# Little Giants off to great start in new pool

By ANDY HOGAN

News-Messenger correspondent

The new swim facility at Fremont Ross was dedicated at the season's first meet against long-time rival Sandusky on Tuesday, with a formal ceremony and a new school record.

The meet was the 119th meeting between the Little Giants and Sandusky, stretching back to 1933.

The Ross boys won 107-76 on Tuesday while the girls won 106-70. The Little Giants captured 18 of 24 events overall as the boys took 10 and the girls eight.

Jacque Fate, Jessica Ickes, Chris Beier, Josh Bowen and Fahrbach won two events each. Tom Holman took the boys 500 yard freestyle and Brian Hoelze the 50 yard freestyle.

Brittany Stout won the girls diving competition, Caley Miller the 100 yard butterfly and Staci Zimmerman the 100 yard breaststroke.

"This was a good opening meet," said Ross coach Phil Moran. "We saw a number of personal best times by our swimmers. They have been working hard and with the new pool we

are better equipped to realize their full potential."

Betty Welton, class of 1934, George Hirschberger, state champ in 1951, 52 and 53, long-time record holder Mike Mowry, Donna Fate, one of Fremont's first female letter winners, coaches, officials and team captains officiated as a ceremonial bottle of water from the old junior high pool was poured into the new pool.

Over the years Fremont swimmers have won seven state championships, five runner-up finishes, set three national records, and at

least 20 state records, dating back to the 1930s and 1950s.

The first meet in the new pool was dedicated to the memory of Earl Christy, who passed away Tuesday morning. Christy was the 1939 State Diving Champion, and a two-time All American.

In August, Christy dedicated the diving well by doing two dives on his 85th birthday.

"When we learned Mr. Christy passed away, we decided to dedicate the meet to him," said Little Giants team captain Andre Velez. "To think he could do those dives

at age 85 is amazing."

The new record board was also dedicated to the memory of Wilma Hetrick, a long-time swim parent and booster. Ross junior Lincoln Fahrbach's time of 53.97 in the 100 yard backstroke will be the first new school record recorded on it.

The old record of 55.80 was set by Ross assistant coach Josh Fate in 1998. Athletic Director Art Buccini presented closing remarks and thanked the Fremont Area Foundation for all their hard work in bringing the new pool to fruition.

# Ross boys tie Northview

News-Messenger reports

The Fremont Ross boys swim team remains undefeated following a 90-90 tie at home against Sylvania Northview on Tuesday. Sylvania finished 2, 3, 4, and 5 in the final individual event, the 100 yard breaststroke, and finished first in the final freestyle relay to close the gap and get the tie.

Lincoln Fahrback won the 100 and 200 yard freestyle events, beating his best time of 1:46:86, set at the 2006 District Meet, by just over a second. Chris Beier swam a 5:13:31 in the 500 yard freestyle for second, a drop of just over eleven seconds for his personal best. Other first place finishers with personal best times included Kyle Wasserman in the 100 yard butterfly 1:00:43 and Erick White in the 100 yard backstroke 1:06:28. Josh Bowen won the 100 yard breaststroke in 1:10:45. White, Bowen, Wasserman and Brian Hoelzle won the 200 yard medley relay. In all the boys turned in a total of 19 personal best times.

Sylvania Northview girls defeated the Lady Giants, 115-70, despite 13 personal best times turned in by the Fremont swimmers. Jessica Ickes won the 200 yard freestyle with a personal best of 2:03:17, and Jacque Fate took both the 100 yard freestyle in 55:69, and the 200 yard individual medley in 2:22:92, shaving nearly 8 seconds off her 2006 IM District time. Divers Brittany Stout and Emma Ellenberger finished second and third. Ickes, Fate, Caley Miller and Amy Kim won the 200 yard freestyle relay.

"With swimmers going faster than

last year's district times this early in the season, I'd say we have a lot to look forward to," said Head Coach Phil Moran.

## Girls basketball

The Lakota girls basketball team played close with Liberty-Benton for three quarters.

But the first quarter cost them.

The Eagles outscored the Raiders 14-3 in the first period en route to a 40-27 out-of-conference win.

Cami Wasserman led the Raiders (0-3) with seven points, while Alison Park had six. Park also led the team with seven rebounds.

