Four Little Giants Set to Compete at Indoor State Championships

This Friday, March 5th, Fremont Ross High School will be represented by four outstanding student-athletes at the Indoor Track & Field Championships. The meet begins at 9:00 a.m. at the Spire Institute, and the Little Giants are ready to compete and bring home the best in Ohio.

Braxtyn Jordan will take the track in both the 60-meter and 100-meter dashes. She enters the state meet ranked 4th in the 60m with an impressive season-best time of 7.89 and ranked 10th in the 100m with a top time of 25.89. Braxtyn's speed and consistency have made her one of the top sprinters in the state, and she is poised for a strong performance on Friday.

Julia Norris will compete in the 800-meter run, carrying a season-best time of 2:22 into the championship meet. Julia has been a consistent performer in the middle-distance events all season and continues to show tremendous growth and competitiveness.

Lexi Nelson will represent the Little Giants in the field events, competing in both the long jump and triple jump. She has a season-best of 16'11" in the long jump and 33'10" in the triple jump. Lexi's athleticism and dedication have propelled her to the top of the state, and she will look to make her mark in both events.

On the boys side, Mason Englund will compete in the 60-meter dash and the high jump. Mason enters the state meet ranked #1 in the 60-meter dash and #2 in the high jump.

Four Little Giants Compete at OATCCC Indoor State Championships

Four Fremont Ross athletes represented the Little Giants with pride on Friday at the OATCCC Indoor Track and Field State Championships at SPIRE Academy. Competing against the best athletes in Ohio, Fremont Ross was extremely well represented with several outstanding performances on the stage.

Leading the way for the Little Giants was state champion Mason England. England captured the state title in the 60-meter hurdles with a time of 7.9 seconds, showcasing his speed and technical precision. He also finished there. England also earned a third-place finish in the high jump, clearing 6'6". His exceptional performances helped power the Fremont Ross boys team to a 9th-place finish overall at the meet.

The Fremont Ross girls were also strongly represented with several outstanding performances. Braxtyn Jordan turned in a tremendous day on the track, finishing 4th in the 60-meter dash and 5th in the 200-meter dash, both personal records in both events with times of 7.87 in the 60 and 20.2 in the 200, competing among the fastest sprinters in the state.

Freshman distance runner Julia Norris made history as the first freshman runner to compete at the indoor state meet. Norris had a strong performance in the open 800 meters, finishing 11th with a time of 2:23. As just a freshman, her performance signals a very bright future ahead.

Lexi Nelson also represented the Little Giants in the field events. She finished 15th in the long jump with a leap of 15'7". She followed that performance with a 12th-place finish in the triple jump at 33'7.5". Impressively, this was her first season competing in the triple jump, making her performance

Senior Fremont Ross track and field athlete Braxtyn Jordan had the opportunity of a lifetime as she competed at the prestigious New Balance Nationals Indoor in Boston, Massachusetts. On the national stage against some of the best athletes in the country, Braxtyn rose to the challenge with an outstanding performance.

When you line up against the best competition, it often brings out the best in you—and that happened for Braxtyn. The Fremont Ross senior tied her personal best in the 60-meter dash with a time of 7.87 seconds, matching the fastest time she has ever run in the event. It was a triumph and a fitting moment for one of the program's standout seniors.

Beyond the race itself, the experience of competing at a national meet is something Braxtyn will cherish. Traveling to Boston and racing on one of the biggest indoor stages in track and field gave her the chance to test herself against elite competition while representing Fremont Ross with pride.

While at the meet, Braxtyn and her family also had the opportunity to watch Quincy Wilson win the 400-meter title. Wilson is widely known as the youngest Olympian in history, qualifying for the Tokyo Olympics just 16 years old, and is currently competing during his senior year of high school. Seeing a fellow athlete of his caliber compete in person made the trip even more memorable.

The indoor season has been a strong one for Braxtyn, and her performance at New Balance Nationals was a highlight in what has been an outstanding career.

Now the focus shifts to the outdoor season, where Braxtyn and her teammates will look to build on the momentum from last season and continue to burn up the track this spring.

The Fremont Ross athletic department is extremely proud of Braxtyn and the way she represented the school on the national stage. Way to Be Giant!

