and stepped 22 yards for the score that broke the deadlock. Demmel's boot was through the uprights.

The next score came shortly after with Inks nailing Watkins pass on the 48, racing down the sidelines until Bill and Bob Miller could do some blocking for him, and then cut to his right to score. It was the first pass that had been

## Three Flag Now Half-Ga

NEW YORK, Sept. 16.—UP Detroit Tigers and St. Louis Browns Siamese triplets today, with them, as the stretch struggle pennant reached a new peak of

Returning to activity after Tigers and Browns played yesterday in a three game series ago letics.

**Trout Is Reaten**  
The Browns, back in their own stomping grounds at Sportsman's Park, St. Louis, moved into a second place tie with the Tigers by beating the Chicago White Sox 5-1 behind the seven-hit pitching of Denny Galehouse.

The Tigers split with Cleveland, an opening game loss depriving them of the opportunity to take over first place from the idle Yankees. Steve O'Neill sent his ace right-hander Dizzy Trout after the initial victory but the Tribe turned him back, 4-3 in 12 innings. Trout, seeking his 25th triumph, was thwarted by Rookie Steve Gromek who pitched 10-hit ball over the route and scored the winning run on Myril Hoag's double with two men on.

Southpaw Hal Newhouser salvaged the nightcap for Detroit and became the first major leaguer to pitch 25 winners. He allowed nine hits for an easy 9-1 victory.

The Boston Red Sox dropped a little further behind when their pennant hopes received a 5-2 jolt from the Washington Senators. Mickey Haefner pitched seven hit ball to the fourth-placers and his mates got to Rookie Lefty Handley in the first two innings to give him a four run working margin that was more than necessary.

**Reds Win Overtime**  
In the National League the Chicago Cubs extended the losing streak of the St. Louis Cardinals to five games when they beat the league leaders 2-1 in the first game of a doubleheader but the Red Birds snapped the skein in the second with a 3-2 margin. Bob Chinman outpitched Mort Cooper in the first game, hurling shutout ball over the last eight innings to protect the 2-1 margin his mates unruffled for him in the first frame. Rookie Ted Wilks was credited with the Red Birds' victory.

New York maintained its tie with Chicago for fourth place by winning a game from Philadelphia which had been suspended on "t" 6 with them leading, 6-3. They added two more runs for an 8-3 victory. The regularly scheduled game, however, went to the Phillies, 7-3 with Lefty Ken Rafferty better tossing a five-hitter for the win.

The Cincinnati Reds scored two runs in the ninth inning to tie the second place Pittsburgh Pirates, 3-3, and then tallied twice more in the 10th for a 5-3 victory for Bucky Walters, his 9th win of the year. Walters went the route and gave up eight hits in winning.

The game scheduled between the

attempted by either team. Again Demmel's kick was good.

Midway the final stanza Bill Miller swarmed through the Wauseon line to block a punt and recovered it after Zink had tossed Watkins for a 16-yard loss and it was the Little Giants' ball on the visitor's 21. A pass from Inks to Dick Hilly, which the latter caught at his shoe-strings, was good for 13 yards to the 10 and again Mohler found a hole and side-stepped tacklers to score. Demmel booted his third placement.

With a number of subs in the lineup Wauseon came to life in the late minutes to score twice, both on long thrusts. The first came when Hilly fumbled on the 15 and Gyp recovered. From there McIntosh heaved a forward to H. Watkins who lateraled to D. Watkins on the 35 and the latter outran the Fremont team for 65 yards and a score. The last score also came on a pass, Robinson to McIntosh, good for 35 yards. This time Watkins finally made good a plunge for point.

Officials: Hanham, referee; Wertz, umpire; Hendricks, headlinesman.

## CARRY ROSS HIGH GRID HOPES

A first-string squad of 24 players, making one of the heaviest teams Ross high has had in a number of seasons, carry the city's hopes of a winning football team at the lower Croghan street school this year. Victors over Wauseon in their opener, the Little Giants embark this week on an ambitious schedule, meeting Lorain, here.