Erica Williman led all scorers with 14 points for Liberty-Benton (2-1). Lakota shot just 20 percent from the floor.

## Oak Harbor-Perkins

The Rockets hung with Sandusky Bay Conference rival Perkins into the fourth quarter, but the Pirates pulled away for a 53-33 win.

Oak Harbor was only trailing by five going into the fourth quarter, 31-26, but the Pirates, led by Cierra Bravard's eight fourth-quarter points, went on a 22-7 run for the win. Bravard, the SBC player of the year, finished with 26 to lead all scorers.

"Our girls really did a great job of going at Perkins," said Rockets coach Dick Heller. "We just could not stop the inside game in the fourth quarter."

Marisa Bergman led Oak Harbor with seven points.

# Fahrbach achieves a Giant first

News-Messenger reports

Fremont Ross swimmer Lincoln Fahrbach took the school's first ever, first place boys finish at the Ned Reeb Memorial Invitational on Saturday at Ohio State University against 64 of the state's top teams. Eight Little Giant boys and seven girls met the qualifying standards to swim the meet.

Fahrbach won the 100 yard freestyle in 1:45.50, finished sixth in the 100 yard backstroke at 55:58 and swam a 50 yard split time of 21.11 (the meet's fastest) in the boys 200 free relay. Fahrbach, Chris Beier, Josh Bowen and Andre Velez were eighth in the event.

The same relay group finished 10th in the 400 free, and the boys team was 10th overall.

The Little Giants' Jessica Ickes swam a season best time of 1:01.60 in the 100 butterfly for sixth place, and finished 11th in the 100 free. Jacque Fate took sixth in the 50 free.

# Fahrbach sets Ross record

By ANDY HOGAN

News-Messenger correspondent

Ross junior swimmer Lincoln Fahrbach set his sixth school record Tuesday when he broke a 24-year-old mark in the 500-meter freestyle during a dual meet with Port Clinton.

It was certainly news to him to break the record this year — let alone in midseason.

"I really expected to save that one for my senior year," he said.

The Ross boys blew the Redskins out of the water, winning 128-57. The girls got a non-conference win as well, beating Port Clinton 96-89.

Fahrbach took eight sec-

onds off his personal best time to beat Chris Black's 1982 record of 4:52.20.

Fahrbach's other records include the 50 and 100 free, 100 butterfly, 100 backstroke, and he helped set the 200 free relay record last year. Black still holds the individual medley record of 1:56.93 and his 400 free relay team record remains unbeaten.

"On my last breath I saw 4:40 on the board," said Fahrbach after the meet, "so I gave everything I had to get in there. I took it out slow, hoping I 'd have enough for the end."

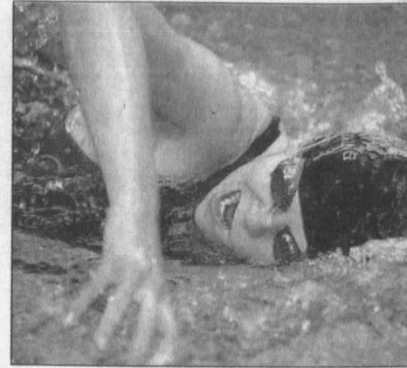

That leaves just three personal events that Fahrbach doesn't own —

the IM, the 100 breaststroke and the 200 free, the last of which he says he hopes to break yet this year.

Ross' Kyle Wasserman beat Port Clinton's Adam Hehr, 2:03.26 to 2:05.26 in the 200 free. The Little Giants' Tom Hohman, Brian Hoelzle and Michael Yuhas went 1-2-3 in the 200 individual medley; Jordan Beck, Adam Widman and DJ Tucker 1-2-3 in the 50 free; and Erick White, Hoelzle and Hohman the same in the 100 backstroke. Ethan Ackerman (F) scored 164.90 points in a 1st in diving. Josh Bowen (F) and Wasserman went 1-2 in the 100 butterfly. Port Clinton's Justin Que won the 100 free,

and PC's Adam Hehr, Paul Schellin and Dan Stewart went 1-2-3 in the 100 breaststroke. Fremont won all three relays.

