

1941 Season review...

Lester Binkley Is Selected As New Ross High Football Coach; Succeeds M'Clintock

Lester (Legs) Binkley, assistant football and basketball coach at Ross high school since 1938, was elevated to head football coach by the Fremont board of education Friday night. He succeeds Fred McClintock, who resigned several months ago, and will receive \$1,800 a year, an increase of \$330 over his salary last year.

Promotion of Binkley was advocated by Supt. U. E. Diener, who pointed to his record as assistant coach and added that it was the desire of the personnel committee to hire Fremont teachers wherever possible and that the new coach had been an applicant for the job.

Ross High Grad

A graduate of Ross high school in 1929, where he was an outstanding football player, Binkley starred as an end on the Western State Teachers college (Mich.) varsity and had coached the line at River Rouge, Mich., high school for two years when employed here.

Last year he coached the ends and centers as one of McClintock's assistants and his reserve basketball team won 22 straight victories.

While suggesting that Binkley be appointed head football coach, Supt. Diener failed to outline the entire coaching set-up for the coming year other than to say that the new grid mentor would continue as assistant basketball coach and that all male teachers who had majored in physical education would be expected to cooperate in athletics.

Must Share Duties

Binkley was the only candidate suggested by the superintendent, who stated that in looking over the field he was the only desirable coach who could be added to the staff under existing teaching arrangements without a reorganization of the faculty.

In regard to athletics here, Supt. Diener told board members that the school must stay within its class without "going wild" over

LESTER BINKLEY

. . . New Ross High Coach

football and that under the present set-up each coach must share another sport other than his own and that there must be no specialization.

Members of the board approved Supt. Diener's selection with little comment. One member did ask how the "downtown coaches" would take the appointment and was assured that it would meet with approval as Binkley was popular.

Last year under McClintock, Sylvester Kohr also assisted with the football varsity, taking charge of the guards and tackles while Eddie Gabel coached the reserve team.

Binkley, who is married and the father of one son, is a son of Fire Capt. and Mrs. Myron Binkley and lives on Garrison street.

ROSS, ST. JOE BOTH TIP LID ON SEPT. 19

Initial Scrimmages Booked For This Week; Squads Will Swell

The preliminaries are over and from now until late November it's hard work for the football hopefuls at both Ross and St. Joseph's high schools. Classes resumed today and with them—or within a few days—will come the bruising drills which eventually mould together a gridiron team.

Both Coach Legs Binkley and Coach Gene Gfell have been working with "streamlined" squads since August 20, teaching the early candidates the fundamentals, sending them through blocking and tackling drills and teaching them simple plays. But from now on the easy workouts are over and practice will take on a deadly seriousness.

Squads at both schools are expected to be materially increased the coming week as boys who have spent the summer working give up jobs for the classroom. Just what the additions to the squads will be remains to be seen, but the St. Joe camp is expected to benefit the most.

Few Veterans

Mentors at both schools have been working with approximately 30 boys and each has a smattering of veterans back. Coach Binkley has stated that he will keep his varsity crew down to less than 30 players, but Coach Gfell, still without an assistant, will undoubtedly be forced to work with more.

It will take about a week for both coaches to get things lined up and a regular routine established.

Ross high reserves will be given their uniforms tonight while Tuesday Binkley and his staff will scan the ranks of the ninth and tenth graders and on Wednesday the seventh and eighth graders. He wants at least 50 boys out for the junior high team, to be coached by Gordon Hart, and the way to get them is to go after them.

Binkley plans to cut his varsity squad to 28 as soon as the reserves start drilling and some of the sophomores now working out with the first string will be shifted to the second string squad.

Beginning today the Little Giants will start on plays and working on the dummies and on Thursday will get their first "flesh" practice. The team is going to Whitmore for a scrimmage, where Coach George Lerch is rumored to have a rather hefty squad this season.

From Monday on the Ross varsity will drill from 3 to 5 p. m. while the reserve and junior high teams will have similar hours, only a bit shorter.

Play Sept. 19

Coach Gfell, with more obstacles to overcome than his city contemporary, isn't quite so sure of his plans. The Crimson Streak squad has been working out on the Lutz school grounds and, while it is a bit out of the way, Gfell likes the terrain. It's still a question whether he will continue there for a time or transfer at once to Anderson field, where the Streaks will drill for the balance of the season and perhaps play some of their home games.

Both coaches have 11 days in which to prepare their teams for the season lid-lifter. On September 19, the Little Giants play host to Bellevue in an opener that may be anything but a breather, while the Streaks take to the road to play Genoa, always a tough club.

ALL DOLLED UP . . .

All dolled up—and plenty of places to go in the not so distant future.

That's Bob Hall, captain of the 1941 edition of the Ross high Little Giants, shown in the accompanying picture modeling one of the complete new outfits that Coach Legs Binkley's varsity will sport on the gridiron this fall.

From the tips of their helmets down to the cleats on their shoes, the Little Giants will be clad in the newest, and latest of uniforms. The helmets are the Michigan-type, tan trimmed in black leather. The jerseys are Navy blue with white sleeve stripes and 10-inch block numerals to make them easily discernible from the stands. Another set of jerseys are just the reverse, white with blue stripes and numerals.

The pants this season will be natural beige with a blue insert and white stripes in back instead of the traditional Navy blue used here before.

Fine Leader

Short socks with blue tops will be worn while the shoes are of the backfield type, lacing higher on the ankles than most shoes. They will be used in games, only.

Coach Binkley has 29 of the outfits shown above and they will be placed on display, along with a number of pictures of the team, in a Front street store window Wednesday.

But getting back to Capt. Hall, who is expected to be an even better player than he is a model.

The husky senior—he stands a bit over six foot and weighs in at 175 pounds—has already had a year's varsity experience and will be one of the wing-backs. He is a good blocker and passer and has shown every indication of being a fine leader. His mates have confidence in him, which is half the

Capt. Bob Hall . . . models new Ross high grid uniform.

test of a captain at the very outset. He may be just what the Ross mentor has been looking for to plug the gap left by Jack Carroll, and along with Jim (Whiz) Wisbon, may be the pick-me-up that Little Giant gridiron fortunes have been in need of of late.

LITTLE GIANTS LOOK "FAIR"

Coach Binkley Not Satisfied With Blocking In Whitmer Scrimmage

The Little Giants got their first taste of a real scrimmage Thursday night, Coach Legs Binkley taking his embryo varsity to Whitmer for a practice session with Coach George Lerch's eleven.

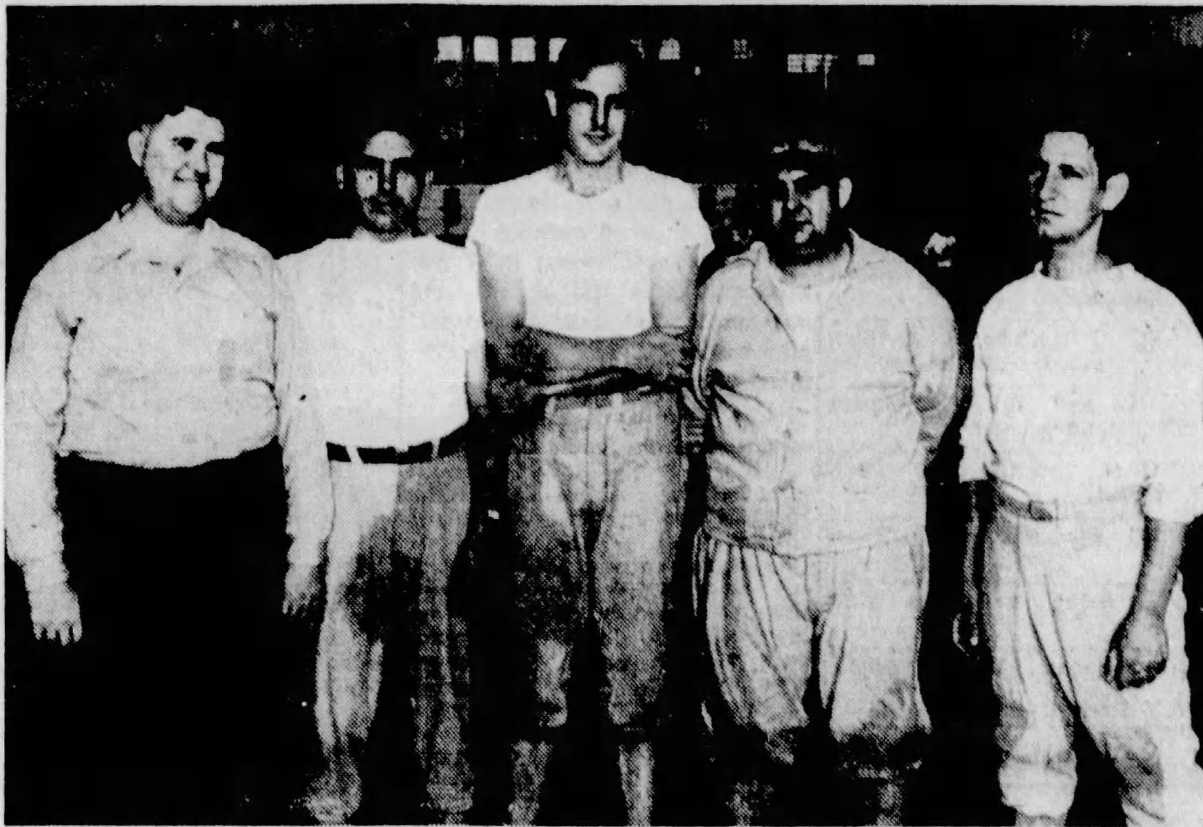

As a result of the session, the Rossmen are in for plenty of hard work between now and September 19, when they crack the season with Bellevue. Coach Binkley was more than a little dissatisfied with the blocking of his charges and indicated long sessions in this fundamental of any attack was in store.

The line, bound to be a bit green, showed several weaknesses which must be bolstered while the play of the flankmen wasn't all that could be desired. As for the blocking, the players were in position but didn't put enough zip into their blocks to suit the new mentor.

Play of the backfield was good, without a single fumble the entire session. Capt. Bob Hall looked especially good in filling his assignments and, counting on further improvement, the team should have a nice offensive this season.

Blocking drills are on tap for the next several days with several tough scrimmages in store early next week.

GUIDE DESTINIES OF LITTLE GIANTS

Pictured above is the five-man coaching staff in whose hands rest the fortunes of the Little Giant grid teams, for coming years as well as the present season.

In the center is Lester (Legs) Binkley, new head coach appointed to succeed Fred McClintock, who will be responsible for the Ross varsity. A former Ross high star himself, Binkley also shone for Western State Teachers college and served four years as assistant at River Rouge, Mich., and two years here before being named coach.

To the left of Binkley is Gordon Hart who is in charge of all junior high athletics this year and who expects to have about 50 seventh and eighth graders out for the football team. On the other side of the coach is Sylvester Kohr, who is assisting with coaching varsity linemen.

On the extreme right is Eddie Gabel, head basketball coach, who is again in charge of the Reserves, while at the extreme left is John Titsworth, who is trainer and also in charge of all equipment.

COACHES NAME GRID STARTERS

Ross, St. Joseph's Mentors Send Untest- ed Teams Into Fray

Two untested and largely inexperienced Fremont football elevens swing into action today, St. Joseph's tackling Genoa on the latter's field in an afternoon skirmish and Ross high's Little Giants engaging Bellevue under the Harmon field arcs here tonight.