Squad members pictured are, front row, left to right, Coach Bill McConnell; Bob Frantz, T; Bob Walters, E; Al Johnson, G; Bob Miller, E; Jack Frantz, T; Ed Seils, G; Kent Darr, C; Howard Hoffman, G; Bill Miller, T; Bob Zink, E; Emmett Mackey, G; Bob Sampsel, G; John Tschumy, C; Coach Sive Kehr.

Back row: Coach Harold Schahet; John Erchenbrecher, B; Dick Abbott, G; Joe Pasch, B; Bud Inks, B; Dale Hoy, B; Coach John Titsworth; Bob Demmel, B; Dick Hilty, B; Dick Mohler, B; Waldo Whitcomb, B; Coach Harold Althoff.

## BOTH FREMONT TEAMS FACING STRONG FOES

Streaks Should Draw Big Crowd Here; Ross Game Rates Toss-Up

Two prime football games is what this week's gridiron menu offers Fremont fans and, unfortunately, both are scheduled for the same night. Fremont St. Joseph's entertains Fostoria at Harmon stadium, while Fremont Ross journeys to Findlay. Both kick-offs are set for 8 p. m.

While the St. Joe-Fostoria game will be played on the home lot, the clash between the Little Giants and Trojans probably packs the most interest because it is the initial Buckeye League game for the Purple and White and the winner will undoubtedly be made the favorite to cop the loop's football championship this season.

### Game Is Toss-Up

Being played away from home, however, it will hardly draw the support from the local fans that the Streak-Redmen battle will and, given a dry field, these two clubs may put up a real scrap for the full 48 minutes. Certainly, those who take their football at home tonight will see plenty of action because the Streaks are playing wide open ball this year.

The Fremont-Findlay fracas rates as a toss-up although both teams are being favored to win in their home towns. The Little Giants proved last week that they have a husky, fighting club, while the Trojans have done likewise.

Coach Carl Bachman will send a team that averages 164 pounds on the line and 172 pounds in the backfield against Coach Steve Kohr's charges and will have six lettermen spotted at important posts.

His veterans are the 140-pound Jack Clymer at a guard; the 180-pound Ralph Askam at a tackle; Ends Ned Chatelain, 160, and Bob Smith, 158, on the line, and Dick Treece, 180 at a halfback, and Doug Rees, 172, at fullback.

These veterans, plus their teammates, several of whom have had some experience, are expected to throw a diversified attack at the Little Giants and on the latter's ability to figure out the offense lies their chances of victory.

### Can Expect Passes

In their 12 to 0 loss to Middletown, one of the better teams in the state, the Trojans were primarily an aerial outfit. The following week they used sheer power to bowl over Bowling Green, 27 to 0, with the second team in half the way and 27 players seeing action.

Inasmuch as the Little Giants have shown a weakness on pass defense, Bachman can be expected to stress aerial warfare tonight, depending on the husky Treece to mix it up with line plays.

The Little Giants will enter the fray in good physical condition and the past week Coach Kohr has been working on an offensive that has more razzle-dazzle than any Ross high team has attempted since the days of Pete Fox. How well it will work remains to be seen.

All indications point to a grueling, close battle, an even better one than that Fremont lost to the Trojans 12 to 6, last year.

### Play "Circus" Ball

Here at home, Coach Jim Marinis is expected to pull out all the stops and play "circus" football all the way in an effort to offset the visitors' greater size and experience and to bolster what must be a weak ground attack because of the lack of size of his players.

Fostoria will bring a line averaging 164 pounds with an 162-pound set of backs and five good, big veterans on the first eleven. Their offense is built around Bob Currier, who weighs 178 pounds and was picked as all-Buckeye League guard the past two years. Currier has been revamped into a ball carrier and in two starts this season has been ripping opposing lines to shreds.

Other lettermen are Warrington, 173, tackle; Dick Smith, 176, center; Ken Reinhard, 161, guard, and Bill Barringer, 173, quarterback. Another tackle weighs 171, so it will be a tough line that the Streaks are going against.

However, Coach Marinis has planned carefully to offset this weight advantage and if his attack clicks the Redmen are apt to be in for a big night.

The game should draw well as it offers Fremont fans a chance to see the Redmen, defending league champions and defeated but once in 13 starts, in action before they tangle with the Little Giants next week.

