HIGH SCHOOL GOLF TEAM IN CONTEST

Fremont high school's golf team will make its first appearance Saturday afternoon at Napoleon, where it will compete with the student golfing stars of that city. Coach Bob Oldfather of the Fremont team, has selected the following players to make the trip: Lionel Lawrence, Clyde Potter, Edgar Mielke, Walter Vinnes, Gerhart Miels, Robert Johnson.

Several of the Fremont players learned the rudiments of the sport while caddying on the Fremont golf course and they play a game that is far above the average.

FREMONT HIGH GOLFERS WIN

Napoleon Team Goes Down to Defeat in 18- Hole Match

Fremont High School's golf team, making its first appearance in competition, defeated Napoleon High's green and fairway group in the latter locality this morning by a score of 9 1-2 to 8 1-2 and after 18 holes of play.

The purple and white representatives, several of whom learned the rudiments of the Scotch sport while caddying on the Fremont golf course, acted well under fire and carried on over a foreign field and in the face of stiff opposition. The play was based on points allotted for each hole won from the opposition and the score sheet shows that Walter Wennis, Bob Johnson and Lionel Lawrence, with two and one half points apiece, were high for Fremont. Other Fremont players and their cards turned in were: Clyde Potter, one point; Eddie Meilke, no count; Gerhardt Neils, one point.

The Napoleon team was composed of Messrs. Walters, Kelly, Lanzier, Gilliland, Finnerty and Cochran. Lanzier was the high man with a card of three points.

Coach Bob Oldfather accompanied the team to Napoleon.

FREMONT HIGH GOLFERS BEATEN

Fremont High's golf team invaded the Country Club course at Sandusky Saturday and dropped an engagement to the Sandusky High School putt and tee team by the carded count of 12 to 0.

Bill Gordon, of Sandusky, shot the best golf of the meeting, making an 18 hole effort in 74, just two above par. Bertholy and Andy Gordon, also representing the Blue Streak contingent, turned in cards of 84 each.

Lawrence, with a return of 87 for the 18 holes, was Fremont's star player. Wennis shot 88 and the other members of the purple and white squad turned in the following reports: Mielke, 92; Potter, 98; Neils, 101 and Johnston, 99.

The match was played in the morning to allow the players to attend the finals in the Little Big Seven annual track meeting at Fremont during the afternoon.

FREMONT HIGH GOLFERS LOSE

Fremont High's golf team was defeated by Sandusky High on the Plum Brook course in the latter city Saturday afternoon by the score of 8 1-2 to 7 1-2. A. Hoelzer, of Sandusky turned in the best card for the 18-hole event, shooting a 95. Potter and Lawrence, of Fremont, were tied with a 96.
