

1933 Season review...

F. H. S. TRACKERS TAKING ON ELMORE

Saturday afternoon, weather permitting, of course, a couple of teams of thin clads, cinder chunners or tracksters representing Fremont and Elmore Highs will get together for the first open air dual meeting in these parts.

The Elmore steppers, that is the greater majority of them, are in fine fettle, having just completed a strenuous basketball season in which they rode to fame. They have capable men in several of the departments and ought to give the purple and white army a stiff battle.

Coach Bill Ogden will depend on Michaels, Schneider, Pettiford, Haldy Binkley, Lee Moore and some other veterans and is also

looking forward to a couple of youngsters elbowing into the picture. The meeting is the first of a series of sessions, the purple and white trackers are to engage in before they enter some of the district and L. B. S. activities.

Henry Wilson, who was vice president of the United States from March 4, 1873, until his death November 22, 1875, was christened Jeremiah Jones Colbath.

WEATHER GREAT HANDICAP FOR THIN-CLAD BOYS

Moore and Eoff Tie for
High Honors; One Long
Standing Record Falls

In weather that was more fit for
duck shooting or trying out new
rubber boots, the Fremont High
thin men met Saturday at the cinder
stadium from Elmore High Saturday
afternoon at Harmon Field and won
by the count of 84½ to 48½.

The victory was no walkaway or
runaway either. The purple and
whiters were compelled to extend
themselves to the way. They
gave up 10 firsts, eight seconds
and seven thirds while the boys
from the neighboring county col-
lected five firsts, four seconds and
four thirds. The two outfits were
tied for one second and one third
rating.

Lee Moore, Fremont's all league
basketball center, was in there to
feature a new role. He was high
man of the meeting for Fremont,
with 13 points. He won the shotput
and the discus and was also a sec-
ond in the javelin toss. In heaving
the shot, Moore established a new
height record with a toss of 42 feet
and one quarter inch, breaking a
mark held by "Big Bill" Emmons
since way back in 1920. Bob Pettiford
registered second high with
victories in the high hurdles and
high jump. He collected eight
points.

An Elmore Star

Eoff, a sprightly lad, was the
best performer for Elmore. In fact
he tied Moore's total of 13 and
split the individual honors of the
season with him. In Fremont,
Eoff cashed in on both the century
dash and the 220 and placed second
in the 440. Damschroder, of bas-
ketball fame, was Elmore's second
best and right behind Eoff with 12
points. He was first in high jump,
second in shot, shot heave, second in
the tall hurdles and runner up in
the discus toss.

Fremont scored a grand slam in
the mile event which was taken by
Michaels with Heppner and Palyska
trailing and was good in the middle
distance jogs, but displayed second-
ary form in the sprints which were
taken by Elmore men. The purple
and whiters will also have to perk
up in the jumps if they expect to
make an impressive showing in big
time events later in the season.

Both teams worked out a pretty
rite-washer handicap Saturday
afternoon and the thin clads flirted
with Jayen B. Pneumonia by step-
ping out to take their daily dozen
and get a trim for heavier work
to follow.

Coach Bill Oden's squad shows
plenty of promise and he has sev-
eral comers among his veterans, all
of whom may step forth and jar
over a few buckets of the old dope
when they hit their stride later in
the season.

PETTIFORD STAR PERFORMER OF KEEN SESSION

Moore of Fremont, and Wooley of Visitors, Also Show Much Class

Victory Puts Purple Crew on Edge for Meet With Sandusky

Fremont High's thinly clad speed and muscle team outpointed a group of game scant clothiers from Port Clinton at Harmon Field Wednesday afternoon to refrain of 76 to 51. Although the purple and white tracksters edged the visitors by a 25 point margin, the going was fast enough to give the fellows plenty to do and it placed them in fine fettle for their sterner effort against Sandusky high here Saturday.

Fremont picked up nine first, eight seconds and seven thirds while the fellows from the roaring breakers gleaned six firsts, five seconds and pulled up with six third placers.

Bob Pettiford, veteran and versatile Fremontian who has won more letters than there are in the post office at Scipio Siding, was the primo domo of the meeting. He was out in front in individual efforts with a neat 15 points, featuring the high leap, the hurdles, both high and low for his share of the spoils. Lee Moore placed second with 11 points, doing his bit in the shot put, the discus and placing third in the harpoon or javelin event. Wooley, of Port Clinton, who is nobody's business in the sprints, galloped to the tape in the 100 and 220 dashes and also scored in both the broad jump and the relay.

Pettiford and Wooley turned in close to record performances in their respective showings in the 120 high hurdles and the 100 yard dash.

This meeting has been postponed a couple of times because of inclement weather but when the boys really got together they performed high, wide and handsome in an atmosphere that was tinged with arctic traces and on a field and track that was still a bit soggy from rain.

This meeting puts Coach Bill Ogden's fellows in good trim for their stepping, leaping and casting bee against the old foemen, Sandusky high next Saturday afternoon.

Wednesday's summary:

High jump—Pettiford (F), Black (F), Nissen (PC) and Kolb (PC) tie for third. Height 5:7.

ELEVENTH HOUR FINISH TAKES NEAT VICTORY

Visitors Come From Behind After Fremont Had Lead

Lee Moore Big Point Winner; Pettiford Breaks One Record

Staging an eleventh hour rally and an eye lash finish, the Blue Streak track and field outfit from Sandusky seized the honors in their meeting with Fremont high's sparsely clad at Harmon Field Saturday afternoon and sacked up the doings by the score of 67 1-3 to 59 2-3.

