Ross doubles teams begin district play

News-Messenger Reports

A pair of Fremont Ross doubles teams will face tough competition today when they play in the district tournament in Toledo.

The duo of Jennifer Miesle-Julie Young and Sarah Hull-Kim White qualified for the district berths in the sectional tournament at Findlay last weekend.

The tournament was to begin at 10 o'clock this morning, at Jermain Park in Toledo.

"It's going to be very difficult," Ross Coach Pete Michaels said. "We're going to have some of the best teams in Northwest Ohio there.

"Only three (doubles) teams go to state, so we are just privileged to be there."

Because of a mix-up in Columbus, the tournament pairings were not available. Michaels said the pairings would be done this morning.

"We have to play well. We'll give it a good shot," Michaels said.

The Miesle-Young was second in the sectional while the Hull-White team was third.
