

Coach says Aqua Giants swim excitedly

By SCOTT KIRSCH
Staff correspondent

First-year coach Ryan Roshong has noticed an abundance of fresh excitement and enthusiasm among the Fremont Ross Aqua Giants.

"They're very fired up this year," Roshong says, "and they're working very, very hard. They're just excited about this year."

Roshong is a graduate of Sandusky Perkins high school and Wright State University in Dayton.

"The guys are looking stronger right now," Roshong said, "particularly in the distance freestyle events, but our girls are

Oak Harbor opens today, B3

comming along real well."

Roshong said the 200-meter individual medley and 100 breaststroke, with senior Chris Schaaf; and the 100 butterfly, with Francisco Rosito, should be the boys strongest events.

Roshong said he's counting on the senior leadership of Aaron King and Dave Zinkand along with the junior tenacity of Lee Huffman and Nathan Cox to further help the boys.

King will be used in the sprint freestyles, Cox will help fill out the distance

freestyles and Huffman will be used in a variety of events.

Junior Ryan Wing will be strong in the 200 and 500 distance freestyle swims, Roshong said.

For the girls, Roshong said sophomore Addie Baker will be competitive in the 200 IM and 100 backstroke, Tracy Baker swims the 500 and 200 distance freestyle events and sophomore Ronelle Marr "looks strong in the 100 fly."

"They're just very even all around after that," Roshong said. "There's not any weak spots, but I don't have any real standouts right now."

Heather Mears, a junior, should help out

in the breststroke and fly. Senior Shannon Vaffis will swim distance freestyle, and senior Angie Sprenger's strength in the 100 fly and sprint freestyles will be utilized.

"Those are our major strengths right there," Roshong said. "Everybody else is right behind. We should have a good amount of depth and hopefully we'll be out-touching for the thirds and the fourths."

As far as the postseason goes, Roshong said his goal is to be in the top two or three at sectionals.

The Aqua Giant begin their season Wednesday at the Tiffin YMCA against Calvert.

Aqua Giants open with victories

News-Messenger reports

TIFFIN — Fremont Ross opened the season swimmingly Wednesday as the Aqua Giants topped Tiffin Calvert twice.

The Ross boys beat the Senecas 125-37 at the Tiffin YMCA, while the girls team was victorious 127-42.

"For our first meet, we swam really, really well," Ross coach Ryan Roshong said. "We swam as well or better than I had hoped.

"Some of the freshmen boys did a nice job filling in the gaps, picking up third places and fourth places.

"The girls swam great. I had a couple girls go personal bests or swim times better times than they did at the beginning of last season."

Ross won every event in both meets.

Ryan Wing, Chris Schaaf and David Zinkand each won two individual events for the boys; and foreign exchange students Tilko Mueller of Germany and Fransisco Rosito of Brazil showed how important they will be to the Aqua Giants this year.

"They help to round off the team in that everyone knows what they are swimming," Roshong said. "It helps to clarify things and everyone is in place."

Roshong said by season's end, the swimmers will have no doubt what their best event is.

Mueller swims all of the freestyle events for Ross, while Rosito specializes in the butterfly and can fill in anywhere from the 50 to the 500 freestyle.

Tracie Baker, Addie Baker and Beth Brudzinski each won three individual events for the Ross girls.

"Of course we had a few standouts, but everyone contributed and we had some great efforts by our sophomores (including Tuesday Miller and Karen Wonderly)," Roshong said.

Pirates rule water against Aqua Giants

News-Messenger reports

SANDUSKY — The Fremont Ross boys swimming and diving team fell to 5-2 in dual meets Wednesday, while the Ross girls slipped to 4-3.

Sandusky Perkins defeated Ross 99-86 in the boys meet, and the Pirates topped the Aqua Giants 100-85 in the girls meet.

"I made some mistakes at the front end of the (boys) meet. I should have switched some people around," Ross coach Ryan Roshong said. "I underestimated Perkins in the early part of the meet. We swam really well in the back end of the meet, but

HASSELBACH

they had more depth in the front.

"I made some changes along the way, but it was a little too late."

In the girls meet, Perkins simply matched up well against

Ross.

"Perkins had some really strong girls," Roshong said. "They matched up with our strengths, and they beat our strengths."

"We lost a few key events and their second and third swimmers beat our second and third swimmers."

Ross swept the diving competition, with Leslie Hasselbach and Jennifer Newman finishing 1-2 in the girls event.

Hasselbach, who holds the Ross school record of 231.7 points, compiled the third highest total of her career —222.9.

Brian Thatcher won the boys

diving with 156.15 points.

Chris Schaaf was a double winner for the Aqua Giants, taking first in the individual medley and the butterfly.

The Fostoria girls medley relay team sang the National Anthem but the Ross girls got the curtain call Saturday afternoon in a high school swim meet at the Sandusky County YMCA.

Ross defeated the Fostoria girls 60-26 but the Ross boys fell 45-39. Both Ross teams are 9-4.

"The girls swam very well," Ross coach Ryan Rashong said and added "both teams swam well."

The Redmen girls medley relay team of Jenny Sander, Andrea Smith, Mardy Strahm and Dena Holman led the crowd of swimmers and spectators packed into the tepid pool in singing the Star Spangled Banner.

The Fostoria foursome created their own encore with a win in the opening event. Ross, though,

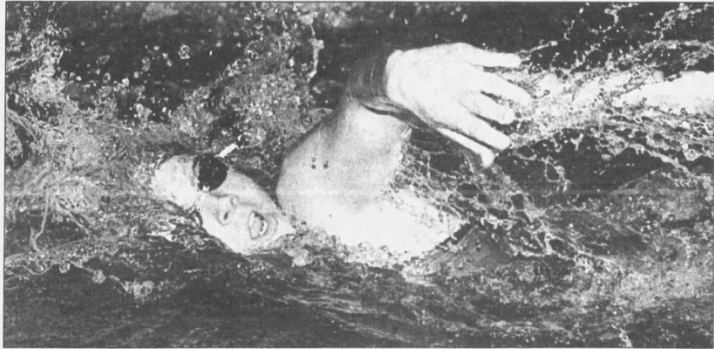

picked up from there, turning in winning notes in eight of the final 10 events including 1-2 sweeps in six of them.

Tracy Baker won her specialties, the 200 and 500 freestyle events, taking the former in two minutes, 7.07 seconds and the latter in 5:41.08.

Other Aqua Giants girls wins went to Angie Sprenger in the 50 free sprint, Ronelle Mahr in the 100 butterfly, Addie Baker in the 100 backstroke and Heather Mears in the 100 breaststroke.

The Ross 200 free relay of both Bakers, Sprenger and Shannon Vaffis won easily and the 400 free relay team of Mahr, Vaffis, Sprenger and Tracy Baker capped off the Ross win.

Rashong pointed out several season and life-time bests turned in by Aqua Giants girls.
