ROSS HIGH GOES INTO ACTION IN TRACK MEETING

Coach Whitey Althoff's
Boys Have Tough
Rival Booked

With cool winds nipping at their heels, Fremont Ross trackmen took to field and track at 2 p. m. Saturday against Mansfield High in the opening dual meet of the year, at Harmon field.

Battle Strong Team

Coach Whitey Althoff's team in battling against a strong track field was depending on some of the new men added to the squad this year from the lower classes.

Mansfield's team has been one of the most formidable in central and mid-west Ohio areas for a number of years, having won some of the larger meets sponsored by universities in those regions.

Mansfield has developed field events to far greater extent than most high schools, and has added to its total points for deciding occasions in that branch on several occasions.

Against his strong foe, Coach Althoff had a well balanced team but with much of its talent yet a matter of conjecture. The meet results are expected to show just what strength Fremont possesses and to bolster up any weak places to develop in the 16 scheduled events.

With little outdoor practice behind them, due to nippy breezes and cold days in recent weeks, Coach Althoff's squad will go into action with little but indoor experience for the events.

Order of Events

The order of events and Fremont's tracksters was scheduled as follows:

120-Yard High Hurdles

Fox, Spangler, Bingman or Stull.

Shot Put

Fox, Shaw, Suttkus, Rice and Koebel.

Outpoint Little Giants By Capturing In Finals Of Sixteen Events Here

Fox Takes First in Three Contests; Squad Does Well for Little Period of Preparation; Mansfield Wins, 71 to 61

After holding the lead throughout three-fourths of the scheduled track and field events in their dual meet with Mansfield High school, Fremont Ross High yielded their first season's opener, 71 to 61, at Harmon field, Saturday.

Showing strong in the running events, Fremont captured first place in eight of the 16 events, but lagged in field competition, a strong point with Mansfield.

Ross Does Well — Fremont was apparently headed to take the meet until Mansfield began to roll up points to close the breach.

With ten events tucked away, the Little Giants lost their lead when Mansfield ahead, 52 to 48. From that point on, the visitors never threatened to catch up.

Records Intact — Fremont's records were unbroken for records were endangered by times or results of any of the events.

The chilly winds sweeping the field, the track and fieldmen were at a disadvantage as far as any record-breaking was concerned.

It was the first time the new track transferred last year from an adjacent field to the front of Harmon school, was in use.

When You Take into Account — Fremont's record with the service of track facilities last year, and that Coach Whitey Nelson, coach of the visitors, from the beginning, have to give them a lot of credit for their showing in Mansfield.

Fox Shows Well — Pete Fox copped first in the shot put, 40 feet 5 inches, and high jump for Fremont.

Joe Lewis, well built Negro lad, had the 440-yard dash, broad jump, and lost out by narrow margin in the 100-yard dash, run off in the short distance of 263 feet.

General Keller — Keller of the Little Giants, finished easy to take the mile.

Ed Dugan, 100 feet 2 inches, in the low hurdles at flat clip, Spangler, of Fremont, maintained a close advantage all the way to take the hurdles.

The distance was changed last year from 100 to 110 yards, and the mile relay team, with Forgeron, Gene Hofelich, Ballard and Dunlap, set a new record of 3:47.5.

The school record is 3:55.1.

Two Boys Hurt — Both boys were injured while in events, having effect on the scoring.

Ed Dugan pulled a muscle while rounding the curve on the 220-yard dash, and was forced from the running.

The injury caused him considerable pain at the time, but he expects to be all right to take the high hurdles and lost out. He made light of the injury.

The high hurdles are three feet, three inches high, three inches high having been taken off by the national rules committee last year.

In the only other unexpected disappointment to the visitors, Hofelich was disqualified in the 440-yard dash, when he stepped out of his lane.

Teams Are Even — Mansfield's medley relay team to finished 30 seconds behind in the second leg on the program. Fremont made a clean sweep in the mile run, but Mansfield captured the relay race, and the visitors placed second in the discus and javelin.

