### News-Messenger reports

Fremont Ross, led by sophomore Jami Toepppe's first-place finish, took second behind Toledo Central Catholic Saturday at the Division I, District II girls district cross country meet at Oregon Clay.

The top five teams and 15 individuals not on qualifying teams advanced to next week's regional at Tiffin's Hedges-Boyer Park.

Toepppe won the meet in 18 minutes, 59 seconds while teammate Lindsay Frontz was second in 19:23. Ross had 47 points and Central Catholic 43.

Kristyn Warner was ninth in 20:14 followed by Alison Kelly (12th, 20:22) and Sarah Williams (23rd, 21:00) for the Little Giants.

"This was the best the girls have run the entire season," Ross coach Cathy Mallia said. "To even get that close to Central is a feat in itself. It definitely makes us look like we're sitting third in the regional, but it's going to be tough to get out."

Sylvania Southview won the District II boys meet with 48 while Ross was second with 75.

"We didn't run as well as we wanted,

"All of those teams have beaten us this year. Our work is cut out for us."

The Little Giants' Jeremiah Wagner took second in 16:23 and Jeremiah Smith was third in 16:25. Kurt Snyder was 18th in 17:22 while Clint Hill finished 25th in 17:34 and Jon Framstead 27th in 17:39.