## DEMMELE RUNS WILD BEHIND STAUNCH LINE

### Little Giants Upset Trojans With Early Long Runs

Route 12 was the road to victory for the Little Giants last night and they took it to Findlay to hand the Trojans one of the worst drubbings the Hancock county team has taken in a number of seasons. A 33 to 7 pasting in a game that was as much Fremont's as the score indicates.

Speedy Bob Demmel ran wild behind a line that wouldn't be budged, opened up let holes time and again and swept the flankmen out of the road like a couple of ten pins on end runs, and all evening long the backs had the advantage of teammates that played smart, head-up football.

The Trojans' dangerous passing attack failed to function as heralded and their ground attack was stopped cold by as great a forward wall as a Fremont team has had in years. On the other hand about everything that the alert Little Giants tried clicked.

Striking in the first three minutes of play with devastating audacity and once again before the first period ended, the Little Giants took the starch out of Coach Carl Bachman's club early in the game and when another pair of touchdowns were poured on them in the second stanza they were a whipped outfit, although they never stopped fighting back.

#### Darr Spears Pass

The game opened with the Trojans kicking off to Fremont and the big crowd of Ross supporters had an uneasy moment as Bob Demmel grabbed for the ball.

Fremont	Findlay

35	20

touched it and then let it roll across the goal line before he scooped it up and scooted back to the 14.

Two plays were good for but two yards and Demmel punted to the Findlay 45, with Babcock carrying the oval back to the 38 and although no one knew it, that set up the first score.

The first two Findlay plays gained little and the Trojans decided to test Fremont's supposedly weak pass defense, but Kent Darr intercepted the first aerial on his own 25 and legged it back 33 yards before being nailed. On the next play Demmel, operating behind that shock-proof line and with Dale Hoy throwing the only block that was needed, swept around right end and set sail up the sidelines for a 42-yard scoring sprint. He place-kicked the extra point for the first seven markers.

#### Miller Drops Pass

After the kick-off Findlay again could not gain and punted out on the Fremont 42 and on the third play Demmel, on a double reverse, again shot to the sidelines and this time galloped 57 yards to score standing up. Again he sent the ball through the crossbar for the conversion.

Near the close of the period Fremont almost had another score. Findlay punted to its own 49 and after Bud Inks had picked up three, Demmel sent a pass from his own 48 to Bob Miller who caught it on the 20 with no one between him and the goal line—and dropped it.

The second period had hardly got under way when the Trojans' passing attack backfired on them again. This time it was Demmel who intercepted a Wortman aerial on his own 35 and raced 65 yards to cross the Findlay goal line for his third score. This time his kick was wide of the goal posts.

#### Best Scoring Play

Late in the period an exchange of punts gave Fremont the ball on the Findlay 31 and this time they marched to the double line with Demmel turning in as pretty a scoring play as ever seen on any gridiron. Itch Mohler worked the ball to the 11 on line smashes and then Demmel took the ball for another lunge off-tackle. He charged to the line of scrimmage saw there was no hole, stopped, wheeled and raced parallel with his own line to the sideline and then cut in to tally with hardly a hand touching him. It was a beautiful play and one that caught the Findlay secondary flat-footed.

Having rolled up four touchdowns and 172 yards from scrimmage, meanwhile getting credit for but two first downs, the Little Giants tapered off a bit in the third stanza and while Findlay never advanced inside their territory, scored but one touchdown.

This came immediately after the kickoff when Dale Hoy speared a

## Race Is Tied But Cant La

ST. LOUIS, Sept. 30.—UP fought their way back into the feat of the team they would come to another crisis today American League pennant.

Sentimental favorites the troit—the Browns were in a two more games of the season held the psychological advantage has stamped them as one of the ever has known.

They beat the world's champion running.

#### Yanks Are Out

With the chips down and a possible pennant at stake, they fought their hearts out to defeat the New York Yankees in both games of a

loose ball on the Findlay 39 and two plays later, Demmel faded back and shot a pass to Miller, which the latter took on the 15 and carried the rest of the way.

#### Mohler Run Wasted

The Little Giants had another touchdown in that quarter but it didn't count. With the ball on the Fremont 33, Mohler knifed through the line, picked his way through the secondary and sprinted 67 yards to cross the goal. But the ball was called back to the 42 and Fremont penalized 15 yards for clipping.