With their next home meet not April 14, when Bellview and Cal Harbor will be guests, Cottontoff was expected to have gained numerous pointers to his material to help in good condition for the competition.

The events and results were:

Shot put: (42 feet 5 inches) — Fox, Fremont, 1st; Woodberry, 2nd and Nagel, 3rd, both of Mansfield.

High jump: (5 feet 6 inches) — Lintz, Mansfield, 1st; White, Fremont, 2nd; Hasedorn, Mansfield, 3rd.

100-yard high hurdles: (Time 16.8 seconds) — Fox, 1st; and Spangler, 2nd and 3rd, both of Fremont; Heiser, Mansfield, 4th.

Mile run: (Time 4:57.9) — Keller, Reinbold, Rosen, Fremont, 1st, 2nd and 3rd, all of Mansfield.

Discus: (10 feet 1 inch) — Chatman, Woodberry and Nagle, Mansfield, 1st, 2nd and 3rd.

High jump: (5 feet 6 inches) — Fox, Fremont, 1st; Shay, Mansfield, 2nd and Miles, Mansfield, 3rd and 4th.

100-yard dash: (Time, 10.7 seconds) — Kelley, Mansfield, 1st; Lewis, Fremont, 2nd, and Kinckle, Mansfield, 3rd.

Broad jump: (18 feet, 9 1/2 inches) — Lewis, Fremont, 1st; Chatman, 1st and 2nd; Lintz, Mansfield, 3rd.

100-yard relay: (Time, 1:53.6 seconds) — Fremont, 1st; and Miles, Mansfield, 2nd.

440-yard dash: (Time, 53.2 seconds) — Lewis, Fremont, 1st; and Ballard, Mansfield, 2nd and 3rd.

Javelin: (153.3 feet) — Weigand, Dial and Gallagher, Mansfield, 1st, 2nd and 3rd.

Discus: (100 feet) — Kelley, Mansfield, 1st; Lewis, Fremont, 2nd, and Kinckle, Mansfield, 3rd.

Medley race: (3:48.3 minutes) — McConnell, Mansfield, 1st; Brosh, Lewis, Fremont, 2nd; Bean, Mansfield, 3rd.

Medley race: (3:48.3 minutes) — McConnell, Mansfield, 1st; Brosh, Lewis, Fremont, 2nd; Bean, Mansfield, 3rd.

SEEK ARRAY OF LATENT TALENT THROUGH MEET

Varsity to Get Lick In Too For Streak Competition

The annual inter-class track meet of Fremont Ross High school is scheduled to start at 4 p. m. Wednesday at Harmon Field oval.

16 Events

Field and track enthusiasts of Fremont High will be out for honors in the 16 events carded on the meet program.

Open to all boys in the high school, a large turn-out of material is expected if the weather is favorable. Members of the varsity track team will be included among the meet entrants.

Events will include the shot-put, pole vault, 120-yard high hurdles, 100-yard dash, mile run, discus, high jump, 880-yard relay, 440-yard dash, javelin, broad jump, 200-yard low hurdles, 880-yard run, medley relay, 220-yard dash and mile relay.

Seek Material

By means of the meet, Coach Harold (Whitey) Althoff hopes to uncover some more talent among boys who did not report for the varsity squad.

The meet will also serve to keep in condition varsity trackmen who will compete at Sandusky Saturday.

With regards to the Sandusky conflict, Coach Althoff said Wednesday he had been informed Sandusky's squad included 12 letter-men.

The Streaks won second in the state meet last year and were first in the Mansfield relays.

The Little Giants will face a busy week next week, when Oak Harbor and Bellevue come here Wednesday and Fremont goes to Lima Central in a weekend meet.

In case of rain, the inter-class meet will be postponed, Coach Althoff said.

INTER-CLASS TRACK SCORES

Juniors, 87.
Seniors, 68½
Sophomores, 46½
Freshmen, 19

The Juniors swept the annual Fremont Ross High school Inter-Class track and field meet honors Wednesday afternoon at Harmon Field.

