### Lady Giants Tennis Victorious over Findlay...

In a thrilling Northern Lakes League match-up, the Lady Giants tennis team secured a closely contested victory over the Findlay Trojans, thanks to a dominant performance in singles play. The win propels the Lady Giants to a 5-3 record for the season, setting the stage for the next crucial league encounter.

Leading the charge for the Lady Giants was Kayla Lewis, who displayed poise and precision at the No. 1 singles position. Lewis cruised through her match, defeating her opponent by scores of 6-4 and 6-0. Her blend of powerful serves and swift court coverage left her opponent struggling to keep up, setting the tone early for the Lady Giants.

At No. 2 singles, Elayna Gray added to the Lady Giants' lead with a gritty performance, claiming victory with scores of 6-3 and 7-5. Gray's consistency and mental toughness were evident as she fended off a late surge from her opponent to clinch the match and further solidify the Lady Giants' advantage.

The day's winning recipe was completed by Mariska Rakay at No. 3 singles, who sealed the match with a commanding 6-1, 6-1 win. Rakay's aggressive baseline play and steady backhand returns proved too much for her opponent, allowing the Lady Giants to secure a decisive win in singles play.

With the victory over Findlay, the Lady Giants now enjoy a well-deserved weekend off before they gear up to face Northview in another pivotal Northern Lakes League match-up. The team will look to build on their momentum as they travel to Northview, hoping to continue their climb up the league standings.

### SENIORS SHINE ON SENIOR NIGHT...

In an emotional and action-packed evening, the Little Giants varsity tennis team celebrated Senior Night in style, with all seven seniors in the lineup, securing a hard-fought 3-2 victory over the visiting Fostoria Redmen.

The seniors came through in key singles matches, with Kayla Lewis leading the charge at #1 singles. Lewis put on a clinic, showcasing her dominance with a convincing 6-1, 6-1 win over her Fostoria opponent. Her powerful baseline play and consistent shot-making proved too much to handle.

At #2 singles, Mariska Rakay followed suit with an equally dominant performance. Rakay displayed her excellent court awareness and controlled the tempo from start to finish, dispatching her opponent 6-1, 6-1.

The final win of the evening came courtesy of Jessica Thompson at #3 singles. Thompson was in total control, not dropping a single game as she cruised to a commanding 6-0, 6-0 victory. Her precision and composure on the court were clear standouts, earning her a well-deserved shutout.

Despite strong efforts from the doubles teams, the Little Giants fell short in those matches. The #1 doubles pair of Bella Harrison and Megan Hanes struggled to find their rhythm, losing 2-6, 1-6. The #2 doubles duo of Brissy Moreno and Lily Rakay also battled hard but were edged out 3-6, 3-6.

While the doubles teams couldn't quite secure the win, the seniors' singles dominance was enough to carry the Little Giants to a 3-2 overall victory. The seniors certainly made their mark on a memorable Senior Night, helping lead the team to a significant win as they wind down their season.
