

Little Giants Earn First Postseason Victory in Over a Decade

The Fremont Ross boys soccer team made history Monday night, capturing their first postseason win in more than ten years with a dominant 5-1 victory over Toledo Central Catholic. The Little Giants controlled the match from start to finish, showcasing their offensive firepower and defensive toughness in front of an energized home crowd.

Rubens Utile opened the scoring in the first half, giving Fremont Ross an early 1-0 lead, before Toledo tied it up shortly before heading into the break. In the second half, the Little Giants' offense erupted — Gabe Wensinger, Jalen Wolverton, Logan Tucker, and Edwin Guzman each added goals to extend the lead. Tucker also delivered a highlight-reel corner kick assist, setting up one of the second-half tallies.

Goalkeeper Gage Babcock anchored the defense once again, making several key saves in the second half to keep Central Catholic from mounting a comeback. Babcock has been a force to be reckoned with in goal, providing leadership and stability for the Little Giants all season.

"It was great to get a tournament win," said Head Coach Alex Coressel. "The boys played great tonight and it showed in the final score. We took many of the things we've been working on in practice and applied them in the game, which is great to see. They played as a group and shared the ball. It was a great evening."

It was a physical, aggressive, and hard-fought match — a true testament to the team's growth and resilience throughout the year. The Little Giants have continued to improve each week, and their effort paid off with this milestone postseason win.

Fremont Ross now turns its focus to the next round, traveling to Springfield on Thursday for a 7 pm kickoff.

Congratulations, Little Giants — keep it rolling! [See less](#)

Fremont Ross Boys Soccer Season Comes to a Close

The Fremont Ross boys soccer team saw its season come to an end this past week as they faced the state's top-ranked team, Springfield, in the OHSAA postseason. The Little Giants battled hard but ultimately fell to the Blue Devils 8-0.

Despite the loss, this season was one of growth and progress for the program. The team showed steady improvement from the first whistle of the season to the final match. "Tonight we battled, and I am proud of our guys for that," said the Coach Coressel after the game.

The Little Giants finished the year with a 5-9-4 record and achieved a major milestone by snapping a postseason drought, earning their first tournament win in over a decade with last week's victory over Toledo Central Catholic.

Seniors Chase Culbertson, Edwin Guzman, Logan Tucker, and Gabe Wensinger played their final match in Fremont uniforms, leaving behind a legacy of commitment, effort, and pride in the program.

"Thank you, seniors, for your leadership and dedication to Fremont soccer," Coach added. "Your hard work has helped pave the way for future success."

The future looks bright for Fremont Ross soccer, as the returning players will look to build on this season's progress and continue raising the bar for the program. [See less](#)
