

Girls' Varsity Basketball . . .

"Ah, there's good news tonight! The Fremont High Huskies, (so nicknamed because they are the most husky girls' basketball team in the county), have completed another undefeated season!"

This statement would not have caused a great deal of excitement in the twenties, for our mothers participated in many of the sports that our fathers did. One of the annual highlights of their "athletic" year was the football game between the Junior and Senior Girls.

Today, girls' athletics are not so predominant at Ross. However, our Girls' Varsity Basketball team has just as much enthusiasm as those "Huskies" did. Under the effective teaching of Miss Bliss, Miss Beck, and Captain, Barb Titsworth, the Varsity completed a very successful season. To promote better student and teacher relationships, the Girls' Varsity played an exhibition game with the women faculty members. This game was a lot of fun and is a fine example of the spirit at Ross.

ROSS HIGH SCHOOL GIRLS' basketball team was defeated 18-15 by Fostoria in a game here Tuesday. Ann Althoff scored 13 points for Fremont. The other two were made by June Hetrick. After the contest, refreshments were served to 44 competitors, referees and coaches. Referees were Miss Elizabeth Menzie of the Bowling Green State university faculty, and Miss Betty J. Wilhelm, a B. G. U. student. Ross and Port Clinton girls' teams will play here January 30.

A CHALLENGE to women teachers has been issued by the Girls' Athletic association at Ross high school It seems the girls have a pretty good basketball team and they want to play the faculty It would boast understanding and good will between student and teacher, according to a notice posted in the office The teachers were notified to contact June Hetrick, captain, or Miss Mae Beck or Gertrude Bliss, faculty sponsors, if the teachers accept We understand that office employees Miss Kathy Durdel and Mrs. Dorothy Swedersky will be "eligible" to play with the faculty.

THE ROSS HIGH SCHOOL varsity girls' basketball team defeated the faculty women, 21-20, in a game attended by 350 in the girls' gymnasium Wednesday afternoon. The winning points came on a basket by June Hetrick. Miss Gertrude Bliss, of the faculty, was the top scorer with 10 points.

THERE WAS so much interest in the girls' basketball game at Ross high school Wednesday that there's a good chance it will be repeated The students defeated the faculty women, 21-20, in a super-duper, thriller-diller before about 350 spectators The big heroine was June Hetrick, who looped a field goal in the waning moments But the feature of the contest, we hear, was the inspired cheer leading of Mrs. Winifred Turner, the school librarian Her "yeah, team" urging brought response, and how! In fact, the students found themselves rooting for the faculty, heretofore always considered an impossibility You gotta give the older gals credit, too, for holding the youngsters to a one-point victory The officials, incidentally, were Bill Carver, social science teacher, and Ronald Whitcomb, student.