Both coaches were emphatic in their pre-game statements that they didn't know what to expect and were making no predictions. Both Gene Gfell and Jags Binkley also admitted that they were tackling stiff opponents in their opening games.

For the game here Friday night the new Ross mentor is starting a team speckled with lettermen, but still largely inexperienced.

At the ends will be Dick Myers and Dave Brocksieker; at the tackles George Biggs and Darwin Reichert; at guards, Delbert Kane and Norm Wiser; at center, Howard Tiefke; at quarter, playing the blocking back, will be Frank Wernig; at the wing-back, Capt. Bob Hall; at the tail-back, either Pete Michaels or Jim Wisbon, depending on which team takes the initial offensive, and Ed Fox at fullback.

ROSSMEN SHOW DRIVE LICKING BELLEVUE 34-7

Hall And Wisbon Loom As Fine Backs With Spirited Blocking Club

One victory, especially in the season's opener, doesn't make a football season a success, but almost 3,000 Fremont fans are convinced today that the grid picture here is splashed with brighter colors this year than for some little time past.

They were convinced last night and a hustling bunch of Little Giants bruisers did the convincing with an unexpected 34 to 7 victory over a Bellevue Central team that has always proved troublesome in the past.

The Redmen weren't troublesome in the lid-lifter this year. They never made a scoring threat—that despite the seven points they toted home—and only once were within the little Giant's 20 yard stripe. That was early in the game and set up the first Fremont score.

Capt. Bob Hall and Jim (Whizzer) Wisbon he exploded a pair of shifty, hard-running backs that need only a bit of blocking to make an evening miserable for any club the Little Giants will be called upon to meet this year.

Blocking Good And they got that bit of blocking against the Redmen. In fact, it was more than just a bit of blocking as the department which looked ragged against Oak Harbor Tuesday night, showed a whole of an improvement.

Hall and Wisbon, with the assistance of Pete Michaels' educated toe, accounted for all of the Fremont points but they weren't the only ones who played stellar ball.

A green line, with a pair of inexperienced flankers in Dick Myers and Dave Brocklecker, played a bang-up game with the latter, getting his first taste of football, especially standing out with several nice tackles to his credit.

The line played such a good game that Bellevue ended up with just 51 yards, net, gained from scrimmage. They made another 31 yards on passes, completing two of 11, and registering exactly four first downs all evening.

Others who stood out on the line were Norm Weiser and Howie Tietze with their mates holding up their end in good fashion.

After a bit of desultory feeling out in the opening stages of the game the Little Giants got to rolling after eight minutes had ticked off. Bellevue had taken the ball on the 50 and worked down to the 27 before a 15-yard penalty set them back to the Fremont 42. They couldn't gain and the Little Giants took over.

Get Going Hall started the ball rolling by starting inside his own left tackle, breaking through and cutting wide, stepping 28 yards for the first score. He was given good blocking until he was in the clear and shook off Geiger, only Redman to touch him, near the goal line. Michaels was rubbed in to try for the point from placement and he missed, the only one in five tries that he muffed.

Two minutes later, with Fremont in possession of the ball on the Bellevue 32, Wisbon raced wide around his own right end for the second score with Michaels converting.

Bellevue stiffened in the second period and it wasn't until after nine minutes of play that Hall intercepted a Bellevue pass on the Fremont 35 and galloped 60 yards for the tally. Frank Wernig made the score possible throwing a nice block into a Redman intent on cutting Hall down from the rear. Again Michaels sent the ball booming between the uprights and the score was 20 to 0.

A 15-yard penalty that took the Little Giants back to their own 44 early in the third stanza set up the next score. Hall swept left end for 14 yards to the Bellevue 24 and on the next play Wisbon, with Hall and Dave Brocklecker clearing the way, stepped the 24 yards to the goal line. Michaels booted his third extra point.

Score On Fumble Another scoring thrust in the same period was nipped by Geiger, who intercepted a Hall pass on his

COACHES CHANGE BUT NOT ST. JOHN

COLUMBUS, O., Sept. 25.—UP—Ohio State University Athletic Director L. W. McJohn and Coach Paul Brown don't see eye to eye about the chances of the Buckeye football team this fall.

"If we don't lose more than four games this season, I'll consider the season a success," St. John said last night at a dinner sponsored by the University club in honor of the team.

But then Coach Brown replied: "I'm not used to that kind of talk and I don't like to hear it. We're going out there to get all we can. Maybe we're not quite as bad as everyone thinks. I have a feeling down deep that we're not."

GIBSONBURG IN OPENING WIN

BELLEVUE, Sept. 26.—Getting away to an early start, the Gibsonburg Golden Bears scored a 33 to 20 victory over Castalia in the opening game for both schools, played under the lights here last night.

Coach John Kotzer was making his debut with the Bears and put a team with a powerful offensive on the field, with Jackson and Laney, a substitute back, sparking the drive.

Gibsonburg opened the scoring in the middle of the first period when Zeller passed to Price and the latter lateraled to Jackson who ran 20 yards for the touchdown. A pass, Jackson to Citty, converted. Castalia scored in the second on a long pass, Reno to Vhas, but failed to convert, and the Bears came back with a pair of touchdowns to take a safe lead.

own 10 and an exchange of punts gave Fremont the ball on the Bellevue 42 with Wisbon lagging; it took the 34 as the period ended.

Ed Fox and Hall made it first down on the 24 and then Wisbon, on a fake double reverse, went wide around his own right end for the score. Harold Fry blocking out the only man who could have nailed him, Michaels went in, kicked the point and it was 34 to 0.

In desperation Bellevue took to the air but couldn't connect and it took a play that seldom occurs to give the visitors their only score. They made it on one of their own fumbles with three minutes remaining in the ball game. Geiger fumbled when hit hard on the Fremont 48. The ball dribbled along and hopped up into the arms of Jim Callaghan, who had a clear path to the goal line. Sanders plunged for the extra point.

The Fremont team was still a bit green around the edges, but now has the feel of the game and what it can do. Tougher tests lie ahead but, without being too optimistic, the future has a slightly rosy hue.

Little Giants Want Dry Field In First Buckeye Loop Game

Tonight brings a couple of tests for a couple of teams, namely Ross high and St. Joseph's football elevens. Both engage major foes for so early in the season and the outcome of the games should go a long way toward establishing their ultimate rating.

The Little Giants, victorious over Bellevue by a 34 to 7 score, a slight bit more than even the most optimistic had hoped for, go out of town to tackle a tough Tiffin Junior Home club. The Streaks make their home debut at Harmon field against an equally tough Norwalk St. Paul's outfit.

Added to everything else is the fact that the Rossmen will be engaging in their first Buckeye league battle and the chips will be definitely down. In the compact little loop even one defeat is enough to blast championship hopes, so quite a bit hinges on the battle.

Juniors Tough

For a green team, making its first start, the Little Giants looked mighty good against Bellevue. But the Juniors are a different club and a different proposition. They also made an auspicious start by battling tough Toledo Waite to a scoreless tie.

Whether or not it's true, the Tiffin combine is generally conceded to be the team to beat in the Buckeye, while the Fremonters have been cast as the dark horse entry. For that reason you can just about write your own ticket on the Redwood stadium battle.

The consensus of opinion is that the Juniors, minus All-League Chuck Perkins, can't run with the Little Giants and haven't anyone to compare with either Jim Wisbon or Capt. Bob Hall. On the other hand they demonstrated against the Toledo school that they have a defense that can't be lightly passed over.

Hopes It's Dry

For the above reason, the weather can have a lot to do with the outcome of the game. The Little Giants need a dry, fast field to play their best game and a wet and soggy grid would be a little less than a calamity. Not only would it cut down their speed and gum up their attack, but it would play right into the hands of the heavier and slower Juniors.

A few hours in advance it shapes up as a great battle between a team of a proven offense and a team of a proven defense. The mar-

gin between victory and defeat—or perhaps a tie—lies in the ability of the Little Giants to shake loose either one of their two galloping backs and the ability of the Juniors to effectively bottle them up.

Coach Legs Binkley trotted out a team that played good ball last Friday night. A team, that for all their general inexperience, seemed to know their job and how to do it. If they have remembered their assignments and fill them as well tonight, it should be a great game.

Streaks Ready

St. Joseph's high, after a disappointing start, is making its home debut against a club that also met defeat in the opener although even Coach Gene Gfell admits that Vermillion's 7 to 6 conquest was largely the breaks of the game.

St. Paul's boasts of several individual stars, including Dick Merner, who runs, passes and kicks, and Ray Blinzley, the youngster who scintillated on the court last winter. The line has also looked good to Coach Bob Smith, former Norwalk star, who is in his first year as a mentor.

Coach Gfell is also a Norwalker, so it goes without saying that he has been quietly pointing for this game. The opening clash with Genoa showed him what departments of the Streaks' game needed strengthening and he's been driving hard this week to remedy the defects.

From what one has been able to learn, it will be a different St. Joe team that takes the field under the lights here Friday night and the visiting Saints may be in for a very tough evening.

Both the coaches, Binkley and Gfell, indicated that they intended to start the same lineups that took the field last Friday.

VICIOUS LINE PLAY FEATURES HOME VICTORY

Little Giants Score First But Second Half Drive Turns Tide

By DICK REHS
Sports Editor

Fremont's Little Giants had tasted the bitter pill of defeat today, a 13 to 6 setback at the hands of Tiffin Junior Order in their first Buckeye League encounter, but they looked better than in their easy conquest of Bellevue.

The Rosenmen lost what may prove to be their toughest ball game, save one, over Tiffin last night to a superior team. A team that should pull down the league laurels this season. The only team that looks as tougher today is Mansfield.

The Juniors won by a one touchdown margin and it was a deserved victory. They were the better team in the second half when the pace begins to tell, largely because of a more experienced line and a pair of stellar players—fullback Frank Agee and end Walt Lowe.

It was a bruising battle between two heavy lines and the Junior forward wall proved the better, standing up under one withering charge after another and enabling their backfield mates to come from behind and score a pair of touchdowns that carried victory with them.

Fremont scored first, a pair of passes doing the work late in the first period and Coach Legs Binkley's charges played even-up also in the second period. After that, the Juniors held the edge and squatted the score in the third and went on to win in the fourth.

The game started out to be one of those things won and lost on breaks and the Juniors' first touchdown both coming that way, but the deciding tally was scored the hard way, on the ground and through drive.

Myers
Fremont's score and the Juniors' first touchdown both coming that way, but the deciding tally was scored the hard way, on the ground and through drive.

Score On Passes
Both eleven started cautiously and neither got anywhere until late in the period when Tom Comer fumbled a punt and Kane recovered for Fremont on the Tiffin.

STATISTICS

28	Yards Returned	35
14	Average Return	61

34. A five yard penalty and Hall's loss of eight yards when tumbled by Lowe, seemed to whet the appetite of the Little Giants and gave them that nothing was to be gained by hitting the enemy line.

The first scoring play was set up when Capt. Red Hall tossed a pass to Jim Wilson, the latter taking the ball on the 10 and racing to the 11 before being downed. A couple of line plays failed to gain materially and Hall again dropped back and passed, this time over the goal line to Dick Myers for the score. Pete Michaels was rushed into the game to kick the point, but his boot was low and hit the crossbar.

