In singles action, Ross' Andrea Andrews easily advanced to the semifinals. Andrews will face number two seed Julie Schuffert of Lexington.

Play continues today at the Sandusky High School courts.

At Sandusky Perkins, Clyde advanced Shana Young and the doubles team of Shanna Gill and Jennifer Seaman to today's semifinals.

Young, seeded second, had easy wins over Sara Linz of Perkins 6-0, 6-0 and Katie Harkleroad of Huron 6-0, 6-0. She will face the third seed Teresa Gibler of Norwalk in the semifinals.

Gill and Seaman made their way into the semifinals by downing the fourth seeded team of Ilse Wiechers and Julie McFadden of Norwalk 2-6, 6-2, 6-4.

## Zerman, Farrell top Schepflins

News-Messenger reports

Dawn Zerman and Kristen Farrell upset top-seeded teammates Dena Schepflin and Casey Schepflin in an all Fremont Ross final at the Division I Sectional Girls Tennis Tournament.

The 6-0, 6-3 victory by Zerman and Farrell Saturday at Sandusky High School denied the Schepflins a third straight sectional title.

Ross coach Sue Badertscher said she wasn't surprised at the outcome.

"They've been playing tougher competition all year," she said.

Badertscher also said the two teams would be on equal footing when the district tournament begins Friday at Bowling Green.

"Casey and Dena are going to work hard in practice this week," she said. "They're going to hit against each other. I've got some hard practices lined up."

Ross will be tested today in a Ohio High School Tennis Coaches Association team match against Lexington.

Lexington is led by singles players Nicki Harris and Julie Schufert. Harris defeated Andrea Andrews of Ross 6-0, 6-2 in the sectional singles final Saturday after Andrews topped Schufert 6-2, 6-1 in the semifinals.

All sectional semifinal qualifiers advance to the district tournament.