Rookie coach: Christian Booze. Welcome

Fremont Ross Track & Field Opens Season Strong at Liberty-Benton Relays

After the Sandusky Tri-Meet was washed out due to weather, the Fremont Ross boys and girls teams officially opened their season at the Liberty-Benton Relays—and made an immediate statement.

In the first meet under new head coach Christian Booze, both the boys and girls teams had stellar performances, each finishing second overall in a competitive seven-team field. "The top meet of the year," Booze said. "Normally we shake the rust off in a dual or tri meet, but we have other plans."

The Lady Giants were dominant in multiple relay events, capturing wins in the 4x100 (Lexi Jones, Lexi Nelson, Braxtyn Jordan) and 4x200 (Ashtyn Marsee, Malise Lee-Garrett, Lexi Jordan). They also showcased their strength in distance events, winning the 4x1600 (Kennedy Walker, Julia Norris, Lily Kiser) and the Distance Medley (Ariana Hinojosa-Walker, Julia Norris, Lily Kiser).

On the boys side, Fremont Ross sprint relays led the way with victories in both the 4x100 and 4x200 by Ty Brown, Mason Englund, Gabe Wensinger, and Stephen Reiter. The freshman group of Kadyn Jones, Jeriah Martin, and Jace Johnson added another first-place finish in the 4x400. Mason Englund, Noah Crawford, and Zion Johnson claimed the 3-man high jump.

"I was very impressed by the freshmen—they showed up well in their first varsity competition and are knocking on the door of some school records already, which is very exciting."

Individually, several Little Giants stood out. Lexi Nelson earned top overall honors in the 100m. Ty Brown was top overall in discus, and Kilee Kidd finished as the top overall high jumper. Although no records were officially set due to hand-timed results, "they will come in due time."

The Little Giants will be right back in action tomorrow as they make up the Sandusky Tri-Meet, looking to build on a strong opening performance and continue their early-season momentum.

Little Giants Dominate Tri-Meet in Gritty Conditions

Battling cold temperatures and tough early-season conditions, the Fremont Ross boys and girls delivered an impressive sweep defeating Sandusky and Tiffin Columbian in dominant fashion.

"The team competed very well, especially for the cold temperatures," said head coach Christian Booze. "The squad showed both toughness and depth across the board."

The Lady Giants controlled the meet from the start, defeating Columbian and Sandusky with a 62-38. Fremont Ross saw strong performances across every event group. Lexi Nelson led the team in the 100m, while Braxtyn Jordan captured the 200m and Julia Norris took the 400m. In the 800m, Lily Kiser (800m), Ariana Hinojosa-Williams (1600m), and Malaya Hughes (3200m) each claimed a victory.

"We tried out some athletes in different events and experimented with a few lineups," Booze said. "The girls came out and dominated and put down some good marks."

The girls also shined in the relays, winning the 4x100 (Aly Rozzell, Daisha Bulger, Bria Estep, Temi Sobayo) and 4x200 (Daisha Bulger, Bria Estep, Temi Sobayo, Jocelyn Marsee). Sophia Metcalf added a win in the 100m hurdles, while Kilee Kidd (high jump) and Tierra Parker (shot put) led the field events.

On the boys side, the Little Giants were just as dominant, defeating Sandusky and Columbian 62-38. Brown and Mason Englund paced the sprint events with wins in the 100m and 200m, while Bryce Shiets captured the 400m. Daniel Sanchez earned a victory in the 800m, and Will Spotts had a stand-out performance sweeping both the 1600m and 3200m.

"It was great to finally get the whole team competing," Booze said. "We were able to see what our athletes can do, and they definitely impressed the coaching staff."

Relay teams continued the momentum with wins in the 4x400 (Bryce Shiets, Daniel Sanchez, Mason Englund, Romello Lopez-Scott) and 4x800 (Blake Henry, Colin Rich, Landon Ward, Dane Denman). In the 100m, Zion Johnson (high jump), Evan Luc (pole vault), and Kevin Jones Jr. (long jump) each added a victory to their finishes.

