FOUR CAPTAINS TO REPRESENT FREMONT HIGH

**Ross, Miler, Newton and
Jones Will Carry Ban-
ners at Mansfield**

The celebrated Four Horsemen of Notre Dame, Don Miller, Layton, Crowley and Stuhldreher, have nothing on the famous "Four Captains of Fremont High," when it comes to versatility and carrying the colors of their school into battle. Saturday down Mansfield way, four distinguished F. H. S. athletes, Bobby Ross, captain of the track team; J. W. Miller, pilot of the cage crew; Edgar Newton, leader of the baseball team, and Nelson Jones, who led the Bob Cats in football last fall, will represent the purple and white in the district track and field meeting. Four of them will make the trip on this occasion and this quartet, for the first time in local scholastic history, will represent the leadership in the four major sports at F. H. S.

Captain Ross will carry the burden of the pole vault and the high hurdles, Miller will look after the 220 dash, broad jump and a shot at the weights; Newton will take on the 400 and the broad leap, while Jones is entered in the half-mile. The four men may also line up in the sprint relay.

The entire crew appears to be

EVANS SEEKING STAR SOUTHPAW

WASHINGTON, May 16.—Billy Evans, general manager of the Cleveland Indians, is here to talk over the Tribe's pitching situation with Manager Roger Peckinpaugh. Evans will visit several minor league clubs on his present trip and look over two or three pitchers he believes might bolster the Tribe's hurling staff. He is said to be very much interested in a southpaw and is ready to part with one of his veteran twirlers and a large wad of money to land him.

ST. JOE PLAYING AT YORK TODAY

St. Joseph's high school baseball team was way over in York township this afternoon, playing the good high school team from the centralized group of schools in that vicinity. The St. Joe diamond group has struck its stride, this being apparent in their victory over the Jackson high team earlier in the week, 21 to 11. Homan is slated to pitch this afternoon and Wasserman will take care of the catching. A fair sized group of rooters accompanied the team.

inside the point making list and Newton and Ross are among the favorites in their particular specialties, quarter miling and pole leaping.

SANDUSKY WINS DISTRICT MEET; FREMONT FIFTH

Blue Streaks Edge Out Mansfield; No Records Fractured

Sandusky, as was expected, won the Mansfield meeting Saturday, accumulating 47 points to nose out the highly touted Mansfield team that counted 40. The Blue Streak aggregation, well balanced, is now set for Columbus and a shot at state honors and here's more power to them. They are a bit cocky and wouldn't be a Sandusky outfit if they failed to carry this air of importance which is typical. A person can hardly blame them, at that. All the world loves a winner and said winner could not be a winner by leaning back on the bit. You have to be cocky and shove on the lines. Look at Earle Sande and Gallant Fox?

Norwalk won third honors Saturday with 31 points and Lima Central took fourth with 28 markers. Fremont High School sent its four captains, Bob Ross, track, J. W. Miller, cage, Eggie Newton, baseball, and Nelson Jones, football to the meeting and the four man team finished fifth with an accumulation of $16\frac{1}{2}$ points.

Other teams finished in the following order: Lima South, 13; Ashland, 12; St. Mary's $10\frac{1}{2}$; Tiffin, 14; Bellevue, 7; Wapakoneta, 5; Bucyrus 4.

Willard, venturing fourth from Class A society, stacked into class B for some easier meat and took a shelacking from the famous Margaretta High School from Castalia 38 to 35.

In accumulating their remarkable four man total, the Fremont team worked as follows: Miller took fifth in the broad jump. Newton was second in the 440 and finished third in the broad jump; Jones was third in the 880 and Captain Ross split a three way tie for top honors in the pole vault at 11 feet and was in a double count for fourth place in the high jump.