The Lady Giants took 9 of their 12 events against Port Clinton, with key first place wins by Amy Kim in the 50 free (28.79) over the Redskins' Margaret Lillie (29.89). Fremont's Jordyn Gallagher outscored Molly Garber in diving, 129.55 points to 121.90. Caley Miller of Ross took the 500 free over Brooke Overberg, 5:53.41 to 6:02.48. Jacques Fate went 1:08.41 to win the 100 backstroke over Julia Schneider, and Jessica Ickes won the 100 breaststroke with a 1:14.84, and the Fre-

"A lot of the younger swimmers have stepped up

and are swimming personal best times," said coach Phil Moran. "I think I'll be saying that a lot this year."

# Ross boys fifth, girls seventh at Knight

By ANDY HOGAN

News-Messenger correspondent

Fremont boys walked away exhausted and 5th, the girls 7th in a grueling day of preliminaries and finals against 24 teams, Saturday at the St. Francis Knight Invitational in Toledo. The St. Joseph Central Catholic boys took 12th.

"The kids are putting a lot of time into training right now," said Coach Phil Moran. "Keeping their energy level up over that long a day, when there's no where for them to rest, means they're running on empty by the end of the meet. I was happy to come away with as many top finishes as we had."

Among those at the top was junior Jessica Ickes, who touched in at 2:00.59 in the 200-yard freestyle. She looked around, checked the clock, waited, and waited some more. It would be a full seven seconds before the 2nd place swimmer finished out. Teammate Staci Zimmerman was 15th. In a meet that included the likes of Sylvania Northview, Findlay, St. Ursula, and Perrysburg, to win by that much was just more proof that two-a-day practices and

hours in the pool are paying off. Ickes was also 3rd in the 100-yard backstroke.

Teammate Jacque Fate took home a pair of seconds; one in the 100-yard freestyle at 55:38, and the other in the 50-yard free, with a time of 25.33. Fremont's Caley Miller was 11th in the event at 27.56.

Ickes, Zimmerman, Miller and Fate were 4th in both the girl's 200 and 400-yard freestyle relays.

Lincoln Fahrback won the 100-yard freestyle at 47.51, and was 2nd in the 200 yard individual medley, swimming a personal best time of 2:02.47. Fremont

St. Joe's Nick Swint was 8th in the event, and Ross' Andre Velez took 14th. Swint was also 6th in the 100-yard backstroke. Four Little Giants made it to the finals in the 100-yard butterfly, including Kyle Wasserman at 5th in 59.39, his first time swimming the event in under a minute. Tom Hohman was 9th, Velez 11th, and Josh Bowen 15th. Bowen was 8th in the 100-yard breaststroke, Chris Beier 8th in the 50 and 200-yard free. First-year diver Ethan Ackerman took 5th.

Beier, Bowen, Fahrback and Velez were 3rd in the boy's 400-yard free relay, and 4th in the 200-free relay.

Fremont swims again on Tuesday at home against Sandusky Perkins.

# Ross Divers key in win over Perkins

By ANDY HOGAN

News-Messenger, correspondent

After years of lose close meets for lack of divers, Fremont Ross boys put a win on the board, 97-86, against Sandusky Perkins on Tuesday, thanks to the 14 points from divers Ethan Ackerman, Craig Paulson and Duncan Moor.

"Thanks to the new facility, we're finally a complete team," said coach Phil Moran. "This could have been a heartbreaker without them. Take away the divers, and we lose by 3."

The Little Giants' former home at the middle school could not support diving, due to the small pool and low ceiling, but the new natatorium at the high school enables Ross to field

divers — and earn more points.

A few changes to the lineup also helped the Little Giants gain some ground. Moran loaded up the boys medley relay and 200-yard freestyle relay with upperclassmen.

Lincoln Fahrback, Josh Bowen, Andre Velez, and Chris Beier, won the medley in 1:47.15, and Fahrback, Bowen, Velez, and Adam Widman took the 200 in 1:35.23. DJ Tucker, Brad Osborne, Dexter Foos and Jordan Beck were 3rd in the 200 for Fremont.

"With Fahrback was out of the 400-yard free relay, and sophomores Widman and Kyle Wasserman had to step it up," Moran said.

"The relay was only a second off their best time, with-

out Lincoln, and got 2nd, so they all pretty much stepped it up."

Fahrback won his two individual events, the 200-yard free over Perkins' Mike Mulvin, 1:48.34 to 1:56.68, and the 100-yard free over Perkins' Jonathan Harris, 47.52 to 53.90. Mulvin took the 500-yard free, with Fremont's Beier 2nd, Erick White 3rd, and Tom Hohman 4th.

