Lady Giants Open Tennis Season with Split in Doubleheader...

The Fremont Ross girls tennis team kicked off their 2025 season with a doubleheader Tuesday, taking on Tiffin Calvert in the afternoon and Tiffin Columbian under the lights.

In the opener, the Lady Giants earned a hard-fought 3-2 victory over Calvert. Elyana Gray at No. 1 singles and Shelby Steinberger at No. 3 singles posted decisive wins to lead the way. The third match point came in doubles, securing the season's first victory for Ross.

The second match of the day proved more challenging, as Ross faced a strong Tiffin Columbian squad. The Lady Giants battled but were blanked 0-5, evening their record at 1-1 on the young season.

Fremont Ross returns to action tonight, hosting Northern Lakes League opponent Northview in their first league matchup of the year.

Lady Giants Edge Whitmer for NLL win...

The Fremont Ross girls tennis team earned a hard-fought victory Tuesday evening, defeating Toledo Whitmer by a 3-2 margin in a matchup that came down to the final set.

Leading the way was No. 1 singles player Elayna Gray, who delivered a strong performance with a 6-4, 6-2 win over an opponent she fell to last season. At No. 3 singles, Shelby Steinberger controlled her match from start to finish, cruising to a 6-2, 6-1 victory.

The decisive point came at No. 2 doubles, where the duo of Abby Stachowiak and Megan Sherman battled back after dropping the opening set in a tiebreaker. With the overall score tied 2-2, the pair dug deep to secure the match — and the team win — with a 6-7(5), 6-4, 6-3 triumph.

Head coach Lisa Wolfe praised her team's effort, highlighting both resilience and growth from last season.

"This was a good team win. They beat us last year. #2 doubles going into their 3rd set knew the score was 2-2, so this set determined the win and they played determined," Wolfe said.

With the victory, the Lady Giants build momentum heading into their next contest as they prepare to host Maumee.

Fremont Ross Girls Tennis Celebrates Seniors with Sweep of Oak Harbor

The Fremont Ross girls tennis team had plenty to celebrate on Senior Night as they honored three outstanding seniors — Addy Calhoun, Bridgette Gooslin, and Abigail Stachowiak. Known for their dedication, leadership, and commitment, all three were recognized not only for their play on the court but also for achieving perfect attendance at both practices and matches throughout their careers. Their example has set the standard for the younger players in the program.

The Little Giants capped off the celebration with a dominant 5-0 victory over Oak Harbor. Senior Addy Calhoun highlighted the night at #1 singles, battling through a tough three-set match before pulling out the win 6-3, 4-6, (10-6). Her determination set the tone for the entire team as Ross rolled to a clean sweep.

With the win, Fremont Ross improved its overall record to 9-7 on the season. The strong Senior Night performance was a fitting tribute to Calhoun, Gooslin, and Stachowiak — three players, teammates, and leaders who have shown what it means to be dedicated student-athletes.