Despite the challenging weather, the Little Giants proved their strength, depth, and resilience. As the season momentum building, Fremont Ross continues to show it has the potential to be a force to be reckoned with.

Lady Giants Shine And Claim Title, Boys Runner-Up At Bobcat Invitational

The Fremont Ross boys and girls track teams made a strong statement Friday night as they traveled to Bowling Green to compete in the Duff Madaras Bobcat Invitational, squaring off against a competitive field including Findlay, Liberty-Benton, Oak Harbor, Bowling Green, Defiance, Wauseon, and Genoa.

The Lady Giants delivered an outstanding performance, capturing the overall team championship. The boys team battled to an impressive runner-up finish, just behind Liberty-Benton.

It was a record-setting night for Fremont Ross, highlighted by several standout performances. Braxtyn Jordan continued her dominant season by setting a meet record in the girls 200m (25.68) and also played a key role in the record-breaking 4x200m relay alongside Ashtyn Marsee, Kamaya Jones, and Lexie Nelson (1:11.12). On the boys side, the sprint relay team of Ty Brown, Mason Englund, Jace Miller, and Stephen Reiter electrified the track with a meet record in the 4x100m (43.22).

The Lady Giants piled up victories across multiple events. Braxtyn Jordan also took first in the 100m. Kiser dominated distance races, winning both the 1600m and 3200m. The 4x100m relay team of Kamaya Jones, Lexie Nelson, and Jordan sprinted to another first-place finish. In the field events, the girls soared to victory in the high jump, and Ryla Smith captured first in the discus.

The boys team also had several first-place finishes. Stephen Reiter claimed the 100m title, Gabe Kiser powered to a win in the 400m, and Mason Englund took first in the high jump, contributing valuable points to the team's runner-up finish.

Head Coach Booze was pleased with the overall effort, noting that the team had "a great performance with a lot of medalists and point scorers." He emphasized that many athletes are performing at or near their bests, which is exactly what the coaching staff hopes to see early in the season. He also added that the meet provided valuable competition, as many of the teams in attendance will be familiar opponents at Liberty and District meets later this year.

With record-breaking performances, multiple event wins, and strong team finishes on both sides, it was a tremendous night for Fremont Ross Track and Field. The Little Giants continue to build momentum as the season progresses.

Great work, Little Giants!

The Fremont Ross boys and girls track teams were back in action last night, traveling to Findlay for a competitive quad meet against Findlay, Perrysburg, and McComb. Unfortunately, the meet was cut short by inclement weather shortly after the girls 800m race, preventing a full slate of events from being completed.

Despite the shortened evening, the Little Giants made the most of their time on the track and in the field, turning in a number of strong performances and first-place finishes.

Leading the way on the boys side, Stephen Reiter captured the 100m title, while Mason Englund won both the 300m hurdles and the high jump. In the field events, Tallon Brown took first in the shot put, and Andrew Tooman cleared his way to victory in the pole vault. The boys 4x800m relay team of Daniel Bentley Lopez, Bryce Shiets, and Blake Henry also earned a first-place finish.

On the girls side, Ariana Hinojosa-Williams claimed the 1600m title, and Aniya McNeal raced to victory in the 100m hurdles. The distance squad continued to shine as the 4x800m relay team of Sophia Metcalfe, Miley Sheidler, and Ava Hernandez took first place. In the field events, Tierra Parker won the shot put, and Ryla Smith added another victory in the discus.

Head Coach Booze was pleased with the team's effort, stating, "A lot of great results today, we finished strong in the warm weather and that definitely helped."

While the early weather was a welcome change, storms rolled in before the meet could be completed. "We could have got the whole meet in, but the thunderstorm had other ideas," Booze added.

The coaching staff was also excited about opportunities that were cut short due to the weather. "We were saving Ty Brown for the 200m and LJ Gabel for the 3200m, and they were primed for a good day," Coach Booze said. "We were also trying some athletes in shorter races that I think would have put on a great performance, but we'll just have to wait until next time."

The Little Giants will look to carry this momentum forward as they prepare for their next competition on Saturday at the 94th Annual Mansfield Mehock Meet in Mansfield.

Great work, Little Giants!