"There are a lot of important points in those 2nd, 3rd, and 4th place finishes," said Moran. "They won the 500, but we out-pointed them. That's how you win meets."

Beier won the 50-yard free, Widman was 3rd and Brian Hoelzle 4th, for another point grab. Fremont's Wasserman, Hohman and Velez went 2-4-5 in the 100-

yard butterfly.

Perkins gained back some ground late in the meet, with 1-2 finishes by Jimmy Chapman and Chris Waldock in the 100-yard back, and Michael Carver and Zach Pfeil in the 100-yard breaststroke.

Despite a number of personal best swims, winning two of the three relays, and a new pool record, the Lady Giants fell to Perkins, 102-81. Multiple top finishes late in the meet pushed Perkins ahead. They were 1-2 in the 100-yard back and 1-2-3 in the 100-yard breaststroke.

Jessica Ickes and Jacque Fate both won a pair of events each for Fremont. Ickes took the 200-yard free and the 100-yard butterfly. Fate got the 50-free with a new pool record of 25.20, and

the 100-yard free. Amy Kim was 3rd in the 100, and Hanna Morris 5th.

Ickes, Kim, Fate and Caley Miller won the 200-yard free relay, with Fremont's Carly Young, Brooke Ratcliff, Stephanie Walther and Alyssa Moyer 3rd.

In the come from behind win in the last event of the meet, Fate chased down Sandusky Perkins' Samantha Roll, who had a three-second lead on the last lap of the 400-yard free relay, to touch Roll out at the wall, 3:51.26 to 3:51.82.

"Lexington comes in here next," said Moran after the meet. "They have divers, and they're good. As good as we swam today, we have to do it better on Thursday."

# Ross changes strategy, wins meet

By KRISTI EGBERT

News-Messenger correspondent

Switching things around proved to be a successful strategy for the Fremont Ross swim team Wednesday, when it took on Lima Senior and Marion Harding in a Greater Buckeye Conference meet.

The boys defeated the Spartans 141-41 and the Presidents 137-41, and the girls won 136-47 and 145-37. The Little Giants took first in 20 out of 24 events.

Junior Lincoln Fahrbach won the 100 butterfly and tied his own

pool record in the 50 freestyle with a time of 21.80 seconds.

"I was really surprised," said Fahrbach, who also holds the school record in the event.

"I'm happy with how I swam and how the team swam. We're all working harder than we ever have before and I think all of us

did a lot better than we expected."

Sophomore Kyle Wasserman was another top performer for the boys. He won the 200 IM and helped out close friend and fellow sophomore Erick White while winning the 500 freestyle. It was Wasserman's first time competing in the event.

"White's been steady, but hasn't dropped a lot of time, so I tried to get him fired up by putting his best friend in the pool against him," Ross coach

Phil Moran said. "I knew Kyle could probably beat him or at least give him a heck of a run."

White dropped two seconds off of his personal best time.

"A friendly rivalry sometimes works," Moran said.

Juniors Jacque Fate and Jessica Ickes each took first in two individual events for the girls—Fate in the 100 backstroke and 50 freestyle, and Ickes in the 100 butterfly and 200 freestyle. They also were on the winning relay

teams in the 200 medley and 400 freestyle.

"We did our relays a little bit different," Moran said. "We kind of split them up to race each other, giving us some pretty close races."

In all three of the boys relays, the top two teams for Ross finished within four seconds of one another, and in the 200 medley relay the Little Giants placed first, second and third, within a range of 4.37 seconds. In the same event for the girls, Ross took first and second

place, with only a difference of .22 seconds between the teams.

The Little Giants accomplished all this on top of a three-hour practice the same morning.

"We did 10,000 yards this morning, so that was quite tiring," Fate said. "We did pretty good for how hard we've been working."

"If we can all go this fast working this hard," Fahrbach said, "when we step it down in yardage, we'll all go a lot faster."

# Fahrbach sets pool marks at Little Giant Invitational

St. Francis boys, Perkins girls win inaugural event

By ANDY HOGAN

News-Messenger correspondent

Fremont Ross junior Lincoln Fahrbach led the boys team to a fourth-place finish in the first Little Giant Invitational on Saturday, with impressive wins and new pool records of 21.71 in the 50-yard and 47.03 in the 100-yard freestyle events.

