# O'Connor leads Ross into battle

News-Messenger/Jeremy Wadsworth

**MOLLY O'CONNOR**, shown practicing Wednesday afternoon, is back after qualifying for state in two events her junior year.

## Giants' swimmers face several tests this season

By **JEFF KRAUS**  
For The News-Messenger

Fremont Ross's swim team has several tough battles planned, but the Little Giants believe they have the ammunition to put up a fight.

Molly O'Connor, who holds seven school records, is back to lead a school which faces a monster schedule for both boys and girls meets.

The girls swim against Northview, Oak Harbor and Upper Arlington, while the boys also face Upper Arlington, Northview, Sandusky and Perkins.

"Upper Arlington usually has four or five all-Americans on their team every year," Ross coach Phil Moran said. "They're a dominant program. We're going down there, and I

expect it to be a real test. Northview is a perennial power. I expect our girls to do better this year against them than we did last year. And Oak Harbor is loaded with athletes."

But Moran has in O'Connor his own All-American. She took fifth in state in the 100-meter freestyle and ninth in the 50 freestyle.

Also back are Kristyn Warner in the breast stroke and juniors Jenny Schaaf and Nicole Farrell along with sophomore Courtney Abbott.

Returning for the boys team are juniors Pryde Yost, Brett Spicer, Jon Oliver, sophomore Josh Fate and senior captain Justin Hasselbach.

"(Hasselbach) is a kid who started swimming in eighth grade and has gradually gotten faster," Moran said. "He could be a factor in our relays which could go to state. The kids named him captain and his maturity level has been felt."

The boys team graduated six swimmers who went to state last year. Moran described last year's seniors as a "big, physical group of

kids."

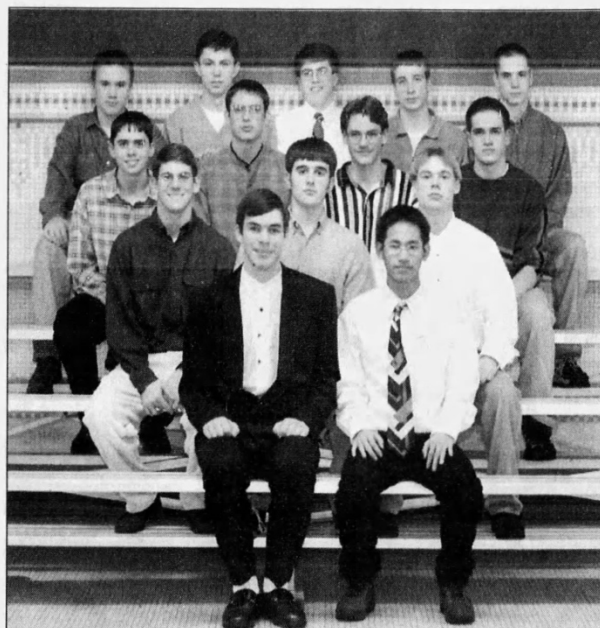

While this year's team may not be as physically strong, Moran hopes the tough schedule will enable several boys swimmers to make it to state.

Both swim programs have made positive strides in the two seasons Moran has been at the helm.

Last year, Ross finished with a 7-2 record in boys competition and a 3-6 record in girls action. Overall, Moran has a career mark of 21-14 as the boys coach and 20-15 for the girls.

The girls program is coming off a 1996-97 season in which it finished 29th in state competition, the highest ever finish for the school. The boys had state qualifiers for the first time in 10 years.

# O'Connor tops record at CSU

CLEVELAND — Molly O'Connor of Fremont Ross broke one of her own records Sunday at the Cleveland State University swim meet.

In the 100 freestyle, O'Conner took second with a time of 54.43.

"This meet is a good indicator of how things are going to go," at the state meet, Ross coach Phil Moran said. "This meet is what we will see at state."

# O'Connor tops butterfly mark

News-Messenger reports

Molly O'Connor's butterfly times are among the best in the state, but she probably won't get the chance to prove it.

O'Connor swam the 100-meter butterfly in 1:00.54 in Saturday's 52-42 win against Massillon Perry at Fremont Middle School. The time broke O'Connor's own school record by a full second and puts her among the top 15 times in Ohio. But O'Connor's times in the freestyle events are even better, and she can only compete in two individual events

## SWIMMING

at February's state meet.

"It's not an event we train her for," Ross coach Phil Moran said of O'Connor's butterfly. "She's such an all-around swimmer."

Several Ross swimmers had good days Saturday as the boys beat Perry 55-39 to complete the sweep.