History Made in Mansfield: Little Giants Sweep Mehock Relays Titles

The Fremont Ross boys and girls track teams made history this past weekend at the 94th Annual Mehock Relays in Mansfield, turning in a performance that will be remembered for years to come.

Competing against a talented field of 19 teams from across Ohio, both the boys and girls teams accomplished something that had never been done before in school history—sweeping the team titles. The boys defeated Lexington in a tight battle, 118.8 to 111, while the girls held off Ashland with a score of 106 to 100.

First-year Head Coach Christian Booze knew this meet would be a challenge. "It was a great day to have this meet on the schedule to challenge us and compete in a meet I didn't think we could win," he said. "The kids certainly rose to the challenge and we won the meet for the first time in school history."

The historic team victories were matched by equally impressive individual performances, including breaking school records on both the boys and girls sides—a goal many athletes had set coming into the season.

Senior Kilee Kidd delivered a standout moment in the high jump, clearing 5'6" to break the school record previously held by Olivia Derodes (5'5.5" in 2017). Kidd not only won the event but etched her name into Fremont Ross history.

On the boys side, Mason Englund put together a performance for the ages in the 110m hurdles. After breaking the school record in the prelims with a time of 13.95, Englund wasn't done. He returned in the final and shattered the record again with a blazing 13.80, dominating the field. That mark currently stands as the fastest time in the state of Ohio. The previous record was held by Justin Hines (2010), who now trains Englund offseason—making the moment even more special.

Coach Booze was thrilled to see those goals come to fruition. "I'm very happy for Kilee Kidd and Mason Englund. They both had goals of breaking a school record when they started the season, and I'm proud they did it at a big meet."

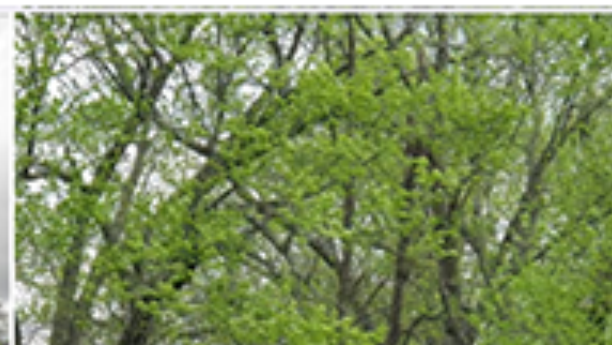

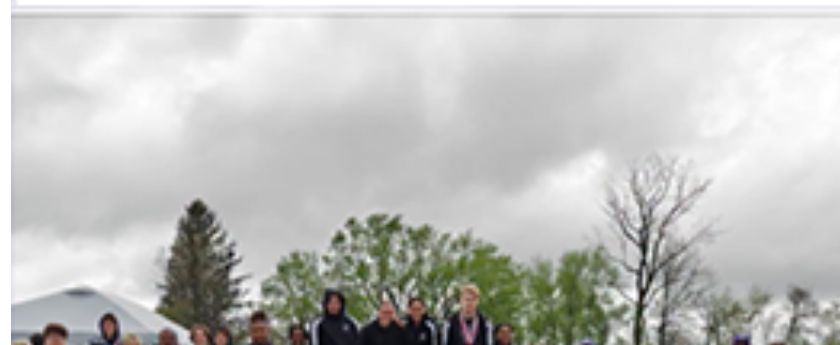

The Little Giants saw success across the board with multiple event wins. On the boys side, Stephen Wensinger won the 100m, Kevin Jones Jr. won the 200m, and the 4x200 relay team of Ty Brown, Mason Englund, Wensinger, and Reiter claimed first. Tallon Brown dominated in the discus, while Englund added another win in the high jump.

For the girls, Julia Norris captured the 800m title, and the 4x200 relay team of Malise Lee Garret, Marsee, Lexi Nelson, and Braxtyn Jordan raced to victory.

"It was a great performance and everyone did their part to help the team," Booze added, emphasizing the team effort that led to both championships.

With momentum building late in the season, Booze sees this meet as more than just a milestone. "This was a great stepping stone meet for us and shows us as a coaching staff what things we need to hone in the last three weeks of the regular season."

