

## 1978 Season Review..

### 'Rocky' start for Ross track

Ross's boys track team has not had it too soft this spring . . . at least not until the latest surge of warm weather.

"We have been working out at the fairgrounds," Ron Brant, now in his 18th year as coach of the Little Giants, said, "and we have been running on the roads over there. The track here (at Harmon Stadium) has been too soft."

The training at the fairgrounds has both helped and hurt Brant's squad. Numerous team members have been suffering from shin splints commonly caused from running on hard surfaces.

"We have had those (shin splints) and other nagging injuries," the Ross coach added.

One Ross cinderman, Mark Boedecker, fifth in the Buckeye Conference at two miles as a sophomore two seasons ago, has not run for two weeks because of the lingering shin injury.

The distance races could be a problem for Brant's charges.

"The kids weren't able to run much this winter because of the weather," he pointed out.

One pleasant surprise developing for the Little Giants is the continuing emergence of sophomore Mike Martin who has set the team's best times this spring in the 880 and mile runs. Another sophomore, Rob Zollar, has been performing well in the 880 and mile but Brant pointed out that he could run in the 880 right on up to the two mile "dash".

Sprints and hurdles plus a few field events figure to be Ross's strong areas.

Jeff Brown will be carrying the bulk of the sprint and hurdler load. The speedy senior turned in a 10.7 century dash on a soft track Wednesday and had a 24-plus clocking in the 220 on the same conditions.

"His ticket to the state meet," Brant said while forecasting Brown's spring future, "could be in the 300-meter hurdles."

The 300-meter event takes the place of the 180-yard low hurdles this season.

In the weight departments, Mike Cozette and Troy Amor should be the leaders in the discus and shot put, respectively. Cozette, also a sprinter, has been consistently throwing the platter in the 130-plus foot range this spring. Amor has been going over 50 feet with the iron ball.

Bill Darling, also a discus thrower and shot putter, can also run in the sprints.

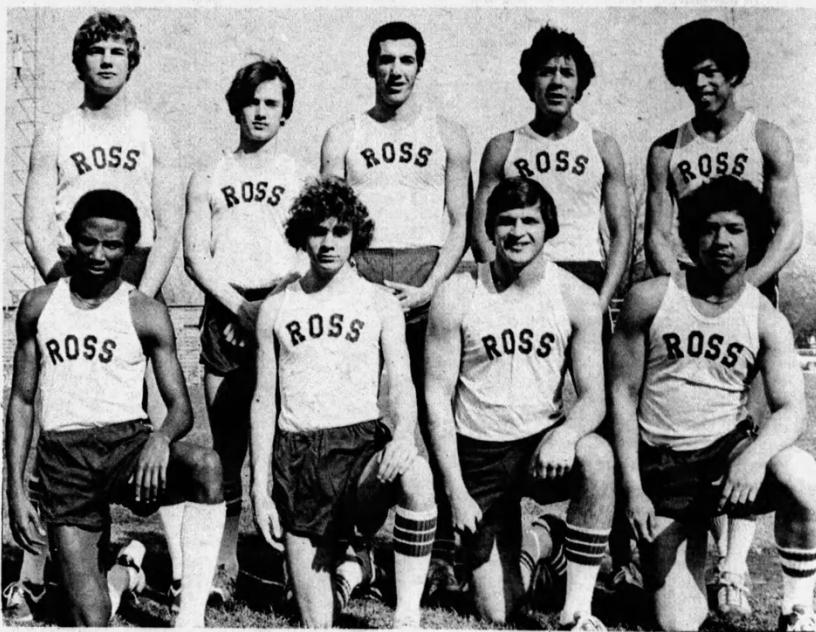

"We should also be strong in the long jump," Brant said.

He is not just talking in that remark.

Brown has soared 21-8 while sophomore Larry Lindsey hit 20-8 as a freshman. Willie Gentry, another sophomore, has been close to 20 feet during practice.

"I feel that we will be strong in the 880 and mile relays," Brant continued, "but we are very questionable in the high jump and pole vault."

The Little Giants are slated to open the season by hosting Tiffin Columbian Tuesday at Harmon Stadium.

### Greensboro Open

### Armstrong, Molina tied for lead

GREENSBORO, N.C. (AP) — Wally Armstrong, often a challenger but never a winner, posted a 2-under-par 70 and moved into a tie for the second-round lead Friday with Argentine Florentino Molina in the \$240,000 Greater Greensboro Open Golf Tournament.

"I've been in the lead, or tied for the lead, probably 15 times in the last 5 years," Armstrong said after recording his 137 total, 7 under par for two trips over the hilly, 6,984-yard Forest Oaks Country Club course.

"I've led the first round and the second round and the third round — everything but when it was over,"

Armstrong said.

Molina, a 39-year-old who has won some 40 tournaments in his native Argentina but has yet to take a title in the United States, shot a 71 in the bright, warm sunshine.

"Too commercial," he said in broken English. "All my second shots too commercial. Just hit green, no go for flag."

He missed only two greens and bogeyed only once, his 18th, which prevented him from retaining sole control of the top spot in the chase for a \$48,000 first prize, more than he has won in his 4-year American tour career.

Molina and Armstrong shared a

single-shot lead over 21-year-old rookie Jack Renner, whose 66 ranked as the best round of the day. He was at 138.

Peter Jacobsen, who had a 69, was another stroke back at 139.

The group at 140, 3 strokes off the pace, consisted of John Mahaffey, Dave Eichelberger, Alan Tapie and Australian Bob Shearer. Tapie shot a 68, Mahaffey 69 and Shearer and Eichelberger had 71s.

Lanny Wadkins, the PGA champion and easily the top attraction in a relatively weak field, managed a 72 and was in contention at 142. Defending title-holder Danny Edwards rallied for a 69-145.

## Ross girls open season Tuesday

"Young and inexperienced" are the first words that Ross girls track Coach Jolyn Smith used to describe this year's team.

Despite having a dozen letterwomen back, Smith has only four seniors on the squad. The Ross girls are set to open the season Tuesday afternoon at Tiffin in a meet with the Columbia girls.

Mary Hasselbach and Lisa McGilton, co-captains of the team plus Dorothy Clark and Lisa Lash are the only seniors on this spring's team. Hasselbach and McGilton have lettered twice while Clark and Lash are single letter owners.

"Although we are young and inexperienced," Smith said, "the team does have a good attitude and all of them have been working hard in practice."

Smith added that she could not say how she expected the season to go but would have to assume a "wait and see" attitude.

"Our strength, basically, is going to have to come from our young kids (mainly the sophomores)," Smith said. "If you want to call it a strength, it is the attitude of the team."

Besides the four senior letter winners, eight juniors complete the "veteran" group. Jackie Balsizer, Penny Broshious, Donna Hetrick, Lori Lawrence, Shirley Long, Jackie Mullen, Kim Saam, and Marsha Seele make the junior contingent.

After opening at Tiffin Tuesday, the Ross girls will be back in Tiffin on Saturday to take part in the Tiffin Relays.

# Jeff Brown is first in Buckeye Classic

BOWLING GREEN — Jeff Brown won the 300-meter low hurdles in the Buckeye Track Classic Saturday on the all-weather track at Bowling Green State University.

Jeff Brown won the low hurdles event in the Midwest Meet of Champions at Fort Wayne over the weekend. Brown, who graduated from Fremont Ross this spring, ran a 37.1 to beat a field of 10 runners from Indiana, Ohio, Michigan and Illinois.