That was all the scoring in the first half but only because the Little Giants showed their mettle twice in the second period. The first time when Lowe recovered Wilson's fumble on the Fremont 10 and the line held and again when Myers recovered a fumble on the seven.

Break Help
Another break paved the way for the winner's first score. At the start of the second half Tiffin recovered a fumble on the Fremont 44 and drove deep into pay dirt before losing the ball. Then Wilson got off a poor punt that traveled but 15 yards to his own 33. A five yard penalty advanced the ball to the Fremont 24 and Ginter fumbled a pass only to have the ball bounce around with Tiffin recovering on the Fremont 11.

That set up the tying touchdown with Agee making the necessary distance on three plays. His drop kick for point was another.

The Juniors started rolling in the final quarter, the bruising line of the Gants. The winning drive started when Agee made a first down in the Fremont 35. On three plays he made it another first down on the 21 and then Jack Stephens sifted through for seven to the 14. Agee made it a first down on the 10 and then, after Fremont had held for virtually no gain for three plays, Agee passed to Lowe, who in turn lateral to Stephens for the winning points. Davis converted on 10, line plunge from a clever fake placement formation.

Some idea of the bruising line play can be had from the statistics. In the first half the Little Giants made 14 yards through the line and lost 14 yards to end up with exactly nothing. The Juniors picked up 37 yards. In the third period Fremont lost 17 yards and the Juniors gained all of seven.

It was a faster charging line that won the game for Tiffin. That and the power thrusts of Frank Agee, but standing out on the Fremont forward wall were Dick Myers, who played a bang up game at end, and Howard Tiefke, who

FINDLAY, JUNIOR HOME IN LEAD

Tiffin Junior Order and Findlay were out in front in the Buckeye League title chase today, both taking the opening games as the circuit got underway Friday night.

Findlay, defending champion, scored a last minute 6 to 24 victory over a Bowling Green eleven tabbed as one to watch while the Juniors loomed as the team of the crop after a 13 to 6 conquest of Fremont in a bruising battle.

Next Friday will see all teams in action. Fremont meeting Findlay, Bowling Green playing Tiffin Columbian and Fostoria meeting Junior Order.

Findlay	1	0	1000
Jr. Order	1	0	1000
Fremont	0	1	600
Bowling Green	0	1	000
Fostoria	0	0	000
Columbian	0	0	000

TIGERS-CHISOX TIE FOR THIRD

Feller Ends Season With One-Hit Effort; Yanks Set Record

Bob Feller probably has hung up his glove for 1941, but his final performance of the season will go into the record as one of his best.

Feller allowed only one hit—a home run by Rick Ferrell—as the Cleveland Indians won the second game of a double-header from the St. Louis Browns, 3 to 2, yesterday after the Browns had taken the opener, 6 to 5. Ken Keltner, Cleveland third baseman, fielded Ferrell's tap and threw away to first but the scorer ruled the Browns' catcher would have beaten the throw anyway.

The hit and error plus two walks led to the St. Louis score. Feller personally set up the winning run in the seventh when he hit a double.

Tie for Third
The Yankees defeated the Senators twice, 4 to 1 and 1 to 0, and set a new American league double play record by completing four twin-killings, bringing their season mark to 100. The victories were the Yanks' 10th and 101st, enabling Manager Joe McCarthy to tie Connie Mack for the honor of having piloted 100-game winners five seasons.

The Detroit Tigers moved into a third-place tie with Chicago by edging the White Sox, 4 to 3.

In the only National league game scheduled, Cincinnati won from Pittsburgh, 4 to 3, when Johnny Vander Meer pitched his 16th victory.

COLUMBIANS WIN OVER BELLEVUE, 21-0

BELLEVUE, Sept. 27.—Flashing a smooth-running attack that bewildered the Bellevue Redmen in the first half, Tiffin Columbian chalked up a 21 to 0 victory here last night, making all their points in the first two periods.

Bob Hostler started the victory march early in the game, sprinting 60 yards to tally on the fifth play after the opening kick-off. Fullback Houk plunged for another touchdown before the period ended and then added another in the second period.

Bellevue stiffened in the second half and although outplayed, held the Columbians scoreless.

MISSOURI FAVORED OVER OHIO STATE

COLUMBUS, O., Sept. 27.—UP.—The erstwhile "miracle man of Mansfield" assumed a new and more important role today as Coach Paul Brown introduced his first Ohio State football team to intercollegiate competition.

A keenly-interested crowd of 30,000 poured into Ohio Stadium in crisp September temperatures to watch the Buckeyes make their debut under Brown against Missouri.

Both eleven were of the "unknown" classification as to strength but the better made Missouri a slight favorite, around 7 to 5.

BASKETBALL SUNDAY

The Gries & Bloom Corn Hybrid baseball team will play the Peister-Hybrids in a regulation baseball game at Anderson field at 2 p. m. Sunday. Admission will be free and this will be one of the final games of the season.

WHITMER WINS

Whitmer high school handed Genoa a 13 to 0 football defeat last night at Whitmer. Bob Daur tallied the first touchdown in the opening quarter and Walt Nichols plunged for the point. In the final period Ora Sherris took a touchdown pass from Nichols.

came out of the game with a swell shiner.

The battle was witnessed by an estimated 3,200 fans, several hundred of whom were from Fremont, and they'll travel many miles and see many games before they watch a better one between two high school eleven.

BRUISED ROSS ELEVEN HOPES FOR DRY GRID

Defending Champs Are Heavy And Soggy Field Would Aid Their Game

Coach Legs Binkley and his Ross high cohorts are keeping an eye cocked skyward today as they await the invasion of the Findlay Trojans for a Buckeye League battle at Harmon field tonight.

Rain and a soggy gridiron wouldn't be exactly a calamity, but it would be along the same lines, as the invaders are touted as being a heavy crew depending largely on a power attack that moves them forward like a tank.

On the other hand the Little Giants want a dry, fast field. With an offensive built around Capt. Bob Hall and Whizzer Wisbon's end thrusts and an aerial attack directed by either of the two or Frank Wernig, rain plays no part—except a negative one—in the Purple's battle plans.

It will be the second league test for both elevens and the Trojans, defending champs, already have one scalp stored inside their wooden horse, that of Bowling Green.

Trojans Undefeated

Findlay is thus far undefeated, claiming a 19 to 14 victory over Dayton Roosevelt as well as the 6 to 2 win over Bowling Green, while the Little Giants have broken even in two starts, bowing to Tiffin Junior Home last Friday in a bruising battle after thumping Bellevue, 34 to 7.

The invaders have but two of the players who started against the Little Giants last year, when they were the victims of a surprise 14 to 7 upset, still on the roster. They are Dick Bibler, a guard and Fullback Pearl Adams who is capably filling the shoes of the departed Gene Fekete. Four other players who saw action in the game, Halfbacks Slough, Lunn, and Bristol and Center McElligott, are also back.

Coach Binkley's crew came out of the Home melee in fair physical shape. There were no major injuries but half the team is nursing bruised shoulders.

Must Watch Adams

Despite the unbeaten status of Findlay, the Little Giants have been installed as slight favorites in tonight's mix-up but the only way in which it resembles a tea party is in the offensive formations. The Trojans have proved themselves to be a dogged, determined team that never quits. Both of their victories came in the fourth period after they had trailed most of the way.

The visitors' main threats will come from Fullback Adams and his line plunges and end sweeps, and from the passing combination of Slough and Caughman which has set up most of the Trojans' scores to date.

One thing the Little Giants must do is play a hard game for the entire 48 minutes. Any let-up in the late periods could easily prove fatal against such a club as the Trojans. Another is to shake Hall and Wisbon loose beyond the line of scrimmage, something they couldn't do last week.

Coach Binkley intimated that he would start the same team that took the field against the Juniors with the possible exception of right end. If Fremont opens on the defensive, Elmer Nickel will likely start in place of Dave Brocksieker.

Other than this shift the players will line-up the same with Dick Myers at the other end; George Biggs and Darwin Reichert at the tackles; Del Kane and Norm Weiser at the guards; Howard Tiefke at center; Frank Wernig, Bob Hall, Jim Wisbon and Ed Fox in the backfield. If Fremont kicks off, Pete Michaels will start in place of Wisbon.

ROSSMEN EDGE FINDLAY, 14-13 IN LAST HEAT

Pete Michaels' Toe Wins After Club Comes From Behind Twice

Bearing back in the final period to beat the visitors at their own game, Ross high's Little Giants edged out a slim 14 to 13 victory over the Findlay Trojans in a Buckeye League battle at Harmon field Friday night.

A surprisingly large crowd, considering the pre-game weather, of about 2,000 saw the thrilling finish to a game that appeared to be both lost and won on two occasions.

It was the trusty right foot of Pete Michaels that put the Little Giants out in front at the finish as they twice came from behind, after his backfield mates of Capt. Bob Hall, Jim Wilson and Ed Fox finally got their bearings after a shaky start.

A 40-yard march on a mixture of running plays and aerial thrusts brought the Fremonsters their first league victory and handed the Trojans, defending champions, their first setback of the season.

Starting on their own 40, where Wilson caught, fumbled and recovered a Findlay punt, the Little Giants coughed the 65 yards—there was a five-yard offense penalty slipped in—on exactly six plays.

The first was a pass from Bob Hall to Dick Myers that was good for 20 yards and a first down on the Findlay 40 and after Wilson

Fremon	Findlay
10 First Downs	5
3 1st Down Passes	5
10 Yds. Gained Scrimmage	171
13 Passes Attempted	10
5 Passes Completed	2
64 Yds. Gained Passes	0
0 Fumbles	3
1 Fumble Recovered	2
10 Aver. Kicked Return yds.	21
35 Points Averaged yds.	30
40 Possessed yds.	40

had picked up three yards and then completed a pass to Hall for no gain, the Purple was set back five yards.

On the next play Ed Fox started inside end, saw that he was stopped and tossed a lateral to Wilson that was good for a first down on the 35. Hall broke through the line and was almost away, being pulled down on the five, and on the next play the Wilson who is the Wide started wide around his own right end, cut in and scored standing up.

With the score knotted, Michaels led the rest. Fremon started the game in high gear and undoubtedly would have scored in the initial period except for penalties. They punched to the Findlay 40 and then Fox passed 15 yards to Myers only to have the ball called back and the team penalized for offside. On the next play Wilson shot a pass to Frank Wernig who made 24 yards back to the Findlay 21 and again the play was called back. This time the Little Giants were penalized 15 yards for holding and that ended their threat.

The second period opened with Wilson punting to Gene Slough on the Findlay 38 and the slippery back gathered in the ball and raced through the entire Fremon team for 71 yards and the first score of the game. Caughman place-kicked for the extra point and things looked dark.

Things looked even blacker the balance of the first half as the Little Giants simply could not get rolling. The line wasn't blocking and Pearl Adams' yardage fall-back and as good a player as this loop has this year, was continually playing in the Fremon backfield. On the offense he seemed impossible to stop.

The first bright spot popped up late in the third period. A Findlay punt was downed on the mid-stripe and for the first time since the game opened the Rossmen started to show drive.

Hall passed to Dave Brock-ski for 15 yards and Fox picked up 15 more on two tries through the line and it was first down on the Findlay 11. Wilson skirted end for five and then Fox plowed his way through the Trojan left guard, got in the clear and shook himself loose for a 32-yard touchdown gallop. Michaels place-kicked the point and it was all even.