A historic day, record-breaking performances, and two team titles—the Little Giants have officially

Little Giants Stay Red Hot: Ross Sweeps Oregon Clay in Spirited Dual Meet

Fresh off their historic performance at the Mehock Relays, the Fremont Ross boys and girls track teams kept the momentum rolling with a dominant sweep of Oregon Clay in a dual meet. The boys won 97-40 victory, while the girls followed with an equally impressive 94-42 win, showcasing depth, unmatched energy across the board.

Beyond the results, the atmosphere was electric. In a moment that captured the spirit of the program, the team lined the backstretch of the track, cheering on their teammates as they raced by. The energy was palpable when the group broke out into "The Wave," bringing a level of excitement and unity that defined the event.

History continued to be made as junior Lexi Nelson etched her name into the record books with a long jump of 17'11.5". Nelson continues to shine as one of the most dynamic athletes in the program. As a sprinter and jumper, she also contributes as a cheerleader during the winter and serves as an athletic assistant in the fall. If you look up "Little Giant Spirit," you might just find Lexi's picture next to it. Congratulations on your accomplishment—great job, Lexi!

The Little Giants saw outstanding performances across nearly every event. Event winners include:

100m: Gabe Wensinger, Kamaya Jones
200m: Ty Brown
400m: Stephen Reiter, Julia Norris
800m: Bentley Lopez, Lily Kiser
1600m: Will Spotts, Ariana Hinojosa-Williams
3200m: LJ Gabel, Malaya Hughes
300m Hurdles: Sophia Metcalf

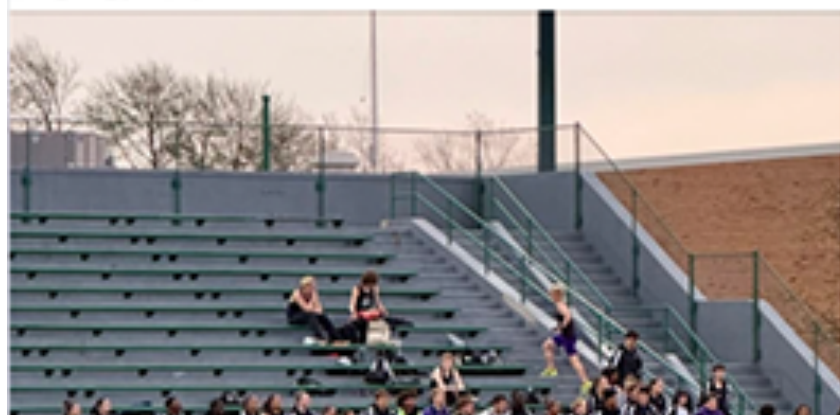

Relay teams also dominated:

Girls 4x100: Jessalyn Schadwil, Jocelyn Fiero, Madison Turpin, Madison Wagner
Boys 4x100: Zacarius Burel, Zion Johnson, Willie Malone, Kady Jones
Girls 4x200: Aly Rozzell, Bria Estep, Daisha Bulger, Jazmyn LeGrant
Boys 4x200: Fred Hackney, Romello Lopez-Scott, Willie Malone, Cordell Bowling
Girls 4x800: Sophia Metcalf, Ella Lozano, Ava Hernandez, Miley Sheidler
Boys 4x800: Blake Henry, Landon Ward, LJ Gabel, Dane Denman

Field event winners included Tierra Parker (shot put), Tallon Brown (discus), Kilee Kidd (high jump), and Kevin Jones Jr. (long jump).

Head Coach Christian Booze was pleased with the team's overall effort and especially proud of the athletes stepping up. "It was a great meet for everyone. The underclassmen had a great showing today," he said. "There was a nasty headwind on the final straightaway and all our kids battled through it. A lot of them got their first varsity points of the year today, and it's great to see their hard work paying off."

With confidence building and performances peaking, the Little Giants now turn their focus to the upcoming season as they head to the Tiffin Columbian Invitational this Saturday.

Ross Track & Field Sweeps Bill Krause Memorial Invitational Titles

The Fremont Ross boys and girls track teams continue to make a powerful statement this season, with another dominant performance at the Bill Krause Memorial Invitational hosted by Tiffin Columbian. Against 11 total teams, both Ross squads rose above the field to bring home championship trophies in impressive fashion.

