WORTHINGTON — Two Ross High School girls relays and two individuals qualified for the finals in the Class AAA regional track and field meet at Worthington High School during preliminaries Thursday.

The finals will begin at 12:30 p.m. Saturday, with the top four in each event qualifying for the state meet June 6-7 at Ohio Stadium on the campus of The Ohio State University in Columbus.

In finals Thursday, Dave Kovaleski of Ross was a miss away from qualifying for the state meet high jump. He had to settle for fifth in the event when he tied with three other jumpers at 6-6.

After one jumper cleared 6-8, the quartet with Kovaleski in it failed at that height but Kovaleski had the only miss at 6-6, relegating him to fifth. The top four finishers qualified for the state meet.

Shannon Carter ran a 14.9 in the 100 hurdles and Pam Pitts clicked off 12.6 in winning her 100-meter heat to qualify for the regional finals.

The Ross girls 400 and 800 relay teams set school records in qualifying in those events. The 400 team of Jessica Jefferson, Jennifer Rollins, Missy Provard and Pitts ran a 50.8, lowering the quartet's school record of 51.1 set in last Saturday's district meet.

The 800 squad of Carter, Rollins, Provard and Pitts turned in a 1:44.8, knocking nearly 1½ seconds off the school record of 1:46.2 set in the district meet.

Rollins did not qualify for the finals in the long jump and the girls 1600 relay also did not make the finals.

In the boys events, Ross's 400 relay ran a 43.9 while finishing ninth, missing the finals by one-tenth of a second. The 1600 team finished 10th in 3:27.8, missing the finals by two-tenths of a second.

The Ross boys 3200 team of Brian Doty, Scott Nossaman, Dave McDonald and Pat Hetrick will run in the second heat of that event Saturday. Doty and Hetrick will also run in the open 800 that day.