Findlay's only score came early in the last canto when Babcock passed from the 36 to Chatelain who took the ball on the four and stepped over the last white line. Dick Treece's placement was good.

The Trojans were in Fremont territory but once all evening and that was on their line scoring thrust. Although almost all the second team was in the lineup at the end, the closest they could come was the 34 where a passing attack failed and the Little Giants took the ball.

While the entire Ross team functioned like a piece of well-oiled football machinery, it was the line that stood out despite the fact the backs made the scores. Big Ed Seils was in on almost every play while Howey Hoffman, smallest man on the varsity, several times knifed through to spear runners before they had started.

Kent Darr, Al Johnson and Bob Zink also sparkled and while their mates' work was less spectacular, all were in there pitching for a common cause. Of the replacements, Mohler and Ted Sims looked the best in a game that branded Fremont as the odds-on favorite to cop Buckeye league laurels.

## BOUDREAU BOOSTS BAT MARK TO .330

CLEVELAND, Sept. 30.—UP—Lou Boudreau, youthful manager of the Cleveland Indians, was booming along toward the batting championship of the American League today as the Tribe met the Philadelphia Athletics.

Boudreau ran his batting average to a neat .330 yesterday, but his batting failed to prevent defeat as the Tribe lost to the Athletics 2 to 2 in the first game of a double-header. The second game was called at the end of the ninth inning because of darkness with the score tied 1-1.

Boudreau got a double and a single in two official trips to the plate in the first game and a single in three trips in the second game.

#### BABY BUCKS WIN

COLUMBUS, Sept. 30.—UP—The Ohio State "B" squad yesterday trounced the Ohio Wesleyan football team's reserves 41 to 0 for the Buckeyes second victory of the season over the Wesleyan squad. Last week they defeated the same team 12 to 0.

## BLOCKED PUNT AND FUMBLE BRING SCORES

### Alert Eleven Capitalizes On Breaks; Ed Seils Outstanding

Playing their best game since the Findlay encounter four weeks ago, an alert Fremont Ross football team capitalized on two breaks last night to hand a hard-bitten Elyria team a 14 to 0 defeat before a sizeable crowd at Harmon stadium.

Hardly more than an even choice in pre-game ratings, the Little Giants chalked up their sixth victory of the campaign by playing hard, heads-up football for the full 48 minutes, the first time this season that such has been the case.

A blocked punt, fallen on for a touchdown in the second period, and a 36-yard drive after a fumble in the third, was the margin between two elevens that were surprisingly even otherwise.

The game opened with Elyria kicking to Fremont and the contest was pretty much in the visitors' favor in the first stanza with the Eels punching to the Fremont 13 once where Fullback Dick Browne fumbled and Bill Miller recovered. That was the major threat by either team as Elyria gained 61 yards from scrimmage and made four first downs while the Little Giants could account for but 27 yards and no first downs.

#### Seils Blocks Kick

The complexion changed in the second stanza as the Fremont line began to dig in and play one of its

best games. The boys were hitting hard and the Elyria backs, charged with but three fumbles in four games, started dropping the ball.

A fumble by Schoenbachler, recovered by Wal'ly Whitcomb on the Fremont 44, set up the first score, but it didn't come too easily. The Little Giants drove to the visitors' one-foot line in 11 plays with Dale Hoy, playing his first game in two weeks, losing the ball there.

Forced to kick out of danger, Dick Browne stood well behind his own goal line and big Ed Seils, who played one of the best games of his career, charged through, blocked the kick and then fell on the ball for a touchdown. Bob Demmel place-kicked the extra point.

## GAME ST. JOE ELEVEN TAKES WORST LICKING

Ross Mentor Uses 38  
Players But Squad  
Rolls Up Highest Score

Apparently out to prove to the home folks that their six previous victories were the McCoy and not a series of flukes, Ross high's Little Giants ran wild on the Harmon stadium turf last night, rolling to a 65 to 0 victory over a valiant but sadly outclassed St. Joseph's eleven.

