Little Giants Advance with Dominant Road Win at OHSAA Districts

The Fremont Ross boys basketball team opened OHSAA District play in impressive fashion last night, rolling past Toledo Scott 76–48 on Scott’s home floor. It was a dominant, complete team performance from start to finish and another statement road victory for the Little Giants.

Jake Cahill led the charge with 24 points, setting the tone offensively. Mason Englund stayed hot, recording 13 points and 11 rebounds for a strong double-double effort, while Tallon Brown controlled the glass with 10 rebounds. The win showcased unselfish play, defensive intensity, and balanced contributions across the board.

Coach Cahill expressed how proud he is of his team once again, especially with the way they continue to compete away from home. The Little Giants have now won three straight road games and are playing their best basketball at the right time.

Ross will look to keep that momentum rolling this Friday as they travel to Toledo to face a very tough Toledo Central Catholic Fighting Irish at 7:00 PM.

Lose to Toledo Central Catholic in the Sectional Final