Snatching the lead from the start, the Junior class representatives steadily piled up points and were never threatened by their nearest competitors, the Seniors, who finished 19½ points behind them. Sophomores finished with a good third and Freshmen brought up the rear.

Take Big Lead

Starting with the 120-high hurdles, first event of the afternoon, the juniors jumped into lead position, when Spangler copped the race in 18 seconds flat with a close lead over Bingman, also a junior.

The second event, the 100-yard dash found another junior, Erchenbrecher, taking honors, nosing out Ray Horn, a sophomore. The time was 11.3 seconds.

Keller, sophomore, set a 4:58.2 clip in the mile run, to take the third event of the day for the sophomores. He held a nice margin over Rosen, senior, when the race ended.

Juniors on the 880-yard relay team, Vaffis, White, Spangler, and Erchenbrecher, led from the first lap and finished in easy manner to win that event.

Pete Fox, senior, won the shot put with his heave of 37.8 feet, dropping the iron ball a short distance ahead of Rice, junior.

With only five events clicked off the junior already had a substantial lead. Scores at this point were: Juniors, 28; sophomores, 19, seniors, 15½ and freshmen, 6½.

Take 440 Dash

The seniors forged ahead of the sophomores and remained there, largely due to points piled up in the field events during the latter part of the meet.

The seniors took a first and third in the 440, when Dunlap, senior, finished 10 feet ahead of Ballard, sophomore. Howell, Senior was third.

Two Juniors, White and Wolfe, had things all their way in the pole vault, White winning at 10 feet. He later kept on for practice purposes where the others left off.

With the meet one event less than being half over, Juniors practically clinched the lead scoring when Spangler and Bingman finished one, two, in 220-yard low hurdles. The distance separating the winners was ten feet.

No unusual records were set by the various classmen as juniors added to their points in the remaining events of the afternoon, including the high jump, 880-yard run, discus, medley relay, 220-yard

ROSS HIGH SET TO REPEL FOES IN TWO EVENTS

Squad to Have Workouts
Monday, Tuesday at
Harmon Field

Confronted with a heavy track and field schedule this week, Fremont Ross high school athletes will bear down on practice to keep in trim for competition.

Two Meets Ahead

The Fremont forces will engage in a triple meet Wednesday here with Oak Harbor and Bellevue and travel to Lima Saturday to meet Central High school.

A heavy drill for the trackmen was scheduled for Monday afternoon with comparatively light workouts Tuesday, Coach Whitey Althoff said.

Fremont will enter the meets in good condition. Cheered by the return of Pete Fox and Joe Lewis, point-getters injured in the hurdles and broad jump in the Mansfield meet here a week ago Saturday, the track squad prepared for a busy week.

Shift Runner

Jim Spangler will be shifted to the sprint events for the meets, Coach Althoff said.

Spangler, a natural sprinter, pulled down honors in the inter-class track meet held here last week.

Coach Althoff said he would not enter any one athlete in more than two events.

That ruling, he said, would give more boys a chance for showing and even up the strenuousness to a moderate stage.

See Strong Foes

The triangular meet Wednesday should find Fremont on a tough spot.

Oak Harbor, which stresses track, has a squad of from 60 to 70 men out each year and has made headway in state meets. Bellevue, loaded with the return of a dozen lettermen, is well prepared for the season.

Coach Bill Gahn at Bellevue, formerly of Fremont, attended Western State Teachers' college, where Coach Althoff graduated. He taught in the Fremont schools, later going to Bellevue.

In the meet next Saturday, Fremont will be engaging one of the state's strongest Class A combines.

In weekend meets, Lima Central was scheduled to go to Dayton and Bellevue to Lorain.

Mansfield's track forces defeated Newark, 75 to 57, at Newark Saturday, while the Mansfield second team lost to New London first team.

TRACKSTERS TO FACE TWO FOES IN HOME MEET

Oak Harbor, Bellevue Are Strong, Report; Ross Set

Fremont Ross High school will enter a squad of about 30 track and fieldmen in the triangular meet at Harmon Field Wednesday when Bellevue and Oak Harbor come here.