The Lady Giants led the way with a commanding 144.5 points, finishing well ahead of second-place Maumee who tallied 100.5. Not to be outdone, the Ross boys secured their own title with 151 points, holding off Perrysburg's 135-point effort.

"The team just continues to impress," said Head Coach Cristian Booze, emphasizing the consistency of his athletes have shown week after week.

Ross athletes turned in standout performances across the board, capturing victories in multiple events on the boys side, Ty Brown sprinted to a win in the 100m, while Gabe Wensinger dominated the 400m. Maumee had a huge day, winning the 110m hurdles and high jump, and contributing to two victorious relay teams.

Those relay teams included the 4x100 group of Kevin Jones, Mason Englund, Jace Miller, and Stephen Reiter—as well as the 4x200 team of Kevin Jones, Mason Englund, Gabe Wensinger, and Stephen Reiter—both showcasing speed and precision. In the field events, Tallon Brown added another first-place finish in the shot put.

"Each week they continue to bring it and push themselves to do better," Booze added, highlighting the steady growth and competitive mindset.

The Lady Giants matched that intensity with an outstanding performance of their own. Braxtyn Jones won the 100m title, while Lily Kiser went the distance with a win in the 3200m. The girls relay teams were also dominant, with the 4x200 team of Ashtyn Marsee, Malise Lee-Garrett, Lexi Nelson, and Braxtyn Jones finishing first, and the 4x400 team of Jocelyn Marsee, Ashtyn Marsee, Julia Norris, and Kamaya Jones closing the meet with another victory.

In the field events, Tierra Parker powered her way to a win in the shot put, and Lexi Nelson soared in the long jump.

"We had athletes step into roles at the last second today and they went in full throttle without hesitation," Booze said, pointing to the depth and readiness across the roster.

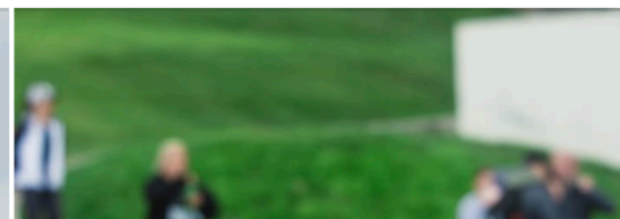

That next-athlete-up mentality has become a defining characteristic of this year's teams.

"We have a great team-first mentality, and that attitude will pay dividends down the road for us and our student-athletes later in life," Booze continued.

With momentum continuing to build, the Ross track and field teams now turn their attention to their final meet of the season, as they host Toledo Whitmer in a dual matchup tomorrow.

Fans are encouraged to come out and support what is shaping up to be a special season for an exciting group of student-athletes.

There are also a lot of great pictures from the meet—we had to share them thanks to the amazing work of our very own Fremont Ross Athletics photographer, [XDalton Visuals](#), who continues to capture these moments at a high level.

Ross Track Teams Battle Through Tough Conditions at 76th Marion Night Invitational

The Fremont Ross boys and girls track teams showed toughness, depth, and determination competing in the 76th Marion Night Invitational against a strong field of 16 teams.

Despite challenging weather conditions that included rain and hail throughout the night, the teams continued to prove they are among the area's top programs. The Ross boys finished 3rd while the girls earned a strong 4th-place finish.

"The team showed a lot of heart on Friday," said Head Coach Cristian Booze. "Some athletes got wet out and we had to rest some athletes from certain events, and their teammates had to fill in for spots."

That next-athlete-up mentality was on full display throughout the evening as several athletes achieved first-place performances.

Mason Englund continued his standout season by winning the 110-meter hurdles, one of the events he has been one of Ross' most consistent performers this spring.

The boys sprint relay teams also dominated, with the quartet of Ty Brown, Mason Englund, Gabe Wensinger capturing first place in both the 4x100 relay and 4x200 relay.

Kevin Jones Jr. soared to a first-place finish in the long jump, adding another big performance for the team.