It was the final home appearance for seven of Coach Sive Kohr's seniors, as well as the last Fremont showing of both teams for this campaign, and the Ross-men turned it on to run up their biggest score in several seasons. Halfback Bob Demmel, one of northwestern Ohio's most elusive backs and one who should receive more than a little attention when all-state selections are made, scored 41 of his team's points with six scoring thrusts and five place-kick conversions.

It was simply a case of a little team, with plenty of spunk, fight and heart, pitted against a good, big team with the same qualities, last night. It wasn't a football game from any angle by any stretch of the imagination.

### Never Had Chance

The Little Giants virtually scored at will and while the first stringers were in for the major portion of the game, Coach Kohr started sending in the subs as early as the first period and when the final whistle sounded the Ross freshmen varsity was on the field.

There is little point in trying to make the game sound like a battle. It was simply no contest from whistle to whistle and if any such thing as a city championship hung

In the balance it was a very cheap habble, indeed. It was just a good, big team massacring a small, mediocre club which had intestinal fortitude and little else as its chief weapon.

The game opened with Ross kicking to St. Joe and the Streaks back on their own 17. Immediately started to pass. Two heaves were grounded and a line play gained but six yards and the Streaks punted.

Demmel took the first punt of the game on his own 47 and was on the St. Joe 25 before he was downed, a return of 28 yards. Five plays later he smashed through tackle from the three for the initial score and kicked the extra point. Hardly 8 minutes later Demmel took a pass off a St. Joe receiver's fingers and raced 30 yards for another score and again kicked the point.

### 14 in Three Minutes

Demmel chalked up the 14 points in the first three minutes of play and before the period was over Dale Hoy had added seven more. Kritzell got off a poor punt that went out of bounds on his own 35 and six plays later Hoy bulled through the line and again Demmel booted the ball between the uprights.

The fourth scoring play started just before the first period ended when a St. Joe punt traveled but 10 yards to their 40. At the start of the second period Demmel ripped off 13 yards and Wally Whitcomb did a pretty piece of squirming for 12 more and then Demmel slashed through the line to score.

The fifth scoring drive started when Ed Sells blocked Kritzell's punt and Bob Zink recovered on the 21. Three plays later Demmel scored from the six and booted the extra point.

Demmel's next score came on perhaps the prettiest run of his career. Starting on the 44, where Whitcomb had taken the ball on a 14-yard end sweep, Demmel swept around right end and then, when he had sucked the St. Joe team to that side of the field, reversed and out-raced them to cross the double line standing up. He was too pooh-ed to kick the point.

Whitcomb set up the next score by fighting his way from his own 22 to the 49, a distance of 27 yards, and three plays later Demmel took the leather on a reverse and skirted end for 39 yards and six more points.

## TARS ROLL OVER VILLANOVA, 25-6

PHILADELPHIA, Nov. 11.—UP—A powerful Atlantic City Naval Training Station football team scored a 25 to 6 triumph over a game but outclassed Villanova eleven last night.

The Sailors, counting in every period but the second, were sparked by the running of Halfback Frank Cantore who scored twice, the first time on a 36-yard end sweep in the first period and again in the third on a 10-yard off tackle smash. Paul Perricone went 13 yards around end for the third Atlantic City touchdown and Ed Whiteman counted the fourth on a 20-yard run after intercepting a pass.

The Villanova score came in the third period on a two-yard plunge by Vince McPeak.

## CADETS HOPE TO END JINX

Haven't Beaten Irish  
In 13 Games Or Scored  
Point In Last Five

NEW YORK, Nov. 11.—UP—Undeclared Army sent the highest scoring football team in West Point's 54-year football history against Notre Dame at Yankee Stadium today, determined to avenge a long series of defeats at the hands of the Fighting Irish. A sellout crowd of 75,000 was expected.

The Cadets have not beaten Notre Dame in their traditional game since 1931, failing to score a point the past five years. But this time they counted on one of the nation's best backfield and strongest lines to hurl an Irish eleven which was knocked out of the ranks of the undefeated last week.

There was an added incentive. The Soldiers wanted to match Navy, the team which last week polished off the South Benders, 32-13, for Notre Dame's first loss to a college team in two years.