With both visitors reported carrying heavy track forces, Fremont will be forced to turn on the heat to win, judging from pre-meet dope.

The squad will hold light work-out Tuesday afternoon, the final before the meet.

At Full Strength

Fremont will enter the meet with full strength, Coach Whitey Althoff said at the close of a good practice Monday.

He said event entrants would not be selected until the close of practice Tuesday.

Attention was paid this week to bolster strength in the field events.

Weakness in that department was in a large measure a contributing cause in the close defeat here by Mansfield.

Bellevue Strong

Bellevue tracksters are strong. In an unofficial meet with Monroeville, Bellevue won first place in every event. Bellevue tied Lorain, 66 to 66.

In the dashes, Sullivan, Kerstetter and Kasuga showed their heels to the rest and appeared to have the edge in those events, in the Monroeville meet.

In the 880-yard run Rodgers and Kerstetter placed first and second. Both are lettermen.

Bob Moyer, another Bellevue distance runner, was far in the lead in his races.

Field Events

Bellevue has strength in field events, reports from that camp say.

Rodgers, Wright and Zerman, have yet to be forced to the limit to win.

Likely candidates in the high jump are Bernard, Geiger, Flenner, Beaseley and Ballard.

Blevins, a letterman, and Suriano are being groomed for the relays.

ALTHOFF HALTS CONTEST; WILL MAKE NEW TRY

Ross Gets In Practice at Harmon Field Despite Downpour

Rain caused postponement of the Fremont-Bellevue-Oak Harbor track and field meet scheduled here Wednesday p. m., but the competition will be held Thursday at 4 p. m., unless the weather again interferes.

Coming as a disappointment to track athletes of the three schools, the triangular meet was postponed only two hours before the first event was scheduled to be run off.

Calls Teams

Track Coach Harold (Whitey) Althoff telephoned coaches at Bellevue and Oak Harbor to call off Wednesday's meet, when leaden skies let down a deluge of water.

School athletes here were waiting to engage the visiting high school squads in what was hoped to bring Fremont its initial victory of the season.

It was the second Ross meet of the year which failed to be run off as scheduled. Last week, Sandusky called off a meet arranged for Saturday, because facilities there were not ready for track competition.

Relay Teams

Coach Althoff said Wednesday that three second teams of relay runners had been carded for the 880-yard, medley, and mile relays.

Those runners will be:

Medley—Jim Vaffis, Jackson, Ridenour and Berger.

880-yard relay—Manahan, Jackson, Ridenour and Goodwin.

Mile relay—Huss, White, Keller and Thompson.

With a track meet Thursday and the Lima Central meet set for Saturday in Lima, Ross trackmen will be mighty busy the remainder of the week.

Joe Lewis was still absent from the team Wednesday, but it was hoped he would be in shape for running and jumping Thursday and Saturday. He was injured in track at the Mansfield meet recently.

No additional injuries have been reported by members of the squad.

Ross trackmen held practice at the field, between periods of showers, until 5:30 p. m. Wednesday.

ROSS CINDER FORCES SWEEP OFF 14 HONORS

Lose Only Two Firsts In Dual Meet At Lima Saturday

Fremont Ross High track and fieldmen sweeping 14 first places in the 16 events, humbled Lima Central, 94 to 38, in Lima Saturday.

The meet was never in doubt. Fremont's tracksters won with ease in the running events, except the 200-yard low hurdles, easily topping in the relays.

Sweep Events

In the field events, Fremont also cleared first in all contests with exception of the broad jump. The margins of victory were not as marked as in the running.

Pete Fox was individual high scorer. He was first in the high hurdles, shot put and discus.

Stout won twice, in the javelin and again in the high jump. Leland Erchenbrecher was first in the 100 yard dash, on two winning relay teams and second in the broad jump.

The shifts in places on the track team, made last week by Coach Whitey Althoff greatly strengthened the team's all around effectiveness.