But the Trojans weren't through. Only two minutes had remained when Fremon scored but that was enough. On the first play after kick-off Slough tossed a pass to Lunn who took it on the Fremon 45 and he sailed, unmenaced the remaining yards for a touchdown.

Caught Flat-footed The pass was right down the center and caught the Little Giants flat-footed. There wasn't a player between Lunn and the goal when he caught the pass. This time Caughman's kick for point was wide and as later proved, victory rode with it.

Although there were brilliant plays and thrilling moments, the game was loosely played by both teams. The superior blocking shown by the Little Giants against Junior Order was entirely lacking although their ability to take it and come back to play the Trojans off their feet overshadowed the defect.

In the first period Fremon made but two first downs, both on passes, but they came back to wind up with 10 to the Trojans five and with a net gain from scrimmage of 168 yards and 64 more through the air.

With the line play a bit off form and Adams seemingly able to gain at will until he was himself down in the final period, the standout

JUNIOR HOME IS PACING BUCKEY

Running true to the advance hope, Findlay Junior Order was out in front of the Buckeye league today boasting of two straight victories in loop encounters.

After bumping Fremon, 13 to 7 last week, the hard-bitten Juniors romped over Fostoria Friday night, 26 to 6, to protect their circuit slate.

Fremon and Findlay were tied for the runner-up spot, each with one victory and one defeat. The Trojans had previously defeated Bowling Green before being edged out by the Little Giants, 14 to 13, in a hectic tilt last night.

Bowling Green and Tiffin Columbian played to a scoreless tie as the Columbians sprung somewhat of a surprise and, together with Fostoria, were tied for what is left in the standings.

Team	W.	L.	T.	Pts.

Fremon	1	1	0	500
Findlay	1	1	0	500
Bowling Green	0	1	1	1,000
Columbian	0	0	1	1,000
Fostoria	0	1	0	500

GIBSONBURG IN 11-MAN DEFEAT

Playing their first game of 11-man football this season, the Gibsonburg Golden Bears dropped a 13 to 6 decision to Newark St. Paul's before a good-sized crowd, considering Friday afternoon weather conditions.

The Bears took an early lead when Fullback Jack Jackson plunged over from the three-yard line to climax a 30-yard drive early in the initial period. The Bears were in possession of the ball for virtually the entire chapter and play was even in the second can-

to. The Saints greater experience with the regulation game showed in the third period and Rupp after a drive down the field, plunged over from the two to tie the score. Dick Merner converted on an end sweep to put the Saints on top. The final score was by Merner in the last period, a 40-yard gallop around end.

The Bears play another 11-man game next week, meeting the powerful Genoa squad.

Bowling

W. Peters, anchor-man for the Air Cells in the National Carbon league, wound up the Friday night legging here in the drivers seat, rolling a 580 series to pace all league leggers. Other pace-makers were Mrs. Bowden, Rotary Anna's league, 495; C. Mathias, Gibsonburg Businessmen's league, 455, and J. Dobanos, Elks league, 561.

FOE EXPECTED TO MAKE USE OF AIR LANES

Binkley Worried As Team Looks Ahead To Sandusky Tilt

Ross high's Little Giants will tackle their third Buckeye League foe in as many weeks Friday night when they travel to Fostoria in quest of revenge for a 35 to 12 defeat administered by Coach Ike Trubey's Redmen last year.

Victorious over Findlay's Trojans last week to gain a 50-50 standing in loop contests thus far, the Rossmen are anxious to build up their percentage and climb to a point where they may be able to claim at least a share of the title should Tiffin's Junior Home grid-ders falter.

On paper, the Little Giants should win handily Friday night, but Coach Legs Binkley admitted he was a bit worried over the encounter. To start with, his club is unconsciously pointing for the Sandusky clash next week and, apparently, aren't taking the thrice beaten Redmen as seriously as he would like.

Drills On Passes

Physically, the club is in better shape than at any time since the Junior Order tussle. Sore shoulders suffered in that tilt have virtually disappeared and the Fremont mentor was able to send his charges through two stiff scrimmages this week.

Mindful of the fact that Fostoria is air-minded and has a dangerous pass combination in Alf Bulkowski and General Lee, Binkley has been stressing aerial defense the past few days and the outcome of the game will depend largely on how good the anti-aircraft protection is.

Last week the Little Giant backs were caught flat-footed by Findlay's Slough, who passed down the center and a touchdown resulted. Slough caught them napping on the first score as well, gathering in a punt and rolling 71 yards down the field.

It is these things—together with the concentration on Sandusky—that has Binkley worried. Fostoria passes much oftener than Findlay, throwing 23 aeriels against Lima South alone, while Bulkowski is a better open-field runner than Slough.

Redmen Seasoned

All in all, the Little Giants appear the better team. They are heavier and have a better record. Fostoria has dropped games to Junior Order, 26 to 0 and Lima South, 7 to 6, winning only their opener from St. Wendelin's, 20 to 0.

However, it is an experienced team of five seniors and six juniors that Fostoria will put on the field and it won't scare. Just the appearance of the Little Giants isn't going to win the game. They'll have to score a couple of touchdowns.

Against Findlay the Little Giants didn't look too good, but Coach Binkley stated that the blocking has been better in this week's drills and he expects them to play a better game.

There will be several changes in the Fremont line-up with Pete Michaels getting a starting assignment at blocking back in place of Frank Wernig and Elmer Nickel possibly replacing Dick Myers at an end at the start. If Norm Weiser's ankle isn't greatly improved, Pop-eye Kelly will be in at left guard.

HALL SCORES THREE TIMES IN EASY GAME

Redmen Dominate Tilt With Steady Football And Long Drives

Unleashing four furious and sustained touchdown drives, the shortest good for 37 yards, after a shaky start, Redmen's Little Giants overpowered Fostoria, 27 to 0, in a Buckeye League game on the latter's field last night.

It was the Purple's second loop victory in three starts and one of the worst trouncings that a Fremont team has handed Fostoria in recent years. The 27 points chalked up also made it the worst beating a n y Buckeye club has

absorbed as yet this season, topping by one the 26 to 0 pasting that Junior Order handed Fostoria last week.

Sparked by Capt. Bob Hall, Ed Fox and Jim Wilson, aided and abetted by a hard-hitting

line, the Little Giants got all their scores on prolonged drives. The first was for 64 yards, the second 59, the third 47 and the last one for 37 yards.

While all this was going on the Fostorians threatened just once and that was in the early stages of the game when a Fremont fumble was recovered on the winner's 41 and the Redmen drove to a first

down on the 12 before the line stiffened and Elmer Nickel stopped the drive by intercepting a pass on his own 10.

The Little Giants started poorly, as they did against Findlay, but this time their fitters lasted for but a quarter instead of a half, and they came roaring back in the second period to score a pair of touchdowns. One each came in the third and fourth periods and the lineup was largely second-stringers at the end.

Hall Gets Started
Just when it appeared that Fostoria was going to make a game of it and had perhaps been under-rated, the Little Giants started rolling.

A punt was downed on the Fremont 41 and on the first play they were set back five yards for offside. Capt. Hall provided the spark with a nice yard gain and then Ed Fox, playing his best game to date, plowed through the middle of the line and had lumbered 36 yards to the Fostoria 19 before the safety man pulled him down.

With the goal in sight they couldn't be stopped, not even by another five yard penalty.

Taking the Ed Fox ball four straight times, Hall finally stepped through a big hole at tackle for the initial score. Pete Michael's kick was wide and the score was 6 to 0.

Wilson started the next drive goalward. Fostoria was unable to gain past his own 40 and Ally pointed to Wilson who took the ball on his own 23 and raced it back to the 41. Wilson then circled right end for 18 yards to the Fostoria 40 and on the next play tried the other end and found it good for 29 yards to the 11. He would have away for a touchdown had not he and Del Kane came together.

But again it was just a question of time. Wilson picked up three and Hall two more and then Wilson went wide around his own right end and with Fox blocking nicely, scored standing up. This time there was no doubt about Michael's kick.

Wilson Sparkles
The next touchdown came midway the third period after Wilson had taken a punt on the 27 and reeled off a 28 yard return to the enemy 47. He made it a first down on the 35 and then Fox picked up eight yards, fumbled and Michael recovered for an additional three yards.

Hall and Fox alternated to lug the hammer to the eight and on the next play Hall started around end, saw a hole inside the flank, cut in and was over. Again Michael's had the range from placement.

A punt also set up the final score with Wilson taking the ball on the 43 and getting back 20 yards to the Fostoria 17. Hall swept around end for 13 yards and then Fox, on three plays, made it first down on the 16.

From this time on a tricky fake the ball, this time on a tricky fake the goal line before the Redmen had figured who had the ball. Michael made good for the third consecutive point from placement.

Kelly, Fox Good
The Little Giants almost added a fifth touchdown late in the game. Lantz broke through to flick Russell's punt and the ball rolled outside on the Fostoria 15 in Fremont's possession. A five yard penalty hurt and after a gain of six yards and an incomplete pass, Fostoria took the ball on their own 14.

A punt went to Wilson, who ran it back 13 to the 36 and a pass, Wilson to Myers, was good for 14

FINDLAY TIFFIN PLAY DEADLOCK

Fremont was safely escorted in second place in the Buckeye League today, following their 37 to 0 defeat of Fostoria, in a position to take over at least a share of the title should Tiffin's Junior Order gridders stumble.

The Juniors played outside the loop Friday night, defeating their city rivals, Tiffin Calvert, 19 to 7, and still have a clean slate.

Tiffin-Columbian sprung the major upset, battling a favored Findlay eleven to a 13 to 12 tie in the only other league encounter. Bowling Green was also meeting an independent foe.

THREE SUFFER FIRST LOSSES

Akron, Wilberforce, Kent State Dropped From Unbeaten Ranks

By United Press
Three of Ohio's college football teams tested bitter defeat for the first time this season in Friday's games.

A point after touchdown kicked by Bob Mellett, gave Case a 1 to 6 victory over Kent State at Cleveland. It was Kent State's first defeat. Case still has a clean record with two victories and no losses.

A pass from Mickey Samota to Paul Hudson in the last 23 seconds gave Western Reserve a touchdown and a 12 to 6 triumph over Akron university at Cleveland. It was Akron's first setback.

Wilberforce college of Xenia, suffered its first defeat at the hands of its old rival, Tuskegee Institute of Alabama, at Soldiers' Field, Chicago.

Lutherans Win
Wittenberg college kept its state clean for the season by defeating Lawrence Tech of Michigan, 14 to 0, at Springfield. Wittenberg scored both touchdowns in the second period on a pass from Art Prescott to Bob Coton and a plunge by Dave Woolner.

Two touchdowns in the last three minutes of the second quarter gave Muskingum a 12 to 6 win over Findlay at New Concord. Bud Davis plunged for the first and Hudson passed to Evans 21 yards for the second. Innan scored for Findlay on a 51-yard pass play in the third quarter.

Ohio Northern defeated Albion college, 25 to 6, on the latter's field.

Youngstown scored all its points in the first half as it beat Illinois Wesleyan 24 to 14 at Youngstown.

Defiance college won from Ashland, 28 to 7.

