Whitmer, Rogers capture Blade poll crowns

Archbold, McComb also top division rankings

By STEVE JUNGA
BLADE SPORTS WRITER

Four new champions have been crowned in the final Blade boys basketball poll for the 2010-11 season, including two City League teams that garnered divisional titles.

With its 51-48 triumph over preseason league favorite St. John's Jesuit (18-2) in last Thursday's City championship game, Whitmer (19-1) climbed over the previously top-ranked Titans to claim the Division I Blade poll trophy.

That win enabled 20th-year coach Bruce Smith's Panthers, who were ranked 10th in the final Associated Press Ohio D-I poll, to avenge its only loss of the season, a 41-34 setback to St. John's on Feb. 8. The Titans were ranked No. 4 in the final D-I state poll.

Whitmer's City title was its first. The Panthers' last championship came in 1997-98 in the Great Lakes League.

Next year Whitmer, St. John's and No. 3 Central Catholic will play in the new Three Rivers Conference, along with No. 5 Findlay.

In Division II, Rogers (11-5), which missed qualifying for the CL playoffs, took the top spot in their first season playing below D-I. The Rams, guided by coach Earl Morris, beat out Maumee for the poll title.

There was little late-season drama in determining the champions in Divisions III or IV, as Archbold (19-1) and McComb (20-0), respectively, led from wire to wire in cruising to those No. 1 spots.

Veteran coach Doug Krauss guided Archbold to a Northwest Ohio Athletic League championship, and to a No. 4 ranking in the final D-III state poll. The Blue Streaks claimed their Blade title ahead of Elmwood (14-5), the final Suburban Lakes League boys basketball champion. The SLL will disband after this school year.

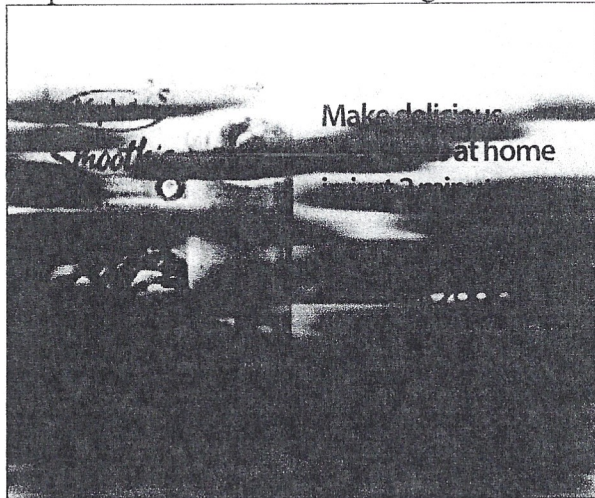

McComb, the only unbeaten team in the Blade poll, broke the Blanchard Valley Conference championship stranglehold of perennial power Liberty-Benton. Coach Aaron Roth's Panthers were also ranked No. 3 in the Division IV state poll. Their closest Blade poll rival was Toledo Area Athletic Conference champion Ottawa Hills (18-2), which won the 2010 Blade D-IV trophy en route to reaching the state semifinals for the first time.

Ottawa Hills was the only one of last season's Blade poll champions to even be ranked among the top five this season. The other 2010 Blade champs were Perrysburg (D-I), state-runner-up Port Clinton (D-II), and Liberty-Benton (D-III).

What is F.I.S.T.?

Hopefully, you will get many questions from the back of your t-shirt and this letter will help you explain from a basketball perspective on what F.I.S.T. means to Fremont Ross Basketball. F.I.S.T has two different analogies that we will use. The first is what each letter stands for in our program.

F = Family – A group of similar or related things
I = Integrity – Completeness, honesty, or sincerity
S = Sacrifice – a giving up of one thing for the sake of another
T = Teamwork – A joint action by a group of people

As coaches and players, we need to believe in the importance of these definitions. If we dedicate ourselves to work hard, play strong together, and believe in our team goals, many positive things can happen for each member of the team as well as the group.

Another analogy comes from the highly successful and respected Men's Basketball coach at Duke University, Mike Krzyzewski. In his book called *Five-Point Play* written about his 2001 NCAA National Championship season, Coach Krzyzewski refers to the team as a fist. Imagine an open hand with the five fingertips extended representing the five players on a basketball court. Individually, each finger can perform certain tasks. Each can poke, point, or scratch. However, nothing can be done together unless we bring the fingertips together to work as one. Now many more tasks can be accomplished. In terms of pure strength, bringing the fingertips tightly together forms a fist that is much more powerful collectively than an open hand. If we as teammates, coaches, educators, administrators, friends, and parents can stay tightly grouped together like a fist, and focus on the positive things that we together can accomplish, we will always have a greater chance at success, than operating as individual fingertips spread far apart.

I hope you enjoy the analogies and t-shirt and are looking forward to a positive and rewarding opportunity of working together.

Sincerely,

Coach Gedeon

Wins vs. Losses

Shooting

In wins, we shot 52% from 2 point range as oppose to 42% in losses
In wins, we shot 34% from 3 point range as oppose to 24% in losses
In wins, we shot 64% from the free throw line as oppose to 56% in losses
In losses, our opponents shot 51% from 2 as oppose to 45% in our wins
In losses, our opponents shot 34% from 3 as oppose to 22% in our wins
In losses, our opponents shot 57% from the line as oppose to 53% in our wins

Rebounding

In wins, we outrebounded our opponents by 3.4 rebounds per game
In losses, we were outrebounded by 5.7 rebounds per game
In our wins, we were outscored by 1 point on the offensive glass
In our losses, we were outscored by 76 points on the offensive glass

Defense

In our wins, we gave up only 41.6 points per game
In our losses, we gave up 67 points per game

Passing – Value the Basketball

In our wins, we had 34 more assists than our opponents
In our losses, we had 43 less assists than our opponents
In our wins, we had 3 less turnovers than our opponents
In our losses, we had 48 more turnovers than our opponents

Basketball is a simple game. When you value the basketball, take good shots, play defense, and rebound the basketball, you have a very good chance at victory.

WHAT IT TAKES TO BE THE BEST

By Paul Hoover

A Passion for Basketball

A general overall love for the game
