

1931 Season Review...

F.H.S. CROSS COUNTRY TEAM TO MAKE DEBUT

Bill Ogden, track coach at Fremont High, announced that his newly organized cross-country team will make its debut against the Willard High team between halves at the Fremont-Willard game tomorrow. The purple and white gallopers show much promise and they are to be entered in the district meeting in Toledo and, if they place here, will travel on to Columbus. Several dates with Bellevue and other teams have also been arranged. Willard High has been participating in cross-country work for several years and is said to be quite proficient in the galloping art. Coach Ogden has selected some very clever joggers for his outfit and they present lots of promise for future action.

and Bill Ogden's thin clads gave an exhibition of cinder stepping, but the only satisfaction some Fremont fans had was to pray for rain in hopes that the jubilant rooters would get wet and wreck their Princess Eugenies and a few of those fall fedoras, Huron county style.

Fremont High's cross country team will go to De Vilbiss high school Saturday at Ottawa Hills to participate in a race with teams from Waite and Scott High of Toledo and Sandusky. Boys making the trip are: Forrest Fitzgerald, Robert Michael, Tom Schuyler, Clayton Heppner, Robert Maike, Merrit Vickery, Alvin Whittaker and Galen Schnelder.

RUNNERS ADDED TO BIG PROGRAM

As an added attraction at the athletic program on Harmon Field Wednesday afternoon, the Fremont High School cross-country team will compete with the Sandusky High runners between the halves of the Fremont-Norwalk football game.

Saturday the F. H. S. runners, accompanied by Coach Bill Ogden, will participate in an invitational meeting at Wooster, Ohio, and following the races will attend the Wooster-Akron football game.
