

# *Netters Fail To Advance*

TOLEDO—Fremont Ross will not be represented in the Northwest District's Class AAA tennis tournament next weekend.

The Little Giant entries in both singles and doubles competition were eliminated during sectional competition at Laurel Hills in Toledo Friday.

Jeff Wingo got the farthest of all Ross competitors. He reached the singles quarterfinals before being eliminated (6-3, 4-6, 6-2) by second seeded Val Kurjakovic of Toledo Start.

Wingo, who drew a first round bye, reached the quarterfinals with an impressive win (6-0, 6-1) over Bellevue's Steve Snyder.

"Wingo played a beautiful match all the way," Ross head coach Pete Michaels said. "He was very tired when the day was over. His match with Kurjakovic was the last of the day. We didn't leave the courts until 8:40 p.m."

Ross' other entry in singles, Larry Shilling, was eliminated in his first match after drawing a first round bye. Russ Snyder of Defiance bested Shilling by scores of 6-4 and 6-1.

Both entries in doubles for the Little Giants lost their first matches. Steve Frost and Sherman Gibson went down to a team from Toledo Start while Jeff Tschumy and Ron Kanan were toppled by a combo from Toledo Woodward.

The top four singles players and double competitors advance to district play. The district finalists will represent the Northwest District in the state meet at Columbus May 26 and 27.
