

2003 Norm Bray Invitational...

Old Fort is Bray champ

Fremont Ross boys finish 5th

News-Messenger reports

Old Fort, Toledo Central Catholic, Bowling Green and Maumee won team titles Saturday in the Norm Bray Invitational Cross Country Meet at Walsh Park.

In another invitational meet, Margaretta's boys finished seventh in the New London Invitational.

Nearly 600 runners and 32 teams took part in the meet with Old Fort's boys winning the Division II-III event, Central Catholic the boys Division I; Maumee the girls Division II-III and Bowling Green the girls Division I title.

Fremont Ross finished fifth in the Division I boys race and the Little Giants girls were ninth in Division I.

"I figured we would be up among the top three," Old Fort coach Tony Miller said. "But the race went about as I expected.

"The kids love this race course with all the hills."

There were two open races to go with the team events on a day that kept getting warmer as the day wore on.

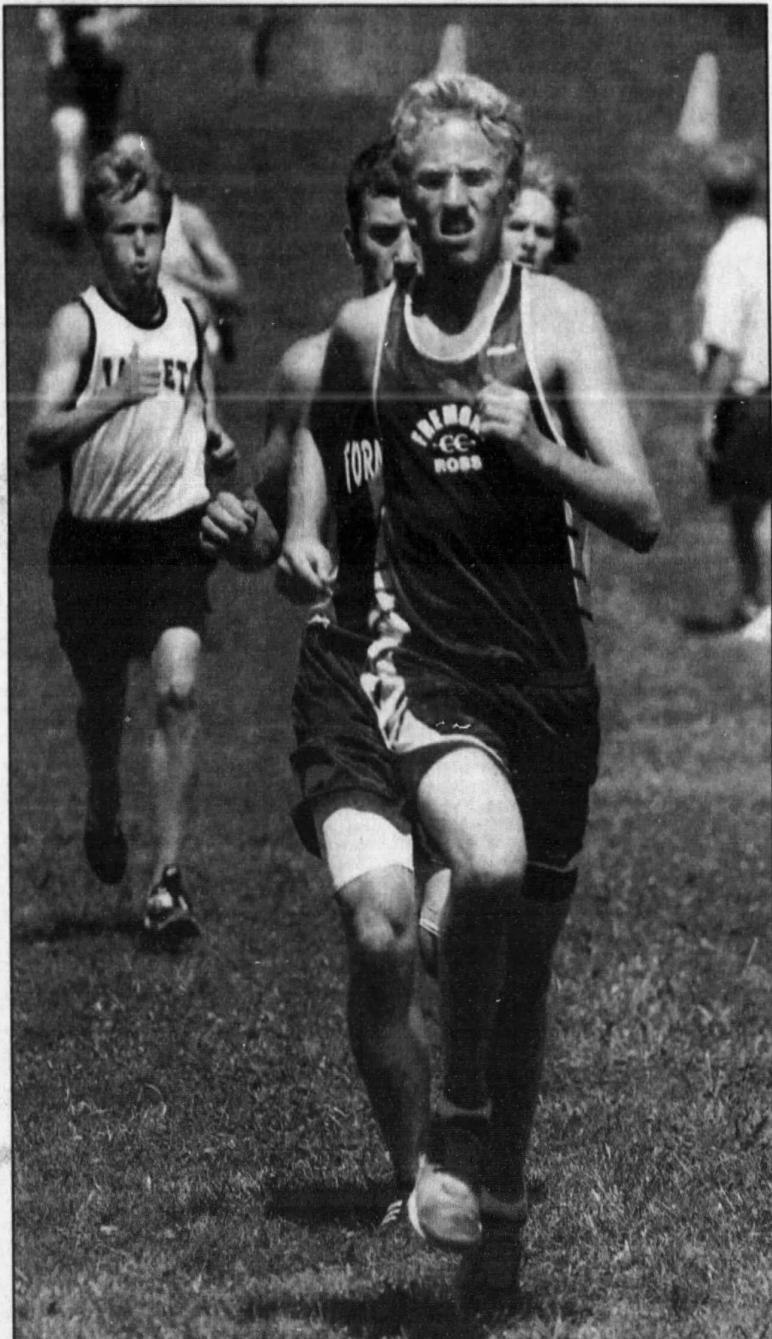

"The heat did not bother the kids," Miller said. "We have been training in the heat."

Ross coach Cathy Esposito agreed with Miller that the heat did not bother her team.

"It was a beautiful day to run," Esposito said. "What was exciting for me was that we had two boys in the 17s (minutes) and we did not have that happen until October last season.

"I think the boys ran strongly against Toledo Central Catholic and Toledo St. John's — those teams are always strong."

Old Fort, with Dustin Miller finishing third, had 57 points. Huron was second with 76 and Lakota took third at 81. Other area schools' finishes included Clyde sixth with 144, Woodmore seventh at 146, Fremont St. Joseph Central Catholic
