# Canton Wins Swim Title From Ross High Mermen

The 1937 state scholastic swimming title rests on the brow of Canton McKinley's splashers today.

Last year's title holders, the mermen from Fremont Ross, were dethroned by the McKinley boys at the state meet at Columbus Saturday, due entirely to the fact that the Canton relay teams came through with smashing victories at the tail-end of the meet.

Coch Bln Stults' squad was holding a slight margin over the rest of the entrants until Canton picked up its winning points with first places in the 150-yard medley relay and the 200-yard free style event.

## Ross Scores

Canton tallied 31 points in winning the championship while the Rossmer gathered 24 points, and Cincinnati Hughes amassed 20 points to take third. Other teams finished as follows:

Cleveland Shaw, 14; Lakewood, 12; Akron West, 10; Columbus Aquinas, 9; Cleveland Heights, 7; Akron St. Vincent, 6; Sandusky, 6; Columbus University school, 4; Cincinnati Withrow, 3; Akron Central 1.

Earlier this season, the Ross swimmers had defeated McKinley in a dual meet in Fremont with comparative ease. As is usually the case in state competition, however, it was individual effort that counted rather than a well balanced team.

## Lead By One

Before the relays started, Ross was ahead of the McKinley team by one point, 9 to 8.

Only young Bob Serwinski, Fremont's ace diver, was able to annex a first place for the defending champs, remainder of the Ross points coming through ability to take second and thirds in several of the events.

Serwinski won the state diving title, however, by as fine a display of the art as the state meet has ever witnessed. Serwinski was graded at 74.54 points, while Fisher, of Columbus University, was placing second with 73.34 points.

Ross failed to place in the opening event, the 50-yard free style, but picked up their first points in the 100-yard breast stroke when Suttikus splashed over the finish line for a fourth. This event was featured by a record-breaking time turned in by Rosenberg, of Cleveland Shaw, who shattered the former state record held by Bill Sherlow, of the 1936 Fremont champions. Rosenberg finished in 1:08.5, Sherlow's time a year ago being 1:08.6.

## Schultz Scores

Young Bob Schultz took a third place for Ross in the 220-yard free style, finishing ahead of Vinnidge, of Toledo Scott, considered one of the outstanding free style artists in northwest Ohio.

In the 100-yard back stroke event, Billy Cooper, of Ross, crossed the line for a third place. The Fremonters failed to score in the 100-yard free style, and the 150-yard medley relay boys were able to get only a fourth position. In the 200-yard free style relay, the Rossmer finished a strong third.

Sandusky, which claims the rather dubious honor of being the only team to upset Fremont Ross in a dual meet in the past three years, finished in tenth place in the state championships. Hobart, the free style star, finishing second in the 50-yard free style, and fifth in the 100-yard free style. Drouillard was the only other Sanduskyan to get in

the points, scoring a fifth in the 50-yard free style.

## SHATTERS TWO SWIM RECORDS

Breaking two Ohio conference swimming records, one of which he had set himself, George Eagon, of Fremont, gathered new laurels for himself at Gambier Saturday, where the Kenyon college team of which he is a member was nosed out of championship honors by a single point by Case School of Applied Science.

Eagon, first in the 220-yard free style event, set a new record of 2:32.2, breaking the former mark of 2:36.2, which he had made.

In the 440-yard free style, Eagon captured first with 5:44.9, breaking the former record, set in 1936 by Morrill, of Oberlin. The old record was 5:58.4.

The final scores of the meet were: Case 40, Kenyon, 39, Wooster 21, Oberlin 14 and Wittenberg 2.

In winning the championship, Case succeeded Oberlin, the 1936 title-holder which finished fourth.
