Girls tennis

Shana Young of Clyde and two Fremont Ross doubles teams will advance to the district tennis tournament at Bowling Green State University in Division II and Division I, respectively, but Young and the quartet of Little Giants will complete today as the sectional tournaments wrap up.

Rain postponed sectional play at Sandusky High School in Division I and at Perkins High School in Division II Saturday.

Young will play Elizabeth Burkart of Vermilion in the Division II singles final at Perkins.

Casey Schepflin and Dena Schepflin of Ross have already reached the Division I doubles finals at Sandusky. They could meet teammates Dawn Zerman and Kristen Farrell if Zerman and Farrell win their semifinal match today against Arathi Murthi and Angela Harper of Ashland in today's semifinal match.
