

1921 Season...

sight. Harold Wendler, another football marvel, has been elected to lead the baseball team and he will have a squad of 25 men to pick from. Fremont and Sandusky will engage in a best two out of three series of ball games this spring.

The opening of the baseball season in Fremont, scheduled for Saturday afternoon, had to be called off on account of damp grounds. The battle was to have taken place between Fremont and Greenspring high schools and would have been quite an interesting session.

The first baseball game of the season will be played in Fremont on Hazel street lot Saturday afternoon when Fremont high hooks up with Greenspring high. Friday afternoon the local students will go over to Clyde to mingle with the scholastic team in that place.

F. H. S. Wing First Game

In the first ball game of the season played on Recreation field Friday afternoon, Fremont high had an easy time with Greenspring. The game went for seven rounds and resulted in an 8 and 2 winner for the purple and white. Amos Boyer, big all around athlete at the local seat of learning, essayed to pitch. He worked six rounds, allowed 5 hits and breezed 12 men. Wendler was given a chance to throw in the seventh and did well, allowing one hit. Heckman worked for the visitors and was mangled for nine hits that included some extra base clouts. Brokate caught a good game for Fremont and the team backed the pitchers in grand style, showing form that will go great when under full development in future games. The students wish to thank the directors of Grace parish for the use of Recreation field.

BY "COLONEL" O'FARRELL

Fremont high's baseball team has two jobs ahead of it for the weekend doings. Friday afternoon the horsehide jugglers tackle the Clyde high crew at Recreation field and Saturday afternoon they wend their way to Greenspring for a joust with the diamond stars in that seat of learning. Fremont should have no trouble taking either game.

Fremont High Defeats Greenspring Students

The Fremont high school baseball outfit sailed on an expedition of conquest to Greenspring Saturday afternoon and succeeded in doing a "Cortez" or a "Bill the Conqueror" stunt at the expense of the student force in that well known center of health and culture. Fremont won the bout 17 to 5 by lusty clouting at the proper moments and a convention of errors on the part of the victims of the foray. Amos Boyer, whom folks in Lindsey, thinks is going to be the next Grover Alexander or Stan Coveleskie, did the chucking for F. H. S. He allowed about six hits. Harold (Windy) Wendler, shifty of the shiftest in football creepers, broke into the glitter of the spotter by busting off a home run in the eighth chapter. One purple and white man was perched on the hassocks when "Windy" busted the onion. This victory gives Fremont two victories over G. H. S. for the present season's campaign.

Infield Errors Caused Fremont High's Defeat

Fremont high school and its baseball team went down to defeat in baseball Friday afternoon by a score of 9 and 7. It was a Tiffin team of students that turned the trick and the pill was quite bitter owing to the fact that it was the first time in a long, long period that a Fremont outfit has been forced to taste the dregs of defeat on a local field. The bout was staged on Recreation field and the purple and white started off quite nicely and up in the third chapter the going was 5 and 1 in their favor. Amos Boyer, town idol of Lindsey, was on the heap for Fremont and with the nice lead and his cannonball delivery the game looked as good as won. Baseball is made popular by its very uncertain quantities and this is what was doing Friday. Fremont made as many errors as there are minnows in the river and the visitors tied the score and went the home folks two better before the battle simmered down and ceased. The bulk of the errors were made by the infield and reports from the ringside are to the effect that Fremont should have won. Wendler's hitting again featured the fray. The high ball team went to Sandusky early Saturday morning to play a game with the S. H. S. nine. Wendler and Brokate were the battery partners selected for the Fremont side of the issue. Coach Vanorsdal and Capt. Smith at the head of 30 stalwart athletes, went to Sandusky later in the day to take part in the three cornered track and field session between Sandusky, Lorain and Fremont.

Wendler, Ross, A. Boyer, Letterman, Eesley, Gabel, Jennie Wood, Reba Eckelberry, Merlin Robinson, Gladys Whitmore, Stella Burns. Saturday afternoon at 2:30, on Hazel street field, the Sandusky and Fremont high schools will meet in their second baseball battle of the year. Fremont having won the first encounter at Sandusky last week.

For some reason or another Sandusky high school cancelled its game with Fremont high and there was nothing doing in the line of athletic excitement on Hazel street field Saturday afternoon. It was to have been the second meeting between the two outfits, Fremont having won the first bout at Sandusky a week ago.
