

2008 Boys Sectional Tournament...

Golf Boys

Hoelzer advances

Brandon Hoelzer of Fremont Ross fired an 81 (38-43) in the boys district golf tournament on Wednesday to advance to sectionals at Redhawk in Findlay on Oct. 9.

The Little Giants' Ian Mowry missed moving on by one stroke at 83.

"The course was playing long but not too tough," Ross coach Nick Rider said. "It is unfortunate that we could not get it together as a team when it mattered the most. We have a lot of young talent, and we need to get better at performing under high pressure situations."

Ross finishes 11-1. The Little Giants finished seventh at 340 on Wednesday, 10 strokes back of Bowling Green, the final team to advance from districts.

"It was a good year, and we will continue to improve in the future because we have young players who are willing to put in the time to get better," Rider said. "I am very happy that Brandon was able to get out to districts to play at Redhawk, so he can gain experience as a freshman. It has been a very rewarding year for me, and I believe this year is only the beginning to many more winning seasons."