The Cadets, who have beaten Notre Dame only five times in 30 years, were favored at 2 to 1. This was due to the offensive power they have shown with such outstanding backs as Felix Blanchard, Glenn Davis, Max Minor, Dale Hall, Doug Kenna and Dean Senanbaugh rolling up 360 points in battering North Carolina, Brown, Pitt, Coast Guard, Duke and Villanova.

Kent Darr, which the latter took on the 25, produced the next touchdown, the play covering 37 yards all told and with Darr making a very nice catch. It climaxed a 78-yard march which needed exactly seven plays to cover the ground.

### Scores Continued

Another touchdown came before the end of the third period. Johnson set up this one by recovering a Streak fumble on their own 15. Demmel punched it to the four and, on three plays, Bud Inke took it over the goal. This time Demmel's kick was good.

Sam Sims accounted for the only fourth period score as he intercepted a St. Joe pass on their own 30 and legged it for a touchdown without a Streak laying a hand on him.

The Streaks were seldom beyond the mid-field stripe except late in the game when the third stringers were on the field, and never threatened as the statistics clearly show.

Demmel stole the scoring show but every player on both teams played good clean ball with Wally Whitcomb and Johnny Erchenbrecher showing to good advantage as well. The Fremont line's play was such that no St. Joe back ever got the chance to grab a hunk of glory.

Perhaps it should be mentioned that 73 yards of the penalties assessed the Streaks were for too many time outs as Coach Jim Maris continued to interchange players. The officials called no less than 15 of these during the game.

## Bob Demmel's 41 Points State's Top Performance

COLUMBUS, Nov. 14.—UP—Undeclared Cleveland Latin which walloped Central, 104-6, last week, will play Cleveland East Tech Saturday for the east side Senate championship and for a tighter claim on the mythical state championship.

Meanwhile, at least 12 other Ohio schoolboy squads remained undefeated, while four state teams lost first games.

Purcell, of Cincinnati, which defeated St. Xavier, 13-6, for its eighth victory, will play Elder Sunday for the Greater Cincinnati League championship.

### Eight Undefeated

Undefeated schools closing the season included St. Clairsville, which defeated Dillonvale, 20-6, for its 18th triumph; Canton Township, which defeated Millersburg, 48-7, for its eighth victory; Greenville, which downed Dayton Fairmont, 13-0, for its ninth triumph; Gallion, which scored a victory over Willard; St. Marys, which defeated Wapakoneta, 13-6; Athens, which defeated Logan, 18-6, for its second undefeated season; Mt. Blanchard, which downed Arcadia, 34-7, for its ninth victory, and Middletown, which defeated Hamilton, 38-14.

Columbus North defeated Bexley, 28-6, for its eighth straight victory, but two other Columbus squads were defeated for the first time, when Columbus Academy nosed out St. Charles, 6-0, and Louisville Male downed West, 27-7.

Toledo Libbey remained undefeated, after downing Woodward, 26-0, but Canton McKinley, which two years ago ended Lakewood's 21-game victory record, defeated Lakewood, 24-14, to end another list at eight games.

Wellington's seven-game victory record was broken when Rocky River's Fullback Don Deitesfeld plunged for a touchdown to win, 26-19, while Pandora's undefeated season was ended by Lima St. Rose, 7-6.

### Demmel Was Tops

Individual performances were led by Bob Demmel, Fremont Ross halfback, who scored six touchdowns and five placements, and by Don Scilliano, Youngstown Chaney halfback, who raced 104 yards for a score during Chaney's 26-7 victory over Ashtabula Harbor.

Other distance performances were turned in by Johnny Bryant, Middletown halfback, who raced 92 yards for a score, and by Halfbacks Jim Wilhite of Akron St. Vincent, Alfred Lee of B. I. S. Dutch Villars of Xenia Central, Gene Ward of Mt. Blanchard, Darwin Legett of Garrettsville, and Bernard Lanning of Mt. Vernon, all of whom scored on runs of 80 or more yards.

Shorts: One of the few field goals of the season was scored by Right End Roy Van Horn for Louisville in its 16-14 victory over Minerva. . . Bucyrus won its first of the season in defeating Crestline, 19-0. . . Austintown Fitch, which last week was defeated for the first time, walloped Goshen Township, 59-0, while Salem defeated Lowell, 67-41. . . In seven straight victories Crooksville, with only 18 boys on the team, has scored 398 points. . . Cleveland Central is the first team to score on Cleveland Latin. . . Benny Battista, Canton Township quarterback, scored 150 points this year.

