## Trojans win 7th straight BC crown

Findlay picked up another Buckeye Conference golf crown but Fremont Ross's Dave Miller got a piece of the action in the conference tournament at the Fremont Country Club Monday.

The Trojans, with Lee Bozarth leading a consistent showing with an 83, had a team total of 335, just a stroke ahead of Marion Harding, Sandusky with 339 and Ross fourth at 346. Elyria, Lorain Senior, Admiral King and Mansfield rounded out the field.

Stu Bauman, Bill Bird and Cheryl Stacy had 84s to round out Findlay's scorers as the Trojans picked up their seventh consecutive conference crown. The last team, other than Findlay to win the title, was Ross in the 1974 season.

Miller, a Little Giants junior, carded a 79 to take medalist honors for the tourney. The Ross player got out in 37 on the front nine but had difficulty on the back nine. He had a 42 and survived a pair of shots through the trees and one out of the sand for a double bogey on the finishing hole.

While Miller was taking the top individual honors, the rest of the Little Giants were experiencing problems. Andy Rodenhauser got out in 46 but came home in 40 for an 86 for Ross. Doug Michael shot 44-46 for a 90 while Jim Cherry shot a 91. Matt Miller's 96 was the "cast out" score.

The closest players to Miller in the medalist honors running were Ken May and Doug Brown of Marion Harding and Sandusky's Steve Schlicht, all with 81s.

The Little Giants will be back in action today, traveling to Bowling Green while on Thursday, Ross will be in Marion for a match against Harding.