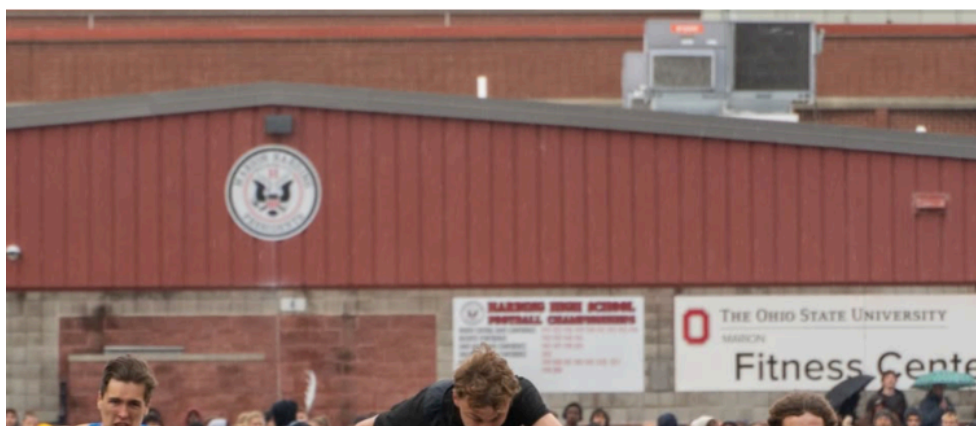

On the girls side, Tierra Parker continued her strong season by taking first place in the 100m dash and the Little Giants another event victory.

"The effort we showed in every event was great," Booze said. "The weather affected our times and marks may not have been typical, but we left it all out there."

Even as conditions worsened throughout the night, Ross athletes continued to compete.

"Even with the hail and rain, we still had athletes right at their season-best times, and some of our bests," Booze added. "That just shows the guts these kids have."

With postseason competition approaching, the Little Giants continue to prove they have the resilience to compete with anyone—no matter the circumstances.

Fremont Ross Boys and Girls Track Teams Sweep Cooper Tire Invitational Titles

The Fremont Ross boys and girls track and field teams continued their impressive seasons on Saturday, as both squads captured team championships at the 10-team Findlay Cooper Tire Invitational in Findlay.

The Little Giants boys team delivered another dominant performance, scoring 131 points to claim the team title. Toledo Scott finished as the runner-up with 95 points.

The girls team had to battle until the very final event to secure their championship, narrowly edging Anthony Wayne High School by the slimmest of margins. Fremont Ross finished with 137 points, while Anthony Wayne scored 135.5 points in a dramatic finish.

The Little Giants had standout performances across the board, earning multiple first-place finishes on both the boys and girls sides.

For the boys, Gabe Wensinger claimed first place in the 400-meter dash, while Mason Englund won the 110-meter hurdles. In the field events, Tallon Brown captured the discus title and Kevin Jones Jr. took first in the long jump. Braxtyn Jordan added another victory by winning the 100-meter dash.

The girls team also delivered several first-place finishes throughout the day. Julia Norris won the 800-meter run, Tierra Parker took first in the shot put, Kilee Kidd won the high jump, Lexi Nelson claimed the long jump title, and Aniya McNeal finished first in the 100-meter hurdles.

While those victories helped build momentum throughout the meet, the girls team championship ultimately came down to the final race of the day.

Trailing Anthony Wayne by just half a point heading into the 4x400 relay, Fremont Ross needed to finish ahead of Anthony Wayne to secure the overall team title. The relay team of Julia Norris, Jocelyn Marsee, Ella Lozano, and Malise Lee-Garrett rose to the occasion, finishing in second place while placing ahead of Anthony Wayne to clinch the invitational championship for the Little Giants.

The meet showcased the depth of both Fremont Ross programs, as athletes throughout the lineup stepped up in key moments.

"It was a great day all around," said Coach Christian Booze. "We put in some athletes today that have been working for an opportunity to compete at an invitational, and they did not disappoint. It was a great team effort and a good way to finish the regular season."

With another pair of team trophies added to the collection, the Little Giants now turn their focus to postseason competition as the Northern Lakes League Championships begin tomorrow, with finals scheduled for Friday. **See less**