Bowling

C. Baksey of the Fremont Foundry team in the ELA's league finished Friday night's bowling with high score among the city's bowlers, rolling a 264 series.

Other leaders were H. Mirele, National Carbon league, 265; E. Korwin, Gibsonburg league, 262; Miller and R. Kunkert, Rotary Anna league, both with 462 totals.

ROSSMEN SET FOR SANDUSKY

Expect Capacity Crowd For Annual Clash; Two Little Giants Out

A capacity crowd that will not only jam the permanent stadium seats but also fill bleachers erected along the entire east side of the field, was predicted for tonight's tussle between Fremont and Sandusky, by Roy Ballenger, Ross faculty manager.

To seat the anticipated 4,000 fans, additional bleachers have been obtained from Fostoria and Sandusky junior high schools for this game.

A few hours before the tussle, rated as the most important on the Little Giant card despite the Streaks' four defeats, Coach Legs Binkley was optimistic over the outcome. The Ross mentor, sending his first team against the Streaks, said that morale among his charges was high, they showed no fear of the invaders and that he expected them to play a good game.

Coach Binkley also predicted that the game would simmer down to a bruising battle between two lines surprisingly equal both in weight and experience. Both clubs present lineups greatly revamped from last year and both forward walls will scale in the neighborhood of 179 pounds per man. Available figures show the Little Giants about a pound and a half lighter than their opponents. The backfields scale about the same.

Out With Injuries

As luck would have it, the Fremont line will not be at its top strength for the fray. Dave Brock-sieker, injured last Friday, is not expected to play, and Elmer Nickles, his replacement, will also be on the bench. The latter suffered a dislocated shoulder in practice. With these two out, Frank Wernig will be shifted from the backfield to the right flank.

Sandusky will present a tricky offense, relying mainly on reverses off a short punt formation, and spinners. Cooper, a colored half-back, and Marshall have been their chief ground-gainers and the former is plenty fast. Fullback Frietas is also a hard line plunger.

However, Binkley's chief worry is the play of the line as he feels certain that his backs can run with those of Sandusky if line play is equal.

Taking no chances of pre-game mishaps, Coach Binkley is taking the varsity squad to the American Legion Home at 3 p. m., where he will keep them until game time.

Probable Lineups

The probable starting lineups and the approximate weights are as follows:

Fremont	Sandusky
Myers (173)	Green (165)
Biggs (183)	Left End Harple (175)
Kane (200)	Left Tackle Kahler (235)
Teifke (174)	Left Guard J. Babcock (165)
Fry (205)	Center Niehm (165)
or Welser (140)	Right Guard Ebert (170)
Reichert (195)	Right Tackle Alexander (175)
F. Wernig (175)	Right End Girardi (160)
Michaels (165)	Quarterback Ernst (160)
Hall (170)	or Marshall (165)
Wisbon (160)	Left Halfback Cooper (160)
Fox (165)	Right Halfback Frietas (163)
	Fullback

Fullback Ed Fox Scores Both Touchdowns In Bruising Game

Sustained Drive And Intercepted Pass Bring Both Scores In Second Period, Ending Sandusky's 15-Year Victory Spell Over Rossmen

Fourteen hard-bitten scholastic football players and a coach who has brought something that was missing to Ross high football teams accomplished the impossible last night.

The Little Giants played Sandusky and finished on the long end of a 14 to 7 score. Not only finished one touchdown to the good, but met the Streaks on their own doorstep, playing their kind of a game, and handed them more than they could assimilate.

Fremont 14; Sandusky 7! What stories you could tell with those two brief words and three numerals as a starter!

But the most important thing is that Fremont finally has humbled the proud Sanduskians after a 15-year draught and did it before approximately 4,000 wildly cheering fans.

Coach Legs Binkley, fielding his first Ross high varsity, and the 14 players he used last night made Fremont football history. It was back in 1923 that Fremont last finished on the long end of the score in one of the annual struggles. It was 8 to 6 that year and the closest the Little Giants had come to victory since that Thanksgiving Day 15 years ago, was a 0 to 0 draw back in 1930.

Two quick touchdowns thrusts in the second period, both personally conducted by Fullback Ed Fox who is showing improvement in each succeeding game, brought the much sought for victory.

What if the Streaks were on the offensive throughout the entire second half and had perhaps the best of the play after the mid-game intermission? The Little Giants won, didn't they? And they stopped a touchdown drive on the three-yard stripe as well.

With line play between the two eleven afoot even, the game settled down to a duel between the

backfields and Fox, playing a great game both offensively and defensively, was the difference between Hall & Wilson and Cooper, Babcock & Co.

Start to Roll
The game was all Fremont's the first half although the first downs were even at five apiece. The farthest the Streaks pushed into Little Giant territory was the 44-yard line as they did all their playing in mid-field.

It was along toward the end of the first period that the Little Giants started rolling. Marshall punted out of bounds on the Fremont 20 and from that point the Little Giants started an 80-yard march that couldn't be stopped short of the goal line.

It was Ed Fox, hitting the center, plunging off tackle and then tossing a pass to Jim Wilson, good for 28 yards to the Sandusky 37, that started the march. He made a first down on the 24 and then Hall picked up four and the period ended.

Fox Scores Twice
But it was just a breathing spell for the Little Giants. On the second play after play swarmed Hall shot a pass to Dick Myers, who made a pretty catch on the Sandusky three and the score was set up. Fox made only inches as he tried the Sandusky line but on the next play he took the ball and dove, head first, not only over the Sandusky line but also over the goal.

Pete Michaels dropped back for the conversion and again his toe was good for the extra point.

The second score came minutes later. Fremont kicked off to Sandusky and when two plays had gained but five yards, Jack Freitas essayed a pass. It was a good pass—except that Fox intercepted it on the Sandusky 45 and rambled straight down the sidelines for another score. Bob Hall made it possible, taking out the safety man with a nice block. Again Michaels booted the point.

The Streaks made a valiant effort to pull the game out of the fire after that. They punched to the Fremont 31 but Cooper fumbled and Michaels recovered for the Little Giants just before the half ended.

Sandusky Drive
The third period brought the Streaks' only score, a touchdown by Bob Cooper, dusky streak of lightning, that climaxed a 44-yard drive which the Little Giants were powerless to stop. Cooper also crossed up the Rossmen by running for the point and made it good. It took them just seven plays to cover the 44 yards.

After that, the Little Giants were strictly on the defensive but it is a credit to their courage to report that the Streaks were stopped on the 23 and again on the three-yard stripe. Dick Myers stopped the first scoring drive when he recovered Green's fumble and the entire team held to halt the final thrust. On this drive the Streaks started on their own 48 and Babcock and Cooper seemed untoppable. But when they got within the shadow of the goal posts, the Little Giants stopped them.

Little Giants Hold
Sandusky had a first down on the Fremont eight and Babcock picked up three yards and Cooper

Ed Fox

Coach Lester (Legs) Binkley, former Little Giant star whose first Ross high varsity did the "impossible" Friday night by defeating Sandusky. It was the first Fremont victory in 15 years and only the seventh scored by a Fremont team in the 36-year history of the schoolboy feud.

added another. Four yards from the goal, Dick Myers swarmed through and tossed the elusive Cooper for a seven yard loss and that was the half game.

Fremont took the ball on their own three, punted out of danger and, seconds before the game ended, again took possession of the ball when Fox intercepted a pass on his own 35 and lugged it back to the 48.

Sandusky halted Fremont's two touchdown threats, Hall and Wilson, and stopped them cold. But they forgot to figure on Ed Fox, who played a whale of a game. But then, so did the entire Fremont team, crippled as it was with Dave Brocklehor and Elmer Nickle out of service, although the former did get in for short stretches. The game made history and also tossed the copy books for a loss. Who said Fremont couldn't beat Sandusky? Who said history always repeats itself?

PORT CLINTON AND OAK HARBOR TIE

PORT CLINTON, Oct. 18.—A tie score of seven and seven resulted in the Port Clinton and Oak Harbor high school football game at Oak Harbor Friday. Port Clinton scored in the first quarter when Thompson made a touchdown on a 30-yard pass from Cedoz and Cedoz kicked the extra point. Near the close of the second quarter, Oak Harbor came through with a touchdown when Fought scored on a 25-yard pass from Parkson, with Boomer scoring the extra point on a pass from Hockin.

The Porters will play Norwalk here next Thursday evening.

LOUIS TO ENTER ARMY NEXT MONTH

CHICAGO, Oct. 18.—UP—Joe Louis, world's flat king since 1937 is going to learn how to fight with a gun.

Cook county draft board No. 84 decided that last night when it made Joe's tentative I-A classification final on the basis of a recent physical examination. The board predicted the champion would begin working for \$21 a month "about the middle of November."

ROSS-COLUMBIAN ONLY LOOP TILT

Only one Buckeye league game will be played this weekend but its outcome can have far-reaching effects.

The lone league game Thursday night pits Fremont against Tiffin Columbian, in the latter's city and may eliminate from any further consideration at least one of the teams.

The Columbians rank in percentage points with the pace-setting Junior Home team although they have won but one loop tussle to the Junior's three. Fremont is in second spot with two victories and one defeat.

A victory for Tiffin would eliminate the Little Giants from any possible chance to share in the league championship while a defeat would drop the Tiffinites a shade under Fremont because of two tie games.

While these clubs are battling it out in the league, the Juniors invade Lima where they play South; Fostoria travels to Bucyrus; Bowling Green takes on an undefeated Napoleon club and Findlay plays Lima Central.

SEE SPLIT IN CONFERENCE

Break May Come Over Refusal To Approve Freshmen Players

MANSFIELD, O., Oct. 23.—UP—Refusal of the conference to relax the ban on freshmen competition in varsity football gave impetus today to the long-expected movement for breakup of the 20-team Ohio conference into two or more smaller leagues.

Convened in a special emergency meeting, the conference heads last night rejected a proposal to make freshmen eligible for varsity gridiron competition at once to join several small member schools

TIFFIN THINKS CLUB WILL WIN

Columbians Set To Up- set Fremont In Lone League Game Tonight

Ross high's Little Giants will travel to Tiffin tonight intent on marring the clean slate of another Buckeye league rival—Tiffin Columbian—a task that five other elevens have found to be a mite too much.

The Columbians are one of the state's few undefeated teams and the closest they have come to dropping a stitch this year is two tie games, a 0 to 0 deadlock with Bowling Green and a 13 to 13 tie with Findlay. Their victories have come at the expense of Bellevue, Bucyrus and Fostoria and, as far as wins are concerned, they share the league top with Junior Order.

The Little Giants will have an appreciable pull in the weights and, with the exception of End Elmer Nickle, will be at full strength. The majority of the players came out of the Sandusky encounter in good shape and the only fear troubling Coach Legs Binkley is over-confidence.

Tiffin Confident

The Columbians have been pointing for this game and in Tiffin are favored to win due to the smart, aggressive ball they have been playing. A team that relies largely on speed, they have a swift in Bob Young and a line-plunger of no mean ability in Fullback Chuck Hauck, who operates much on the same order of Findlay's Adams and Fostoria's Ally, both of whom gave the Little Giants plenty of uneasy moments.

Psychologically, tonight's situation favors the Columbians and if the Rossmen evince the least let-down or grow careless in remembering the victory over Sandusky, results are very apt to be fatal.