First place overall went to Toledo St. Francis with 612 points, second to Toledo St. John Jesuit with 417, and third to Sandusky Perkins at 408. Oak Harbor was 13th and Fremont St.

Joseph boys took 16th.

Fahrbach swam a consistent 21.7 seconds through morning preliminaries and evening finals in the 50-free and his leg of the 200-yard free relay, and clocked an amazing 46.36 in his leg of the 400-yard free relay.

"I swam a 46-something in the 100 at Districts last year, so to get that time in mid-season, during heavy training, and not tapered, is not bad," said Fahrbach, who was awarded the National Interscholastic Coaches Association Top Swimmer Award for the meet, based on his nationally rated time in the 100 free.

Jamie Akenberger of Bowling Green won the girl's top swimmer award. On the girls' side, Sandusky Perkins girls proved that team size is everything in a big invitational. They won the

FAHRBACH

meet without ever winning an event, getting one 2nd and one 3rd place finish. Individual events in the meet are pointed down to 20th, and Sandusky racked up 24 top 20 finishes, coming in 45 points ahead of Lima Shawnee, 392 to 347. Findlay was 3rd, Fremont Ross 10th and Oak Harbor 11th.

Quality points would have to go to the smaller Bowling Green girls team who won

three individual events, took three 2nd place finishes, and two 3rds. Likewise, Shawnee won two events and had better relay finishes than Perkins but didn't have the number of entries that the Pirates, the class of the Sandusky Bay Conference, had.

More than 550 swimmers on 20 girls and 21 boys teams set a total of 15 records at the new pool at Fremont Ross, in a meet that kicked off on Friday with a near-perfect precision diving display by Millbury Lake's defending Division II state champion Britany TenEyck and teammate Krista Sanders, who finished 1-2. Brittany Stout was 15th overall.

Fremont advanced four swimmers from morning preliminaries to evening finals in Saturday's first boys' event, the 200-yard free; Chris Beier finished 10th in the championship round, while Andre Velez, Kyle Wasserman and Erick White were 17-18 and 20 in the consolation heat. Oak Harbor's Tom Tabbert was 17th in the 200-yard individual medley, and Fremont's Brad Osborne 20th.

In the 50-yard free, won by Fahrbach, Little Giants Adam Widman, Jordan Beck and Brian Hoelzle were 13-14-15 against 82 other swimmers. Wasserman finished 9th in the championship heat of the 100-yard butterfly, with Fremont St. Joseph senior Nick Swint taking 13th, and Little Giant Josh Bowen 16th. Swint also gave the Streaks their best finish of the day, taking 8th in the 100-yard backstroke.

Velez was 12th and Adam Widman 19th in the 100-yard free that Fahrbach won by a full second over Sylvania Southview's Mike Pelechaty. Beier took 7th and Erick White 16th in the 500-yard free; Oak Harbor's Lucas Bechtel finished 9th in the event. Bowen and Tabbert finished the 100-yard breaststroke 16-17, with 18th place going to Oak Harbor's Tabbert.

Beier, Fahrbach, Bowen and Velez were 3rd for Ross in the 200-yard free relay, and teammates Widman, Beck, Brian Hoelzle and DJ Tucker 10th; Oak Harbor's Tabbert, Bechtel, Evan Miller and PJ Cervantes came in 14th. Hoelzle, Bowen, Wasserman and Beck were 7th and White, Osborne, Tucker and Tom Hohman 13th for Ross in the boys 200-yard medley relay. Fremont boys finished the meet with 6th and 14th places in the 400-yard free relay.

With just a handful of swimmers on his boy's teams, St. Joe's coach Kevin Casey was pleased that his swimmers (Swint, Anton Kabisch, Marco Mangini,

Constantine Heckl, Alex Reineck and Chris Ronski) made it through prelims in the relays.

"We have two brand new swimmers on our team, so to make consolations in all three relays against the likes of St. John's and St. Francis was a great accomplishment for our boys," said Casey.

Jessica Ickes jumped from her third place seed to win the 100-yard butterfly in 1:01.44, and give Fremont it's only first place finish; she took 6th in the individual medley. Oak Harbor's Kaycee Hallett was 16th in the fly.

