COLUMBUS — Fremont Ross senior Grace Durnell had no problem with the heat and humidity in the Division I girls 3200-meter run Saturday at the state track and field meet at Ohio Stadium.

"The weather was really great," she said.

"My main problem with the race was I started off too fast. I tried to stay up with the leaders; they were pushing a lot harder than I could."

Durnell, who transferred from Merced, Calif., for her senior year, finished fourth in the 3200 in 11:20.88 seconds.

Nicole LaSelle, a sophomore from Dayton Chaminade-Julienne, won in 10:59.04.

"I'm not happy with the time, but I'm happy with the place," Durnell said.
