**JEREMY VELLIQUETTE**, left, and Jeremy Framstad have overcome knee injuries to make another run at a berth in the state cross-country meet.

## Velliquette, Framstad still running despite injuries

By ALEXIUS TOMASZEWSKI  
Staff writer

They share first names.

Their injuries are similar.  
Their goal is absolute.

Fremont Ross's Jeremy Framstad and St. Joseph Central Catholic's Jeremy Velliquette stand out in the field of area cross country runners, not only because of their times on the course but also the time they've spent getting back on course.

The duo has battled back after injuries for a return trip to Saturday's regional cross-country meet at Hedges-Boyer Park in Tiffin.

Both suffered injuries to a crucial part of a runner's body — the knee.

But Framstad and Velliquette have endured and continue to press on toward their goal of returning to state.

Framstad finished third at last Saturday's Division I district meet with a time of 16 minutes, 51 seconds, at Pearson Park in Oregon. Velliquette (17:59) turned in a 12th-place finish at the Division I district at Terra Community College. He was one of five Crimson Streaks to qualify for regional. St. Joe won the district team crown.

Framstad runs at 2:50 p.m., while Velliquette and his SJCC team race at 1:20 p.m. The top 15 individual runners, and the top

five teams in Division III, advance to the state meet on Nov. 3. at Scioto Downs in Columbus.

Making it to the state level has been the goal for Velliquette and Framstad since the season started, but their injuries have become an additional motivating factor.

Framstad, a senior, tore a tissue band in his right knee at the Great Lakes League track-and-field meet last spring. It delayed his training, making it tougher to catch up to his peers.

"I was out for three months," he said. "It was hard coming back during the season because I didn't have the 40-50-60 mile base like I normally do in the summer. I was just starting working on endurance while everyone else was working on speed."

Velliquette, a junior, suffered a different kind of injury during the Tiffin Carnival on Sept. 8. He simply was in the wrong place at the wrong time.

"It was kind of an accident. We were running along and some junior high kids were playing football. One kid wasn't looking where he was going and just nailed me," he said. "They (the doctors) said it was a really deep bruise."

Like Framstad, Velliquette had a long hiatus, hurting his endurance.

## St. Joe taking nothing for granted at regional

News-Messenger reports

The St. Joseph Central Catholic boys cross-country team dominated the field en route to the Division III district title Saturday.

SJCC is pushing for a return trip to the state meet, but it can't overlook the Division III regional at Hedges-Boyer Park in Tiffin. SJCC hits the course at 1:20 p.m. Saturday.

"I'm just hoping they can maintain the same direction they have now," Crimson Streak head coach Jamie Gilbert said. "We're trying to not be overconfident right now. We're focusing on one meet at a time. Anything can happen."

Dan Chudzinski paced the Crimson Streaks with a fourth-place time of 16 min-

utes, 58 seconds, at district, while Brad Harman (17:24) finished sixth. Jeremy Velliquette and Adam Miller finished 12th and 13th, respectively. Billy Pietrykowski finished 16th.

Lakota surprised the district field by taking the top spot behind freshman Kyle Dussell (17:35). The Raiders put together a solid effort in the victory. Seniors Andy Buriek and Matt Gruber placed well for the Raiders last week.
