

1934 State meet...

TANK BOYS WILL MEET COLUMBUS

Having passed the qualifying tests at Sandusky last week, three local high school swimming stars are to leave Saturday morning for Columbus where they will represent Ross high in the State meet.

Giebel and Kaufman are to compete in the diving contests, while Sherlow is entered in the breast stroke event. The boys are to leave Fremont Saturday morning, the meet being scheduled to start at one o'clock. The trip is to be made by auto.

LOCAL SWIMMERS FAILED TO SCORE

Although they failed to score any points, three Ross High school swimmers who were entered in the state championships at Columbus last weekend made credible showings, N. B. Stults, swimming instructor, reported. Frank Giebel rated seventh in the fancy diving, and his team mate Norman Kaufman ranked eleventh. William Sherlow gained eighth position in the breast stroke event.