The Little Giants beat Sandusky by playing hard, driving football for four quarters and it will take just as many minutes of grueling

BOB FELLER MAY ENLIST IN NAVY

VAN METER, Ia., Oct. 23.—UP—Bob Feller, Cleveland Indian pitcher, said today following the announcement that he had been placed in class 1-A by his local draft board—that he would "probably enlist in some branch of the service without waiting for induction."

"I have just about decided to enlist," he said. "It probably will be in the navy."

battle to down Tiffin. Probable starting line-ups are as follows:

Fremont	Columbian
Myers	H. Miller
Biggs	Left End Hess
Kane	Left Tackle F. Miller
Tiefke	Left Guard Brancati
Weiser	Center M. Hossler
Reichert	Right Guard Egbert
Brocksieker	Right Tackle Long
Michaels	Right End Young
Wisbon	Quarterback R. Hostler
Hall	Left Half McKillip
Fox	Right Half Hauck
	Fullback

HARRIERS TO MIAMI

OXFORD, O., Oct. 23.—UP—The annual Ohio A. A. U. cross-country championships will be held Nov. 8 at Miami university, George L. Rider, director of physical education, announced today.

BRAVES, PHILLIES LEFT

NEW YORK—Since the Yankees started winning pennants in 1921, they have climbed to world championships over six National league clubs—all save the Braves and Phillies.

Make But Two First Downs In Startling Form Reversal

Apparently news still travels slowly. Last week Fremont defeated Sandusky but, somehow or other, Tiffin Columbian's players hadn't heard about it yet and when the two teams met last night the Columbians proceeded to blast the Little Giants almost out of the Buckeye League, 19 to 6.

Perhaps it was a let-down after last week's game or perhaps it was the reverse—too much self-inspired build-up—that caused the strange reversal of play, but the Fremont team that wallowed on the Tiffin turf bore no resemblance whatever to the one that had charged through five previous encounters with but one setback charged against them.

It wasn't so much the defeat as the manner in which it was administered that literally stunned a large delegation of Fremont fans, and the majority of the Columbian followers as well.

to 30, if that is any consolation.

The rumors the past week, often enough to give them a tinge of truth, were that the Fremont linemen and backfielders were carrying on a little argument among themselves as to just which department of the team was the best. The rumors were truth, the Thursday night game should have sunnied the anger.

A 63-year-old marcher brought the second score early in the third period and Fremont had the ball for exactly two plays during the ensuing 12 minutes. Wasbon carried a punt back 17 yards to the 32. Fox picked up a yard and then Hostler intercepted a pass on the Fremont 48. When the third period ended Tiffin was back on the

Young & Compny.
Fox Forgotten
 A football game is only a football game and every team loses sooner or later, but the most charitable thing that can be said about the Little Giants in their last appearance was that they were unfortunately bad.
 The defense wasn't and the offense

The Little Giants showed a spark of life when the clock said four minutes left to play. Taking the ball on their own 42, Hall picked up six yards and Myers went for 11 more on an end around play. Hall lost three and then Michaels passed to Wabson on the Tiffin 30. He dropped the pass and Tiffin recovered.

fense only sparked at times. They were out-scored, out-gained, out-smarted and out-played.
 Ed Linn, who tipped the heavy Sandusky line to shreds last week was called upon to carry the ball three times according to the press box statisticians and gained on every try. Why he wasn't called in to try to tie the game was perhaps a partial explanation of the not wholly unexpected, yet stunning defeat.

First Half
The Little Giants played a creditable, although halting, first half. After the first quarter they were never in the contest. They had possession of the ball on exactly three occasions in the last half, and on each of these times had to punt on the first down as they had the imprint of their own goal posts on their helmets.

On the credit side of the ledger can be marked up two goal line stands, both times after the Columbians had driven within the

LEFT-HANDED PASSERS
NEW HAVEN. —Yale has two left-handed passers, Jack Ferguson and Tim Hoopes.

Tiffin Runs Wild
After that it was murder under the arcs. When the first period ended Tiffin had driven from the Fremont 35, where Wishon had fumbled a punt and Joe Brancote had recovered, to the Fremont two. The drive was stopped at the start of the second quarter on the Fremont one. Tiffin was on the 18 at halftime.

A 65-yard march brought the second score early in the third period and Fremont had the ball for exactly two plays during the ensuing 12 minutes. Wisbon carried a punt back 17 yards to the 32. Fox picked up a yard and then Hostler intercepted a pass on the Fremont 48. When the third period ended Tiffin was back on the Ducks. 11

Purple 11.
Fremont held on its own goal line and Wisbon punted out to the 38 from where Columbian carried it over the goal on eight plays. A pass netted 17 yards and Young shook off four-would-be tacklers before Drew went through a hole at left tackle big enough for a truck to score, standing up, from the one-yard line.

The Little Giants showed a spark of life when the clock said four minutes left to play. Taking the ball on their own 42, Hall picked up six yards and Myers went for 11 more on an end around play. Hall lost three and then Michael passed to Wisbon on the Tiffin 30. He dropped the pass and Tiffin recovered.

No. folks, from a Fremont standpoint it wasn't much of a game.

B-G INVADES FOR LOOP TILT

Little Giants Play At Home While St. Joe Takes To Road

It's St. Joseph's high against Rossford in the latter town Friday afternoon and Fremont Ross against Bowling Green in a Buckeye League game here tonight. That is the local grid menu for this weekend as the 1941 season fast comes to a close.

Both coaches, Gene Gfell and Legs Binkley, have been drilling their charges at a fast clip all week to bring them to an edge for today's tilts and both have a better than even chance of walking off the field on the long end of the score.

The Bee-Gee encounter is the last loop game of the year for the Little Giants who, in four encounters inside the circuit, have a .500 rating with two victories and two defeats. The visitors have failed to win a loop game thus far, but battled Columbian to a scoreless tie and held both Junior Order and Findlay to close scores and have shown improvement from week to week.

Changes Line-up

For perhaps the first time this season the Little Giants will be out-weighted and with the gridiron promising to be slippery, may have their hands full with Coach Warren Ott's eleven.

The game has been moved back to 8:45 p. m. because of the Halloween celebration and another large crowd is expected. Coach Binkley has stated that he will make several changes in his team and the starting lineups are expected to be as follows:

Fremont		Bowling Green
Myers	LE	Roether
Biggs	LT	Lewis
Weiser	LG	Krause
Tiefke	C	Rayner
Pence	RG	Crowley
Fry	RT	Waugh
Brocksieker	RE	Nelson
Michaels	Q	Franks
Wisbon	LH	Miller
Hall	RH	Ingraham
Fox	F	Zing

ROSS-BEE GEE GAME MONDAY

The Buckeye league football game between Ross high and Bowling Green, scheduled for Harmon field Friday night, was postponed until 8 p. m., Monday, due to weather conditions.

An all-day rain, which was still coming down at game time, had turned the grid into a sloppy morass and school officials also feared that it would be impossible to keep the lights going in the downpour.

Several hundred fans had braved the weather and were waiting to take their place in the stadium when the official announcement, giving the Little Giants two games the coming week, was made.

Officials here were merely following leads taken elsewhere in calling off the game. The Tiffin Columbian-Junior Order tilt was postponed early in the day, while the Festoria-Defiance game as well as the majority of Toledo contests were also cancelled.

ROSSMEN PLAY PAIR OF GAMES

**Bowling Green Here
Tonight, Norwalk Fri-
day; Streaks Travel**

Rained out last Friday night, the Ross high Little Giants will play an ambitious schedule this week, meeting Bowling Green in a Buckeye league clash Monday at 8 p. m. and entertaining Norwalk at the same hour Friday.

Thus, in a five day span, the Little Giants will dispose of two of the three games still remaining on the 1941 schedule. The final clash, with Mansfield, will be November 20, Thanksgiving Day.

Tonight's tussle with the Bobcats in the last loop encounter for the local forces and it won't be an easy one. Bowling Green is a team that, away to a slow start, has been showing improvement on each succeeding weekend. Their record isn't impressive, but their showings of late have been.

That will be the Monday night clash, with Friday bringing a weak Norwalk club here in the last home game of the campaign. The Maple Leafs have one of their weakest teams and do not belong on the Fremont schedule. A week ago Friday Port Clinton walloped them, 40 to 12, and the Little Giant second string is likely to see most of the action in the tilt here.

St. Joseph's Crimson Streaks also have a Friday encounter but for the second week in a row take to the road. They travel to Crestline to meet a tough eleven that has piled up a pretty good record this year, despite reverses.

Rossmen Lose Punch In Second Half After Taking Early Lead

Fox Scores In First Two Minutes Of Play And Wisbon In Second Quarter, But Bobcats Snarl Back To Knot Score In Third Period

After getting away to a 13 point lead in the first two periods, Ross high's football machine sputtered and ran out of gas at Harmon field last night and Bowling Green's Bobcats came back with two third period drives that knotted the score and that's the way the game ended.

The Little Giants looked good in both the first two quarters and, except for the timer's gun, would have had a third score over what appeared to be a somewhat demoralized visiting club.

What Coach Warren Ott fed his 'Cats between halves isn't known, but they certainly came back a different club, took the offensive and kept right on rolling. Aside from making the two scoring stabs, the Bobcats stopped the Little Giant running attack cold and it ended the third canto with a net loss of 10 yards.

CAMILLI NAMED LEAGUE'S BEST

Gets Nod In National With Teammate, Pete Reiser, Next Best

NEW YORK, Nov. 4.—(U.P.)—Big Duff Camilli, the idol of Flatbush, who led the Dodgers to their first pennant in 21 years but proved only human after all against the Yankees in the world series, was recognized today as the National League's most valuable player of 1941.

The husky Italian first baseman was an overwhelming choice of the Baseball Writers' Association of America for the annual award made by the Sporting News. Of 24 ballots cast his name appeared on every one—on 19 for first place, two for second and one each for third, fourth and tenth.

Camilli's teammate, Pete Reiser, sensation of a freshman outfielder, who led the league in hitting, placed second in the poll but was far behind Camilli with only three votes for most valuable. Jimmy Brown, peppery St. Louis Cardinals' infielder, received a first place vote but wound up fourth in total points behind yet another Dodger, Pitcher Whitlow Wyatt.

Dolph Camilli

ALL FORGIVEN—HEATH A HERO

CLEVELAND, O., Nov. 4.—(U.P.)—One year ago Jeff Heath was in low esteem as a member of the Cleveland Indians. He had a bad 1940 season—at bat, in the field and in the clubhouse.

Today he was named as the most valuable of the club during the 1941 season in the annual award of the Cleveland Baseball Writers' Association. He batted .340 for fifth place in the American League and was second in runs batted in with 123.

The Little Giants lost little time getting started, scoring in the first two minutes of play, and after they had added the second touchdown a good-sized Monday night crowd was confident that the game would be a walk-away.

A break set up the first Fremont score and, as later proved, breaks paved the way for virtually all four touchdowns.

A bad pass from center got past Abel, Bee Gee quarter, and Dave Brockseker recovered in the vicinity of 25. Ed Fox charged through center, fumbled and recovered for a 10-yard gain and on the next play Dick Myers took the ball on an end-around to the two. From there Fox clumped over and Pete Michaels added the point with a kick from placement.

Bob Hall and Jim Wisbon ripped off some nice gains late in the period and Fremont plowed down to the Bee Gee 14 before losing the ball on downs.

