

Girls' Varsity Basketball

Daisy Duck is coming down the hall tired, and her feathers are wilted from playing a tough game against Gibsonburg (16-16). Her team neither won nor lost so it wasn't too bad an ending.

After each game the team served their opponents refreshments and this made Daisy happy because she could always eat something after playing a hard game.

Under the effective coaching of Miss Bliss and Miss Beck, the Girls Varsity had a good year winning six, losing two, and tying one.