ROSS TO SEEK VICTORY FROM STRONG SQUAD

Althoff Men Practice to Prepare For Meet

Fremont Ross High track team will engage Bellevue in a dual meet at Harmon Field at 4 p. m. Wednesday.

The contest was arranged Monday afternoon by officials of the two schools, after a triple meet to have been held here last week was postponed twice due to rain. Oak Harbor, third member of the trio, will not participate in the meet here.

Strong Team

Bellevue has a strong team. They tied Lorain and handed Willard a one-sided defeat.

Fremont Ross lost by close score to Mansfield and easily disposed of Lima Central in meets this season.

Coach Whitey Althoff's men also face another tough assignment Saturday when Toledo Waite and Bryan come here for a triangular meet.

Ross Practices

Only a few tracksters were absent from practice Monday after school at Harmon Field.

Coach Althoff put his men through the paces and watched Joe Lewis loosen up on some running after his lay-off since his leg was injured in the broad jump in the Mansfield meet.

Lewis looked pretty good in running, but complained his leg muscle was not entirely well. "I'll be all right for Wednesday," Lewis said. Coach Althoff indicated he may use Lewis in the 440-yard dash only.

Same Line-Up

Coach Althoff said he expected to start about the same squad that he took to the Lima meet.

Rolland Stout, a senior, an unexpected find to the squad, is expected to enter the javelin event. Stout put up a fine performance in Lima.

Some of the younger boys are showing up well in the hurdles. Included in that group are Dick Mahan, a freshman, and Bud Goodwin, a sophomore, who took second and third in the low hurdles in Lima.

Pete Fox and Jim Spangler appeared in good shape Monday. Both have been consistent point-getters. Spangler, winner in the 220-yard dash at Lima, finished 20 yards ahead of his nearest opponent in that event.

Of the weekend opponents here, Bryan has a strong outfit which made strong showing against Toledo Scott, but lost by ten points.

CINDERMEN SEE GOOD MEET FOR BELLEVUE TILT

Light Drill Was Held on
Tuesday; Rain May
Postpone Meet

Fremont Ross High trackmen held light practice Tuesday p. m. in preparation for their dual meet with Bellevue at 4 p. m. Wednesday at Harmon Field. It appeared doubtful Wednesday morning if the meet could be held, due to rain.

All of the players had left the field by 5:30 p. m. Tuesday and most of them left at an earlier hour.

Struggle Seen

Both squads should be fairly even, judging from results in meets so far this season.

Bellevue has done perhaps a little better in the field events than Fremont. The visitors tied Lorain and walloped Willard.

Stronger Opponents

Neither foe was believed as strong as Mansfield, considered one of the best in the state, or Lima Central, Fremont competitors. Ross lost to the former by low score and easily ran over Lima Central.

BELLEVUE MEET, DROPPED; ROSS TO VIE HERE

Will Face Bryan, Toledo
Waite Saturday at
Field Here

For the third time within a week, rain ruled out a scheduled meeting between Fremont Ross High and Bellevue track teams, Wednesday. Officials indicated further attempts to arrange a meet are not expected to be made.

Despite the rains which made it impossible to hold the meet, several of the hardier Fremont trackmen got in a brief lick of practice at Harmon Field.

Meet Here Saturday

Fremont track and fieldmen are preparing for a triple meet here Saturday between Ross High, Bryan and Toledo Waite.

The events will start at 2 p. m., Coach Harold (Whitey) Althoff said Thursday. He indicated few changes will be made from his Lima Central meet, won by Fremont, but was unable to state what men he would use for a certainty.

Bryan Seen Tough

"Bryan is plenty tough," Coach Althoff said Thursday.

"Fremont will have to extend itself more to beat in the triangular meet," he prophesied.

There will be track practice outdoors Thursday and Friday, if rain does not hinder. The work outs, however, are now in the light stages, in order that the trackmen do not over do the matter.

May Enter Meet

Fremont Ross High school may enter a freshman relay team in the Mansfield relays, Coach Althoff said Thursday.

Ten freshmen are working out now for the four places on the team, he said.

The high school here will not enter the varsity competition.