Wisbon Gets Away
With four minutes of the second period gone and the Ross running attack still clicking on 11, the Little Giants scored again, another fumble presenting the opportunity.

This time it was Franks who fumbled Wisbon's punt on his own 38 with Kane recovering for the Purple. After Fremont had refused a penalty on the play, Wisbon took the ball from Fox on a reverse, fought over the line of scrimmage, was almost nailed by the secondary but managed to spin free and was away on a 38-yard touchdown gallop. This time Michaels missed the try for point.

Late in the period a Bowling Green punt was down on the Fremont 28 and the Little Giants, with Fox, Hall and Wisbon hugging the leather, rolled down the field. With a first down on the Bee Gee 11, Hall was stopped for no gain and then picked up six and Fox hit the line for three more as the half ended.

Bog Down
The second half was just the reverse. Wisbon fumbled on his own 30 and Bowling Green recovered. Then Al Zingg swung left action and, almost unaided, pounded his way down the field to score 10 plays later. A pass for the point was incomplete.

But the Bobcats weren't through. On the first play after the kick-off Fox hit the line, the ball popped out of his hands and Murray recovered for Gee Bee. They were forced to punt and then so was Fremont with Ron Vaughn breaking through to block the kick and soon the ball up on the 15 and go for the score.

This time Zingg hit the line for the point, made it and tied the score.

The last period was disappointing to followers of both teams and both were in reverse most of the time, losing more yardage than they gained. At one time Bowling Green had the ball on the fourth down with 35 yards to make.

As the game ended Fremont took the ball on the 35 but had gone only to the 47 when the festivities ended.

The game concluded Buckeye League play for the Little Giants and left them with a record of two victories, two defeats and one tied game. Friday night they play Norwalk here.

Friday Game Is Final Home Appearance For Little Giants

Purple Favored In Second Game Of Week Despite Loss Of Dick Myers; Streaks Tackle Tough Foe As Coach Gfell Threatens Shake-Up

This city's two football teams, each owning a creditable record thus far and with the opportunity of adding to them, return to the gridiron wars again Friday night, one meeting what should be a soft touch and the other going against a major foe.

Ross high's Little Giants, playing at home for the second time this week, should have easy pickings against an oft-defeated eleven from Norwalk. The Little Giants at the present time can claim four victories and a tie game while owning up to a pair of defeats and still have the chance of making Coach Legs Binkley's first year a highly profitable season.

St. Joseph's Crimson Streaks take to the road for the second successive week and will undoubtedly have their hands full. They journey to Crestline to meet a formidable foe. The Streaks' record reads three wins, three losses and one tie with two games to go.

Ross at Home

The Little Giants will trot onto Harmon field Friday night for the second time this week when they take the grid against Norwalk in their last home appearance this year, but despite only three days of rest, should easily rate the favorite.

The Mapleleaves have just about hit football bottom this year and have lost games, by lop-sided scores, to teams that in the past wouldn't even be in their class. For instance, a 40 to 12 pummeling at the hands of Port Clinton and last week's setback from Oberlin.

The game looks like an easy one for the Rossmen and one that shouldn't give them much trouble and that is the very reason that Coach Legs Binkley isn't particularly relishing the invasion of the Huron countians. There is such a thing as let-down on all squads and, judging from recent events, the Little Giants are in the throes of just such a malady at present.

Myers Out

Following hard on the heels of an unexpected setback in Tiffin, the Purple looked like a little Minnesota team for two periods Monday night and then turned into a Pitt Panther for the balance. The result was that a 13-point lead was squandered and the game ended in a deadlock as Bowling Green scored twice. Not coming back so much as the Little Giants went back.

Dick Myers, regular left end, will be out of the tilt, having suffered a head injury Monday night, and his absence will be felt. After he left the last game both the Little Giant offense and defensive appeared to bog down and the team became something of a soft touch for Fullback Al Zingg.

With Myers out of the game, Lou Wernig will be the starting assignment at left end with Dave Brocksieker holding down the other flank. George Biggs and Bill Lance will start at tackles; Delbert Kane and Norman Weiser at guards, and Howard Teifke at center. Capt. Bob Hall has a bad shoulder but will start in the backfield, along with Pete Michaels, Jim Wisbon and Ed Fox.

Streaks on Road

In Crestline, the Streaks will be tackling a foe with a record comparable to their own. The charges of Coach Hutson have won four games and bowed to three teams, Shelby, Willard and Tiffin Calvert, the latter score being 14 to 12, putting them, with the exception of a pair of conversions, on a par with one of the toughest parochial aggregations in this section.

Coach Gene Gfell's club bowed to Rossford, 6 to 0, on a muddy field and in a rain storm last week and apparently he wasn't satisfied with their showing. He stated today that he planned to make several shifts in his lineup, but failed to state what they would be.

In answer to questions, the St. Joe mentor merely replied that he didn't think the line was functioning as well as it should, while he intended to try to get more scoring punch in the backfield. Apparently none of his previous starters are sure of their job tonight.

Won Last Year

The Streaks have two more tilts to play, Crestline and a brush with Calvert here next week, ringing down the 1941 curtain. A pair of victories would give the club one of its best records in recent years, but victories over either one of the opponents will come the hard way.

Last year the Streaks topped Crestline, 13 to 0, and that fact will make Friday night's game even tougher. In Fullback Jack Barlion the Indians have a fine speed merchant while Capt. Ray Light has been hitting the bulls-eye with his passes of late.

Crestline uses a diversified attack, mixing running plays with line smashes and an occasional pass into the flat and the Streaks must be on their toes every minute to meet the thrusts that will be sent against them.

The Streaks are in good physical condition for the clash and Coach Gfell has stated, should have no excuses if the football fates run against them and they drop the next-to-last game on their program.

FOX AND HALL SPARK TEAM IN EASY VICTORY

Score All Touchdowns
And Romp 70 And 55
Yards On Soggy Field

The Little Giants romped to their fifth victory of the season on a heavy turf at Marmon field last night, overwhelming a weak Norwalk high eleven, 33 to 0.

Playing on a field heavy with mud in between the 35-yard lines, before some 300 faithful fans who braved the cold and a mixture of half rain and half snow, the Ross-men chalked up 13 points shortly after the game started, added seven in the second period, looked bad in the third and then tallied 13 more in the closing stanza.

Ed Fox

The visitors were really never in the ball game although at one time they advanced as far as the 11-yd. marker and another time to the six. They weren't serious threats, however, despite the yardage covered, as they were made on more or less lucky passes and against a liberal sprinkling of second-stringers.

Ed Fox came into his own to score three touchdowns and account for two conversions and Capt. Bob Hall scored twice, but they had help from the entire team. Pete Michaels accounted for the other point with a place-kick, making one good in two tries.

Waste Little Time

The game opened with Norwalk kicking to Fremont and it took the Little Giants just 11 plays to cover 67 yards and cross the Mapleleaf's goal line the first time.

Hall took the opening kickoff on his own 15 and was up to the 37 before downed. Hall and Fox lugged the leather to the Norwalk 37 and then Jim Wisbon circled his

own right end for 18 yards to the 19. On three plays Fox went over for the initial score and then plunged for the point from a fake place-kick formation.

A punt to the Fremont 15 started the second touchdown drive and the Little Giants had gained 20 yards on three plays when Hall slipped around end and galloped 55 yards for the score. Fox, Wisbon and Biggs contributed some nice blocking as Hall covered the yard stripes. Michaels' kick was wild.

Hall Scores Again

A pass allowed for interference and a 22-yard gain by Wisbon set up the second period score and, with the ball on the Norwalk 19, Wisbon fired a pass to Hall for a touchdown. This time Fox made no bones about plunging for the extra point.

The Little Giants had a lapse in the third period and didn't play very good ball, except for pass interceptions by Norm Tietke and Fox which stopped possible threats as the Mapleleafs took to the air in desperation.

Early in the final canto the Little Giants started rolling again after they had taken the ball on the visitor's 30 after Biggs and Weiser had swarmed through to smother a would-be passer several times.

After Fox had made a first down on the 17, he tossed a pass taken by Dave Brockseker on the one and it was no task at all for Fox to cross the goal line. He did it standing up and Michaels' neatly place-kicked the point.

Fox Runs 70 Yards

Fremont drove 83 yards for the final score after taking the ball on their own 13 when a flurry of Norwalk passes failed to connect. Fox broke through the line on his own 30, shook off a couple of would-be tacklers and then, out-raced two safety men to go for the touchdown. This time Michaels' kick hit the cross-bar.

Capt. Legs Binkley was able to use virtually all of his second-stringers and at one time had four freshmen in the line-up. The game was little more than a workout for the Purple and on a dry field they could have topped Norwalk by double last night's score.

FULLBACK FOX IS TOP SCORER

Is Second Senior Backfielder Who Will Finish Against Tygers

Another one of Coach Legs Binkley's backfield aces this season is a senior who will be making his last scholastic start against the Mansfield Tygers next Thursday.

He is Ed Fox, 17-year-old, 180-pound fullback, who stands five feet 11 inches and has been coming fast of late. A member of the football squads for the past three years, this season will bring him his third varsity letter.

Ed Fox

Fox was away to a slow start this season but at the present time is one of the most improved players on the team. The line-plunging fullback is the scoring leader with a two-point edge

on Capt. Bob Hall, having scored seven touchdowns and chalked up two conversions, both on plunges.

The tow-headed senior came into his own against Sandusky, scoring both the touchdowns that ended the Streaks' 16-year reign of terror, and otherwise playing a bang-up game. In addition to those two touchdowns, he scored once against Findlay and Bowling Green and three times against the Norwalk club.

Fox also plays a guard in basketball and runs the 440 in track. He is a member of the "F" club.

To the Football Squads

of Ross High School and Saint Joseph's High School CONGRATULATIONS!

With the grand finale tomorrow, when Ross meets Mansfield, you all will have performed a strenuous task . . . a task well done. Many of us oldsters who have seen action on the "gridiron" and others of us who have merely been "Stadium Quarterbacks", watching you perform all season long, we are of one opinion. "You had many tough assignments and you filled every one of them with credit to yourselves, your schools and your home town."

We heard a collegiate football star of former years say, "I have met the coaches of both schools and most of the boys on the squads. They're a grand bunch and they're deserving of great credit for a job well done." And we, here at Pfisterer's, agree most heartily.

So, to each and every one of you in the top 22 that formed the squads for both Ross High and Saint Joseph's High, we offer congratulations on a most successful season. And to the coaches, their assistants, and to the other players in training, from whom we expect to hear in future seasons, the part you played is deserving of special commendation.

PFISTERER'S

TEAM CLOSES AGAINST FAST TYGER ELEVEN

**Mansfield Most For-
midable Foe In Years;
Game Starts At 2 P. M.**

A light workout this afternoon concluded the training grind for Ross high's Little Giants, and all that remains between them and the close of the 1941 gridiron campaign is the Turkey day clash at Mansfield.

That is all that remains, except perhaps a banquet for them, but it's a pretty big "all."

There is no doubt but that Mansfield will be the toughest team that any Little Giant eleven has met in recent years. On their record, the Tygers are perhaps more powerful than any Sandusky team of the past decade and they were tops on the Fremont schedule for years.