## NO FOOTBALL AFTER DEC. 2

### Emswiler Rules No High School Teams Can Play In Bowls

COLUMBUS, Nov. 14.—UP—H. W. Emswiler, commissioner of the Ohio High School Athletic Association, today banned play of any football games by Ohio scholastic teams after Saturday, December 2.

Emswiler's ruling followed a request by several Ohio schools, which have top ranking and undefeated football squads, whether they would be permitted to accept invitations to Christmas Day bowl games.

Emswiler said the schools included Cleveland Latin, which had an invitation from the Orange Bowl at Miami, and Cincinnati St. Xavier, and several other Ohio schools.

"If any Ohio school plays football after December 2, the school will be suspended from playing any sport with other Ohio teams for the remainder of the year," he said.

"If any Ohio schoolboy plays as an individual after December 2, he will be suspended for the remainder of the year."

Emswiler said that the association would not object to any school or individual player from being in a game on or prior to December 2.

However, the boys accorded the honor of making the two last speeches to the boys of the Rhodes. There was considerable divergence of opinion with only Bob Denmeil being an opponent. The president, however, of considerable thought was given to the matter. For example, one of the boys made the third speech was relegated to the second eleven by his own coach who apparently thought it was better. It acquired that position better. And Ed Sells, one of the toughest line backs, was dropped and dropped back to the second team

by one member, "those who feel that they're the cream of the crop." He said that the league should have placed more than five men on the first team or that they should have placed four on the first team and one on the second. In that connection, and strictly for home front consideration, he said that he thought that both Bob Miller and Bob Zink were strong candidates for the end positions and that Tackle Bill Miller was a strong candidate for one of the two picked for that position.

[illegible]

Seils, Frantz, Darr, Inks And Demmel Among Those Selected With Later Unanimous Choice; Findlay Places Four. Tiffin, Fostoria One Each

An all-Buckeye League team comprised of 10 seniors and one junior, averaging 172 pounds on the line and 167½ in the backfield, has been selected by coaches of member schools and sports writers for the past season. With two exceptions, all players so honored are 17 years old.

Although but two of the five sports voters forwarded ballots despite a time extension, all five coaches cast their votes and the players chose mustered sufficient support to warrant the honor.

Fremont, champion of the league with four victories and no defeats, placed five players on the first team while Findlay, the runner-up, had four. Tiffin and Fostoria each placed one player while none was chosen from Bowling Green.

Bob Currier, who made all-Buckeye two years in a row as a senior, was the team's best fielder the past season and the shift paid dividends for Fostoria. Weighing 175 pounds, he was perhaps the best line-puncher in the area. He was strong enough to be a threat on end runs. He was the mainstay of the Fostoria infield.

There was but one unanimous choice—Hub Demmel—who paced the league with a scoring of 77 points and a field goal scoring of 106 points for his team. Ben Demmel was the second choice, receiving seven first team ballots, he has been designated as captain of the team.

Durr and Treese each received six first team votes and one for second team. The third team consisted of Frantz, Seils and Currier each received five first team votes with one for second team. The fourth team consisted of a guard, Chatelein made the first eleven with two first team and one second team vote.

Backfield

## **ROSS GRIDDER GET FOOTBALLS**

Gold footballs, emblematic of the football championship of the Buckeye League and which failed to arrive in time for presentation at the athletic banquet last December, were presented to Little Giant footballers Friday by Coach Sive Kohr.

Receiving the footballs at an assembly were Bob Zink, Bob Miller, Bill Miller, Ed Seils, Al Johnson, Kent Darr, Wally Whitcomb, Dale Hoy, Dick Mohler, Ted Sims, Bob Walters, Howard Hoffman, Emmet Mackey and Bud Inks. Also earning the mementos but not present to receive them because they are in the Navy, were Bob Demmel, Dick Hilty and Jack Frantz.

Kohr also presented the school with the Jaycee trophy which goes to the league-winning school.