Trailing for the greater portion of the way, the fellows from the bay front got warmed to their work late in the fray and piled up firsts, seconds and thirds that not only overcame the purple and white lead but walked off with the honors of the gathering.

On a day more fit for boating or rabbit hunting, the two teams of thin clads had it out hip, toe and thigh and it was a pretty session and exciting all the way. The only record broken was the work of Bob Pettiford, of Fremont, in the tall hurdles, he combed the timber to the gait of 18.5, pretty fair in any man's company, considering the weather.

At the close of the ninth event on the schedule, Sandusky was trailing 49 and a fraction to 27 and a fraction and the Fremonters appeared to have the session all tied up in the old burlap. It was not to be, however, Sandusky's green material carrying on where some of the veterans had failed.

The outfits were almost on even terms when the mile relay was bugled in and on the event, the visitors had it and Sandusky whirling into a victory and by a sensational finish and up hill fight.

Lee Moore, of Fremont, was high man of the meeting, taking firsts, the shot put, discus and a tie in the high jump and a place in the javelin falling to his lot.

Fremont won seven first places while Sandusky scored six firsts but the points scored on seconds and thirds aided the visitors in piling up their winning margin.

BIG TRACK MEETING COMES TO FREMONT

There will be plenty of cinder crunching as well as sod denting on Harmon Field on May 12th and 13th, Fremont having been allotted the eastern half of the Northwest Ohio district track and field meeting for both class A and B schools.

The counties included in the eastern section are Hancock, Hardin, Crawford, Erie, Huron, Ottawa, Richland, Wyandotte, Sandusky and Seneca and this means that a huge army of thin clads will swoop down here for the big session.

The meeting will be in charge of Robert E. Oldfather, popular gridiron coach at Fremont High, and he will be ably aided by Howard Laub and H. A. Cochran. Medals will be awarded all first event winners except in the relay features where cups will be the prizes. Second, third and fourth placers will be presented with ribbons. The winners of both the class A and B events will be presented with silver cups.

The Fremont High track team, under Coach Bill Ogden, will have a chance to mingle with the best of track and field society on this occasion and on its own field and they expect to make a great showing as they are in fine fettle already with a couple of strenuous meetings under their belts.

EASY PICKING FOR ROSS IN CHILLY EVENT

Stiff Gale Prevents Fast
Time in Dashes; Moore
Again High Man

McClintock of Bellevue,
Wins Sprints; Fremont
Set for Big Meet

Ross High, of Fremont, had a bit of a snap in taking down a three-cornered track session at Harmon Field Saturday afternoon, scoring 77 points to the 58½ garnered by Tiffin Columbian and the 25½ collected by Bellevue.

Fremont plucked eight firsts, seven seconds, five thirds and three fourths out of the array of events and was also tied for second and fourth in the pole vault.

Bellevue took down five firsts, six seconds, five thirds and five fourths and split a point for a tied position in the fourth place pole vault.

Tiffin only took two firsts, three seconds, one third and four fourths and also split second place in the pole vault, one of the hottest contests of a cold day.

Lee Moore, Fremont's big weight fellow, was the individual star of the meeting, collecting 17 points. He won the javelin and shot put, bettering his mark in the latter event; drew second in the discus and was tied for first place in the high jump, dividing the honors with Bob Pettiford of Fremont.

Bob Pettiford, veteran Fremont performer, was the big points man for his share of the afternoon's labors, winning the high hurdles, second in the low hurdles and getting a tie for first place in the high jump.

McClintock, the Bellevue flash, picked off the 100 yard and 220 yard dashes and was clocked into a piece of the mile relay, for 11½ points. Schneider, of Fremont, with 9½ points and Binkley, of Fremont, with 8½ points, also showed up nicely.

The weather was cold and a stiff semi-gale from out the northwest whipped across the field and made fast time on the track something not to be hoped for.

The Fremont Ross victory was a convincing affair and it indicates that Coach Bill Ogden's purple and whites will have quite a bit to say about the annual L. B. S. track and field session that is to be an event of next month.

MANSFIELD IN VICTORY OVER FREMONT HIGH

Purple and White War-
riors Make Good Show-
ing, However

Fremont high's track and field knights ran into some stiff opposition down Mansfield way Saturday afternoon and lost by the total count of 79 to 48, the purple and white giving a pretty good account of itself against a crew that has been taking on and beating all comers.

Mansfield copped nine firsts to five by the Fremonters. One of the feature performances of the event was a bit of discus heaving by Irvin Smith who gave the saucer the air to the tune of 130 feet 8 inches, new records for those parts.

Pettiford of Fremont, took the high and low hurdles; Michaels, of Fremont, stepped out in front in the mile; Snyder, of the purple and white, dashed to victory in the 440 and Fremont took the mile relay with Michaels, Snyder, Wilson and Schneider doing the baton carrying.

The meet was conducted in a temperature of 85 degrees and the dashes were hampered by a stiff gale that swept across the field.

Becker Jenkins, of Mansfield, who trailed Jesse Owens, West Tech, Cleveland, closely last week, took both the 100 and 220 dashes in jig time.