It will be a case of a good, little team—the Little Giants are that despite two losses and a tie thus far—going against a brilliant, big team. Mansfield has played nine games this season and they rolled rough shod over seven of their opponents, trimming such teams as Steubenville, Elyria, Newark and Springfield, as well as weaker sisters like Sandusky and Shelby, all by lop-sided scores.

Beat Sandusky

The other two clashes pitted them against mighty Massillon and they gained a 6 to 6 tie. Then came the Canton McKinley tilt, played in three inches of mud, and the score was 0 to 0.

That is the Mansfield record as compared to that of the Little Giants, who have victories over Bellevue, Findlay, Fostoria, Norwalk and Sandusky and a tie with Bowling Green.

Sandusky is the only common foe of the two elevens and Mansfield trimmed them 32 to 0, while Fremont was squeezing out a 14 to 7 victory.

Little has been said about the game in Mansfield except that some of the players who were also on last year's basketball team will be out to avenge that overtime defeat handed them in the district cage tournament last spring.

Team Ready

Coach Legs Binkley stated today that his team was in good condition, but mentally and physically, and with the return of Dick Myers to an end position, would be at full strength.

What will happen Thursday in Mansfield is but conjectural. This has been a season of upsets and many mighty teams have been humbled by lightly considered under-dogs. The same could happen in the closing appearance of these two teams.

The same lineup that has already made Coach Binkley's first season a success by humbling Sandusky, will take the field for the start of the game, set for 2 p. m., and a large crowd of Fremont rooters is expected to follow the team.

The Lineups

Lineups are expected to be as follows:

Fremont		Mansfield
Myers	LE	Romano
Biggs	LT	Arlin
Kane	LG	Weber
Tiefke	C	Dietzel
Weiser	RG	Smith
Lantz	RT	Butler
Brocksieker	RE	Winbiger
Michaels	Q	Doolittle
Wisbon	LH	Krupp
Hall	RH	Jones
Fox	F	Condon

Hold Tygers To Lowest Score Of Season On Slippery Turf

Rossmen Surprise With Showing Against Unde- feated Club; Only Scoring Bid Comes In Final Minutes And May, Or May Not, Have Succeeded

Mansfield high's Tygers rolled up 26 points in their Turkey Day encounter with Fremont's Little Giants, while holding the latter to either none or six—it will always be a mildly disputed point—but it was quite a ball game, considering the mud and everything else. Around 3,000 fans will attest to that.

To start with, Mansfield had won seven games and tied both Massillon and Canton McKinley before taking the field for the seasonal finale Thursday. On the other hand, the Rossmen had won but five of eight, with two of the other three losses.

After a morning of rain the sun came out and with it a goodly smattering of football bugs, all of whom expected just what happened—that Mansfield would win. But what they didn't expect was that their Tygers would be held to their lowest score of the season, tossing out the two deadlocks.

Hard Scrap

Yet that was what happened. Those 26 points were from five to 20 points less than the Tygers had tallied against Akron West, Elyria, Sandusky, Newark, Springfield, Cleveland Central and Shelby, indicating that it was quite a ball game that the two teams engaged in.

It was just that and maybe the score should have been closer. Maybe Fremont should have had at least six points. It all happened just before the final gun as the Little Giants were making their one offensive gesture of the game. With the ball on the one-yard line and two downs remaining, Capt. Bob Hall and then Ed Fox hit the line. It looked like the latter had cleared the line before being pushed back, but the officials ruled otherwise.

Either way, it made little differ-

ence. The game ended just then and, anyway, Mansfield had the better team. Better in everything except fight. In that vital department the two were about even.

The game closed the season for eight Little Giants and 11 Tygers and they all bowed out in at least a shimmer of glory.

Of course, the game was mostly Mansfield, but they didn't have such an easy time of it. The Tygers scored a touchdown in each of the first two periods, were held in check in the third and then added 12 points in the final canto. That proves that the Little Giants were in there, scrapping all the way.

The game was pretty even at the start with fairly long punts keeping both teams in safe territory, until late in the period when a break set up the first Mansfield score.

Kick Blocked

Fremont had the ball on its own 27 and on the first play there was a clipping penalty that took them back to the 17. A pass failed to connect and then Hall tried to catch the Tygers off guard with a quick kick. Only the ball was blocked and Mansfield recovered on the 27 and, to make matters worse, on the first play Dick Myers was off-side and Mansfield got five gift yards.

That was the spark needed to ignite the Tygers' touchdown powder and after Condon had picked up a few yards Ken Krupp took the ball and went around the Fremont left end for a touchdown. Condon converted when he ran from a fake kick formation.

The period ended shortly after with Krupp intercepting a Wisnon pass on the 45 and getting back to the Fremont 38. After the short intermission

(Continued on Page 13)

HOLD TYGERS TO LOW SCORE

(Continued from Page 12)

they took up the march again with Krupp and Condon lugging the leather until Lightning Jones was given a chance. On two plays he picked up 12 yards and then Webber was given the ball on a trick play and he scampered 12 yards for the score. He also made the point on a quarterback sneak.

Tygers Halted

There wasn't much doing, except for hard play, the balance of the first half and the third period was largely an exchange of kicks with a couple of pass interceptions tossed in as Fremont attempted to ride the air lanes.

Pete Michaels, Howard Tiefke and Jim Wisnon played important parts in halting Tyger drives with

GAME STATISTICS

9	First Downs	3

some fine tackles and once mighty Mansfield actually lost a yard on three plays.

An intercepted pass early in the final stanza, taken by Condon on the Fremont 35, started the third scoring surge. Jones passed nine yards to Doolittle and then Krupp went wide around the end for the score. Bob Hall knocked down a pass that was attempted for the conversion.

Three punt exchanges later Mansfield took the ball when Frankel recovered Fox' fumble on the Fremont 40 and Ken Krupp passed 15 yards to Burrage who scampered the rest of the way to the goal line. This time Condon essayed to drop-kick for the point but it was blocked.

Fremont Starts

It was on the kick-off that followed this score that Fremont started its only sustained drive. Hall took the kick on the 15 and was up to the 35 when dropped. Then Wisnon passed to Myers on the 50 and the latter, by dint of some nice running and reversing his field, fought his way to the 30 before he was stopped.

Wisnon picked up 11 on an end run. Hall passed to Wisnon for seven more yards and Myers was stopped just short of a first down. Fox made it with a seven yard plunge on the next play and Hall passed to Brockleker for another yard before Mansfield was penalized five to the one yard line. Then came the two plunges by Hall and Fox and they may have scored. The official tally says they didn't however.

Outweighed about 10 pounds to the man, the Little Giants played a fine game on the slippery turf. It would be hard to single out any particular players for top honors but perhaps Myers, Tiefke, Kane and Biggs had a shade on the forward wall and Hall in the backfield. All in all, it wasn't a bad way to end a season. Fremont wasn't supposed to have much of a chance, but they made the Tygers fight for every score.

Junior Order Over-Shadows Winners With Four Places

**Columbian, Findlay And Bowling Green Each
Place Two Players, While Fostoria Is Ignored;
Wisbon, Biggs And Telfke Make Second Team**

By the slim margin of one vote, Capt. Bob Hall made the backfield of the all-Buckeye League football team, selected by coaches and sports writers of the six league cities.

While no less than nine members of the Fremont varsity received one or more votes, three enough to make the second team, the senior backfielder was the only one who could muster enough support to make the mythical 'dream' team.

Three other Little Giants, Center Howard Telfke, Tackle George Biggs and Back Jim Wisbon made the second eleven. Telfke trailed Joe Brancati by 12 votes, Biggs trailed Cox of Junior Order and his teammate, Davenport, by 10 and three votes, respectively, while Wisbon was but three votes behind Agee of Junior Order for a backfield position.

No selections were received from Coach Mehaffey of Junior Order, or one of the two Fostoria sports writers. Had both given first team votes to Wisbon, he might also have made the first team.

Although Tiffin Columbian won the Buckeye League football crown the past season, going through circuit play without a defeat, only two of its players

Hall

late season, influenced the voters and moved them to give both Findlay and Bowling Green equal ranking as far as individual brilliance was concerned.

First Team

With this state of affairs, Tiffin Junior Order, which lost to both Findlay and Columbian, dominated the stellar line-up with four players. Fremont garnered one place

Brancati and Gunter gave Lewis a good run in the poll. The former had eight first team votes and one second team vote while the latter was picked for the first team seven times and the second three times.

Brancati, playing his third year, was a good snapper-back, a bruising line backer and smart pass defense man and made the team last year as well. He has also received honorable mention on one all-state team.

Gunter, while not as flashy a player as his teammate, Lowe, was one of the toughest linemen in the league. A bruising blocker and vicious tackler, he dished it out all season and was a fine flankman.

Balloting Close

Pearl Adams was almost an unanimous choice for the backfield. Squat and broad shouldered and a vicious line plunger, he received seven first team votes and two for the second team. He was responsible for most of the Trojans' good games.

Bob Young, diminutive Columbian quarter, was given the nod for the first team seven times and the second team once, to rank one vote behind Adams. Smart, a good

HONORABLE MENTION

Ends: Myers, Fremont; Brocksieker, Fremont; Hoelscher, Findlay; Tackles: Hackenberger, Findlay; Egbert, Columbian; Reichert, Fremont; Varner, Findlay. Guards: Waugh, Bowling Green; Baker, Jr. Order; F. Miller, Columbian; Kane, Fremont; Bibler, Findlay; Currier, Fostoria; Road, Bowling Green; Weiser, Fremont; Davis, Findlay; Ferguson, Junior Order. Centers: McElligott, Findlay; Rayner, Bowling Green. Backs: Slough, Findlay; Bristol, Findlay; Hostler, Columbian; Ingraham, Bowling Green; Fox, Fremont; Franks, Bowling Green; Alley Fostoria; Wernig, Fremont; Mc-Killip, Columbian; Stephens, Junior Order.

and Fostoria was shut out, but only because Frank Agee of Junior Order, garnered one more first team vote than Alf Bulkowski. Both ended up with 13 votes, but Agee had five first team nominations to four for the Fostoria flash who was out part of the season.

Getting down to business, the first team selected placed Gunter, Junior Order, and Caughman, Findlay, at ends; Davenport, Junior Order, and Cox, Junior Order, at tackles; Lewis of Bowling Green, and his teammate, Krause, at guards; Brancati, Columbian, at center; and Young of Columbian, Hall of Fremont, Agee of Junior Order and Adams of Findlay, in the backfield.

Several Rate High

Lewis was almost an unanimous choice. The B-G captain who also made all-league last year and honorable mention on one all-state team, received nine first team votes and one for the second team. Leading the best Bobcat team since 1937, he was a fine all-around player. A senior, he weighs 185.

passer, ball carrier and drop-kicker, he was the spark plug for the league winners.

Capt. Bob Hall of Fremont polled 14 votes, four for the first team and six for the second, to nose out both Agee and Bulkowski. Best at end sweeps, Hall was something of an in-and-out, but most of his good games were in league play.

As for the other selections, most of them made the first team by slim margins. With a startling dearth of good guards, Mike Krause of Bowling Green, was the only one who polled enough votes to make him a real choice. He received five ballots, all for the first team.

Davenport of Junior Order, squeezed in with two firsts and three second team votes with Biggs, who had a total of five, as his nearest competitor.

Martin Cox, Junior Order, along with Lewis, was an exception, getting seven first and one second team votes.

All in all, however, the team selected is such that it would please