"The fact that for all the work in the pool, the kids are still getting faster. Some of them can't believe it," Moran said. "I told

them they should be getting faster, because they're in better shape. They've really stepped it up a notch in the next month."

For the Ross girls, the win represented its second win in eight dual meets.

"The girls are really getting tired of losing," Moran said. "They have swam such a tough schedule."

Nicole Farrell, Jenny Schaaf, Beth Hoelzle, Courtney Abbott, Abby Cominsky, Noelle Stroempl and O'Connor all turned in personal best times Saturday.

The Ross boys improved to 5-3, and Josh Fate broke 2:10 in the 200 individual medley with a 2:09.5.

"Josh Fate had a great meet," Moran said.

Buck Young, J.J. Glaspy, Josh Tooman, Dan Schrickel and Brent Tooman also recorded their fastest times against Perry.

Ross travels to Sandusky Tuesday and Napoleon Saturday before returning home for a meet with Huron Jan. 20.

## Increased training workload pays off for swimmers

It was a good night all around for the Fremont Ross boys and girls swim teams Tuesday against Huron.

The Little Giants boys were victorious 57-36 and the girls defeated Huron 58-38.

"I felt things went really well this time. We've had an increased training workload," Ross coach Phil Moran said. "Today, we still had people swim their best time. Mainly, it's because of improved technique."

Several Little Giants set personal bests in the boys meet.

Dan Schrickle took first place and dropped seven seconds in the 200-yard freestyle, with a time of 2 minutes, 6.2 seconds. Josh Tooman dropped his time to 2:41.64 in the 200 individual medley and finished third.

Teammate Josh Fate finished first in the IM in 2:10.79. In the butterfly, Jon Oliver finished first in 57.72. In the 100 freestyle, Schrickle won in 55.52 while Buck Young came in first in the 100 backstroke in 1:02.8.

The breaststroke featured two Ross

swimmers establishing personal bests. Justin Hasselback finished second (1:12.84) and Seth Geib finished right behind him (1:18.75).

The girls also kept the statisticians busy, as several Ross swimmers had personal bests.

In the IM, Beth Hoelzle finished first in 2:41.64 and Meg Nalley sported a time of 2:49.18. In the butterfly, Jenny Schaaf won in 1:13.55 and Nalley came in third (1:18.87).

Courtney Abbott finished second in the 100 freestyle, in 1:02.64, and the 500 freestyle saw Nicole Farrell drop her time to 5:54.30 and finish first. Erin Weatherby improved her time to 7:14.70.

Also, in the backstroke, Molly O'Connor was first with a time of 1:03.28 and Kristen Sachs improved her time to 1:30.72.

"This was a good confidence builder. We've worked hard and still swam fast," Moran said. "Our young kids are improving and are showing good technique."

News-Messenger reports

PORT CLINTON — Ryan Newman and Andy Behrens won the diving competition and Josh Fate took six seconds off his 200-meter time Saturday as the Fremont Ross boys finished second in the Port Clinton Relays.

Oak Harbor won the girls meet and the Ross girls team — which won the 850 crescendo for the fourth straight year — finished fourth.

"For the most part the boys did a real good job," Ross coach Phil Moran said. "There were some personal best times turned in by a few kids."

Perkins won the boys competition, which included 12 teams.

In the boys 850 crescendo, a relay of 50, 100, 200 and 500 meters, Fate swam a 1:53 in the 200 leg. His previous best was 1:59.

Zac White, Dan Schrickel and Brett Spicer joined Fate on that relay, which placed second in 8:31.90.

The 200 backstroke relay team of Fate, Buck Young, Jon Oliver and Brett Spicer took second in 1:47.45.

The 200 medley relay team of Young, Justin Hasselbach, Yost and Schrickel was second in 1:50.67. Though other relays split up Ross's usual 200 medley team, this foursome turned in the team's second best time of the year.

Kyle Fisher, usually one of the team's top divers along with Newman, missed the meet to take a test. That opened the door for Behrens to excel.

Oak Harbor edged Mansfield Senior and Perkins for the girls title.

The Rockets 200 freestyle team of Kelly VanHorn, Lindsey Lange, Amy Tabbert and Amber Noggle won in 1:57.75 and the school's 200 backstroke relay of VanHorn, Tabbert, Andrea Lajti and Linda Leow was first in 1:55.21.

Ross's 850 win came as Nicole Farrell dropped three seconds from her 200 time and Molly O'Connor swam a lifetime best time in the 500.

The sectional tournament is Saturday at Oak Harbor.