Decision on the entrance of a freshman team is expected to be made Friday.

Rain has caused the track team here numerous delays this spring. Oak Harbor and Bellevue were scheduled here for last Wednesday, but the meet had to be dropped. A second arrangement, calling for a dual meet Thursday between Fremont and Bellevue, was also cancelled.

ROSS TRACKMEN ARE SECOND IN TRIPLE BATTLE

Winners Score 84½; And
Little Giants Are
2nd With 58

Bryant High school topped Fremont and Toledo Walte in a triple meet Saturday afternoon at Harmon Field. Final standings were: with 84½, Fremont, 58½, and Toledo Walte, 26½. The meet was finished in a rain.

Pete Fox won four of the five meet first places taken by Ross High men and broke by four-tenths second the old record set in the 200-yard low hurdles, set in 1930 and tied at 16.3 seconds the top mark in the 120-yard high hurdles at the 1932.

Ryan Leads

Coach Bill Ogle's well-trained Ross team took the lead in the meet's 16 events, while Toledo Walte which was weak from the start, captured only one first. Walte, however, extended all events except the pole vault.

Fremont's firsts came on wins by

high hurdles, high jump and 220-yard

low hurdles, and a win in the 440-

yard dash.

How Events Went

In the first event of the after-

noon triple meet, Fremont

got a start in the 120-yard high

hurdles and finished several feet

ahead of Digney, of Bryan.

With three more poles, the pole

and vault event, knocking off the bar

several times as Bryan took first

and second.

Finals were close in the 100-

yard dash won by Pollock, individ-

ual high score for Bryan.

He took the lead from the start in the 380-yard relay and finished well ahead of

Fremont.

Eugene Hofschl, of Fremont,

looked good in the 440-yard dash

winning by eight feet, after he was

and second in the 120-yard dash.

He took the lead at the three-quarter

mark.

Leaders Bunch

Winger and runners-up for sec-

ond and third in the mile finished

one and ten-feet apart, re-

spectively.

Bryan led from the first lap in

the 880-yard relay which went at

the 1.36.8 mark.

Bob Stout, of Fremont, was

fourth in the high jump. Stout was

carried from the field on a blanket.

He complained of pain in his side

but did not know how he

hurt himself.

In the 380-yard dash, Bryan led

from the start, the lead

had Eugene Hofschl, who finished

second, apparently boxed in on the

third and fourth. In the first

heat, Frank Keohy of Fremont

finished third, ran ahead of Allion,

of Walte, who finished fourth after

the lead had been leading dur-

ing early distances.

Molley Lost

Fremont had a chance on

the medley relay, but took second

to Bryan. Ray Horn took early first

in the 100-yard dash, but the

runners overtook Fremont and won

by eight feet.

To win the 220-yard dash

the relay and broad jump, all won

by Bryan, were finished in a heavy

rain.

Fremont was shut out in the jav-

elin and discus.

McKee, of Allion, Althoff's boy

who did well, will enter the Ohio

Weston relays at Delaware Sat-

urday of this week.

Team Practices

The Ross High squad held regular practices this week at Harmon Field in preparation for the event.

Fremont reserve trackmen will see most of the action in next Tuesday's practice meet with Clyde.

In running at Harmon Field, Coach Althoff had the freshman combination of Manahan, Rider, our, Abney and Jackson practicing this week. The boys showed promise for coming seasons.

Jim Kelly, freshman, pulled a knee muscle slightly but the injury was minor.

ROSS ATHLETES OFF TO RELAYS

Fremont Ross High school's track and field team left the city early Saturday for Delaware to compete in the sixth annual Ohio Wesleyan relays.

Ross athletes were pitted against 23 Class A schools, while 46 were enrolled in competition for Class B. One thousand athletes competed.

Coach Harold (Whitey) Althoff said before leaving that the Fremont team would compete at 10:30 in the morning relays. Finals were to start at 1:30 p. m.