## *Seils Makes All-State*

Ed Seils, burly Ross high athlete who received state-wide recognition at the close of last football season by being picked

on two all-Ohio football teams—one a second eleven and the other a third—and receiving honorable mention on a third, has gained further honors for his prowess.

A guard in basketball as well as in football, Seils has been named to that position on the third all-Ohio basketball team by International News Service, the only wire service that still clings to the old tradition and names one of these all-star outfits. With the exception of Bob Wortman, Findlay forward who also made the third team, he was the only Buckeye League player mentioned.

This section, which has long been unrecognized in state sports circles, first came into its own last year when Bob Demmel was not only named to two all-Ohio first teams but was selected as captain for the United Press aggregation. Now it has followed through in basketball.

# KOHR, ALTHOFF WILL BE NEW HEAD COACHES

## Verifies Rumor No New Men Will Be Im- ported For Next Year

Supt. U. E. Diener announced Friday afternoon, following a conference, that the Ross high football coaching staff had been selected for the coming season while tentative arrangements had also been made for basketball.

No new coaches are being hired to replace Legs Binkley and Eddie Gabel, football and basketball mentors now in the service and on leave of absence, and the vacancies will be filled with material already available at the school.

Sylvester Kohr, who has been an assistant coach the past several years, will be head football coach and will be assisted by Harold Althoff and Harold Schahet who will work with the backs and reserves; William McConnell, who will be in charge of the junior high squad, and John Titsworth who will continue as trainer and also help with the junior high.

Althoff will be head basketball coach and while the court staff has not definitely been completed Titsworth and Kohr will undoubtedly assist him. No further arrangements have been made in regard to junior high basketball. Althoff will continue as track and cross-country coach.

### To Enlarge Program

The official announcement of Supt. Diener verifies the "rumor" that was printed on this page early in the week.

Despite the fact that the coaching staff has been depleted and no new men are being hired, the intramural sports program will be enlarged so as to affect more boys, Supt. Diener added. This is in keeping with the government's urging to "toughen up" as many youths as possible for future military and health reasons.

Last year some 150 junior high boys were out for football and it is hoped to increase this number while more stress will be placed on the intramural basketball program.

Nothing has been done in regard to a golf team for next fall, a sport also coached by Gabel, while it is hoped that the proposed recreation program here this summer will result in a revival of tennis and perhaps make possible a high school tennis team this fall and next spring, Supt. Diener said.

## **DEMMELE NAMED ALL-OHIO BACK**

**Bob Demmel, stellar Ross high halfback who set a new scoring record here the past season by registering 156 points and paced Buckeye League scorers with 77, has won all-Ohio scholastic honors on two of the wire service teams.**

**Demmel was placed on the first team by the Associated Press, which announced its team yesterday, teaming with Krall of Toledo Libbey, Gross of Coshocton, and Pujazon of Canton McKinley, in the backfield. The International News Service gave Demmel honorable mention. The United Press team has not been announced.**

**Ed Seils, husky Ross guard, was also honored, being given honorable mention by both services. One other Buckeye League player, Bob Currier of Fostoria, was given honorable mention on the INS team as was Bob Downes of Sandusky; while Dick Selgo, Port Clinton, received the same rating from the AP.**

## League Champs

When school resumed in September, Ross came out with an entire new array of coaches with Sylvester Kohr at the head of football, assisted by Althoff, John Titsworth, Harold Schacht and Bill McConnell; Althoff took over basketball and Titsworth the reserves; Gruse resumed his swimming post and Don Hirschberger took charge of the cross-country squad. Jim Marinis remained as boss of athletics at St. Joe.

**The Little Giants had a very successful football season, winning eight games, losing one and tying another, won the Buckeye league championship without defeat and placed five players on the all-league team. They were Halfback Bob Demmel, Quarterback Bud Inks, Center Kent Darr, Guard Ed Seils and Tackle Jack Frantz.**

Demmel further made history by being named on two all-Ohio first teams and made captain of the United Press eleven and by setting a new scoring record of 156 points here and pacing all schoolboy scorers in the state. He went into the service Wednesday of this week. Seils was named on one all-Ohio second team.

**St. Joe won but three of nine football games as Coach Marinis had very little seasoned material and most of his players were underclassmen. He installed the T formation and, if nothing happens, should have a good eleven next fall.**
