

1928 Little Big Seven League meet...

FREMONT HIGH DARK HORSE IN L. B. S. MEETING

Fremont High, about fifteen strong and ready, will migrate to Sandusky, Saturday, where they will mingle with the class of the Little Big Seven in the annual track and field meeting between the teams included in the neatest little high school league in the country.

Fremont got away to a late start, but it showed by its victory at Tiffin, where it vanquished Bellevue, Tiffin Columbian and Oak Harbor, that it amounts to some shucks.

Althoff, Binkley and one or two more of the boys ought to get into the running with points, the two former basketball partners getting the bulk, according to the dope.

Each team entered in the events, and this means Norwalk, Bellevue, Willard, Oberlin, Tiffin and Sandusky, will have their star trackers and fielders set for the doings and some very keen competition of the famous Little Big Seven brand will be seen before the afternoon is over.

The purple and white of Fremont is not favored to win the meeting, but the ringsiders may see something worth while in the Fremont direction before the checkers start figuring up the totals.

SANDUSKY WINS ANNUAL L. B. S. MEET; FREMONT LANDS THIRD

Closest and Hardest Fought Session in History of League

As predicted, the Little Big Seven track meeting at Sandusky Saturday, the annual classic of the cinders and sod among the elect in the cozy little high school loop, was tighter than a meeting of a Scotch mite society.

Sandusky won, but history of the cinder claws and sand scurries will show you that she had to be her age, he herself and do her stuff.

Fremont and Norwalk were right in her footsteps so close in fact that it took the final gasp of the hard-worked auditing committee to finish out the results when the last precinct was heard from late in the day, and when points were points just like a certain Mrs. Wiggins said that pigs were pigs.

By taking this track meeting, Sandusky finished a clean slate for the three big classics of the school group. The blue and white of the gridiron, the track and the championship and a farewell sal to the most successful campaigns ever grouped in the bay shore school they pocketed the honors in the cinder party and how.

Norwalk saw its banner grouped in second place, but the purple and white of Fremont was third only one point in the rear of the Maple City sporters of the trunks and spikes.

The following figures will give the reader how the rank and file stood in the parade after the various units had been sifted into their exact positions after the meeting had drawn to a close:

Sandusky, 48½.
Norwalk, 44.
Fremont, 43.
Willard, 28½.
Tiffin, 22.
Oberlin, 21.
Bellevue, 3.

Greatest Ever

Despite a touch of winter chill and a wind that swept off the rollers on the lake that also appears to be getting in trim for the swimming season, the annual field and track meeting was one of the closest affairs on the records of the L. B. S.

It was a battle all the way and was a matter of seconds, thirds and fourths that counted in the long run, first position for any athlete being about as scarce as dancing pumps with Pyle-Bunton Derby.

Krueger, Sandusky's big boy about whom was written oceans of sport clatter during the football season, was the outstanding figure of the session. He won individual honors taking three firsts and a third for 18 points. Krueger, in fact, won the meeting for the blue and white. They can say what they have in mind about this Krueger

but, he is certainly the lion's roar when it comes to his various sports—football, basketball and other athletics, but he is the Jim Thorpe of the Little Big Seven right now so as to speak.

Mayberry of Norwalk took second individual honors with 14 points while Binkley, Fremont, and Weidemeyer of Norwalk were tied for third position, each checking in with 10 points.

Althoff, of Fremont, drew 8½ points, but it was this same stoical white headed star that forced the issue and made winners break records.

Records Broken

Three league records were fractured during the meeting, the high jump and the shot-put fallen to Krueger's grasp and the javelin mark falling before J. Miller of Willard.

In the high jump, forced by Althoff, Krueger hurled his body over the sticks for eight league heights of 5 feet, 9½ inches. Althoff and the big boy from Sandusky fought it out to the finish from the first. Johnny Heimberger of Fremont drew third in this sensational event. Kreuger beat the old league mark established by Heimberger of Sandusky, by three-quarters of an inch.

Krueger set the weight for 44 feet bettering his own mark of 43 feet and 4 inches that had been standing as a record.

The J. Miller fellow from Willard, jabbed the javelin 163 feet, breaking the league record established by Gable of Norwalk in 1926 by an even 10 feet. Lerch of Fremont drew third position in the event.

Krueger came close to Weidemeyer's league record in the broad jump, marking 20 feet, 8½ inches. Binkley of Fremont, drew a second in this.

In the pole vault Althoff and Williams of Willard tied for first with a height of 10 feet 8 inches.

Binkley drew second in the century dash that went to the fleet Berry of Oberlin in 10:08.

"Hassy" Comes Through

It remained for "Hassy" Hasselbach of Fremont, to cap his school's only real first place. He did it in the 100 yards dash by breaking the saucer 100 feet. Krueger expected to shine in this event, was in poor third with a heave of 100 feet even.

Neiderhauser of Tiffin, a swell candidate for the next Bunion Derby, won the mile in 4:50.8. Karlovitz of Fremont, was fourth.

In the 220 dash, won by Mayberry of Norwalk, Binkley drew third position.

Fremont also got into the heavy scoring column when it counted second in the relay, the event being won by Oberlin with Norwalk and Sandusky tied for third position.

Had Althoff been able to take the pole vault in the high jump, the events that he is proficient in, Fremont would have come home in front of a few points. Althoff, greatest emergency man Fremont high ever had and one of the cleverest all-round boys that ever carried the purple and white, tried his best. He was only able to split one event and drew second in the other and thereby hangs the tale.

It was Krueger day at Sandusky, just like it was Althoff's day when the boys got to playing in basketball tournaments.

Althoff by the way, completed his career as a high school athlete per-

REDS LEADING THE NATIONAL; GIANTS SLIP

By DAVIS J. WALSH

L. N. S. Sports Editor
NEW YORK, May 14—Comedy may be the motif of the American League situation, with the Yankees increasing their advantage of 135 percentage points at the end of last week to 142 at the beginning of this one, but, to the clubs immediately involved, the National League race is about as comical as a hair lip. The Giants were comfortably behind the Reds, who moved to first place yesterday by winning from the hopeless Phils while the Giants were tossing off their second straight to the Cubs.

The entire National League became tighter than a sailor's hand clasp during the week as the result of a general balancing of values. The Cubs, for example, stopped losing to everyone and proceeded to win from all comers, beating the Giants and Dodgers out of six straight, gaining no less than 108 points in the percentage table and advancing from fifth to third place in the standing of the clubs. The Cards, meantime, also reeled off six in 9 rows but were stopped yesterday by the Braves.

The hair on a man's head, if left uncut, rarely grows more than 12 inches, according to one expert.

Former Saturday afternoon in that soul stirring session on the bay shore.

It will be many a day, perhaps, before a lad as capable as the quiet spoken white head breaks into the F. H. S. athletic circles. Boys of his class are few and far between, but what is Fremont's loss is some college's gain, and many a team around the Little Big Seven will breathe a sigh of relief now that "Whitey" has laid down his tools and departed for other climes. He was indeed a thorn in their sides and the nightmare of many a coach for the past three years.