Coach Althoff's squad in relays races included Leland Erchenbrecher, Eugene Hofelich, Ray Horn, Jim Spangler, Forrest Bingham, Charles Wolfe, Wilson Dunalap, Norman Keller, Burdette Ballard, Sam Broshious, Jack Forgeron, Frank Kochy, while Pete Fox also expected to enter the shot put and high jump. ROSS HIGH HAS 3 TRACK MEETS FOR ONE WEEK

Meet Clyde, Bellevue and
Toledo Libbey
Here

Fremont Ross High track and fieldmen face a busy week in track this week. They have track meets scheduled for Tuesday, Wednesday and Saturday.

Tuesday's meet, scheduled for 4 p. m. is with Clyde High school and Fremont Ross second team will compete against the visitors.

To Meet Bellevue

Arrangements are being made to meet Bellevue here Wednesday. Three previous attempts to hold a meet with Bellevue failed, due to rain upon each of three days planned for the event.

On Saturday, Fremont will stack up against a strong Toledo Libbey track and force that has rolled over some tough opposition.

Hold Practice

Coach Harold Althoff's men held regular practice Monday afternoon at Harmon Field. The trackmen, he said, gained some knowledge on events at Delaware in the relay event.

There have been no new additions to the squad and the men were in good condition Monday.

ROSS TRACKMEN ENGAGE LIBBEY

Fremont Ross high trackmen will meet Toledo's strong Libbey high squad in a dual meet at Harmon field at 2 p. m. Saturday.

Showing good form this week, Fremont defeated Bellevue in a meet at Harmon field Thursday by 30 points, and is expected to be in trim for the Saturday contest.

The squad has gained consistently in strength since the start of the season.

Coach Harold (Whitey) Althoff said practically the same lineup would be pitted against Libbey that was used in the Bellevue meet.

ARRANGE MEET HERE TUESDAY

Fremont Ross High school first team track and fieldmen have a practice meet scheduled Tuesday after school at Harmon Field with Oak Harbor.

Coach Harold (Whitey) Althoff said no attempt would be made to check up on the records of the two schools in the meet, which he described as purely for practice.

The Ross trackmen held a light work out Monday after school, taking the running events in easy fashion.

The varsity men will engage in the Buckeye League meet here Saturday afternoon with Sandusky, Tiffin and Findlay.

The grade event will be held Wednesday, and the district meet at Sandusky a week from Saturday. Final event will be the state meet, two weeks from Saturday.

Clyde Beats Reserves

Fremont reserve trackmen lost to Clyde, 79 to 30, Monday after school at Clyde. It was the second Clyde victory over the reserves.

For Fremont, Bud Beeker was in first place tie in the 440 in 58 seconds; Al Koebel, third and Bob Shaw, fourth, in the shot put; Ray Horn, second in the 220; Dick Manahan, second in the broad jump; Luther Rosen, second and Lawrence Feighner, third, in the half mile.

OAK HARBOR IN MISSING TRACK ROLE TUESDAY

Ross Team Practices At Harmon Field; Pick Starters

Oak Harbor failed to show up for its scheduled practice with Fremont Ross High trackmen Tuesday afternoon, but the Little Giants had a good workout themselves. No explanation was received here from Oak Harbor.

Coach Harold (Whitey) Althoff sent the boys through a heavy workout which lasted until 6 p.m., and the team seemed greatly benefitted by the experience.

Hold Practice Session

Among the groups working out were the milers. Norman Keller was lead-off man and clipped off a fast start in practice.

He was followed by Lester Reinholt and Luther Rosen. Coach Althoff will have them for the Buckeye League meet here Saturday.

Charles Wolfe and Leland (Pete) Erchenbrecher were busy quite late in the afternoon tossing the shot. Pete Fox, Al Koebel, Bob Shaw and Fred Rice are the regular shot-putters.

Trackman Hurt

Bob House, one of the junior high trackmen, was injured on the track Tuesday in a spill. He was cut by the accident.

Following practice Tuesday, a tentative line-up was selected for the Buckeye League meet here Saturday. It will be the last home meet of the year, the grade school event set for Wednesday having been cancelled due to press of other activities.
