

2014 DIVISION I DISTRICT TOURNAMENT

Division I

Trey Grine took the championship at 145 pounds as Fremont Ross's wrestling team was 10th at the Division I district tournament at Cleveland State University.

"The highlight match was probably the St. Ed kid because I hadn't beat one in folk style," Grine said. "The toughest match was my semifinals match. He was a tough kid. He was way taller and longer than me so I had to get into him to hit anything. I'm happy I won, but all that matters is next week."

Grine earned a 17-1 tech fall over Nordon's Mike Decesare for the title.

"My goal is to win state," Grine said. "That's been my dream since I was a little kid. This year I can do it. My finals match I just opened up and took shots and took him down. Then, I just tilted him. I went out there to win, not to not lose."

Brecksville won the district.