Sylvania Southview's LesLee Winfield snatched the 100-yard free by :01 over Fremont's Jacque Fate, finishing at 55.72 to Fate's 55.73. Olivia Porter gave Oak Harbor a 17th in the event. Fate was also 4th in the 200 free, with Oak Harbor's Katie Bechtel and Stephanie Greggila getting 7th and 9th. Porter was 9th in the 50 free and Fremont's Caley Miller 13th against a field of 108. Greggila was 8th in the 500 free, Bechtel 11th and Miller 13th.

Ickes, Miller, Fate and Amy Kim added 40 points to Fremont's total with a 3rd in the 200 free relay. Oak Harbor's Hallett, Greggila, Bechtel and Porter were 6th. Both Fremont and Oak Harbor lost ground in the team totals when they were unable to place anyone in the top 20 in both the 100 back or 100 breaststroke. Perkins piled it on in the same events, taking 4th in the back and 3rd, 4th, and 9th places in the breaststroke.

Fremont girls double scored in the final 400 free relay, with Ickes, Alyssa Moyer, Miller and Fate grabbing 6th, and Carly Young, Stephanie Walther, Hanna Morris and Kim getting 18th.

"Times in our invitational are comparable to those we saw at the Ned Reeb Invite down at Ohio State back in mid-December," said Ross coach Phil Moran, "and the best swimmers from every district compete in that one. Swimmers and coaches who check out our times on the state Web site are in for a big surprise. This is one fast pool, and this was one impressive meet."

## HIGH SCHOOL SWIMMING

# Ross swimmers remain undefeated

By ANDY HOGAN

News-Messenger correspondent

Thanks to computer technology, five teams were able to swim four dual meets simultaneously on Tuesday night at the Fremont Aquatic Center. The Little Giants added three wins to their undefeated boys season, beating Margaretta 81-26, Tiffin Calvert 86-14 and Tiffin Columbian 86-12. Fremont St. Joseph boys also won three, 56-43 over Margaretta, 57-43 over Calvert and 60-15 over Columbian. Margaretta beat Calvert 54-20 and Columbian 59-13. Finally, Calvert beat Columbian 18-13. Due to the variations in team sizes, each agreed to enter only two swimmers per event, and Ross did not score

against SJCC, as they had competed in a dual meet earlier in the season.

Ross took the opportunity to swim some of its younger, newer swimmers up, mix up the relays and rest some of the A team. Senior Chris Beier and Erick White went 1-2 in the 200-yard freestyle; the Streaks' Chris Ronski was 4th and Alex Reineck 6th. Beier also won the 100-yard free, with Ronski 4th, and Senior Eric Hottinger 7th. Senior Andre Velez was 3rd in the 50-yard free. Senior Matt Trautman of Margaretta 4th, and Senior Anton Kabisch 6th for St. Joe's. Little Giant Ethan Ackerman nosed out the Bear's Nyle Graffice for first place in diving, 166.95 points to 166.80; Kraig Paulson of Fre-

mont was 4th with 143.85.

Lincoln Fahrback beat his summer swim partner, SJCC senior Nick Swint, in the 100-yard butterfly; Margaretta's Andrew Shupp was 3rd, DJ Tucker 4th for Fremont, and senior Marco Mangini 5th for the Streaks. Swint won the 200-yard individual medley over Fremont's Kyle Wasserman. Tom Hohman and Mike Yuhas went 1-2 in the 500-yard free for Ross, Jerald Fitz was 4th for Margaretta, and Mangini 5th.

Margaretta's Andrew Shupp and Daniel Gearheart were 2nd and 6th in the 100-yard backstroke; Velez and Dexter Foos were 3rd and 4th for Ross, and Reineck 5th for St. Joe. Josh Bowen and Brad Osborne took 2nd and 3rd in the 100-yard breast-

stroke, with Kabisch getting 4th, and Margaretta's Jason McClellan 5th. Fremont's A relay was 1st and the B relay 2nd in both the 200-yard medley and 200-yard free relays. St. Joe took 3rd on both relays, and Margaretta 4th.

St. Joe and Margaretta boys were nearly tied going into the final 400-yard free relay. Fremont won the event, the Steaks took 2nd, and a false start disqualified Margaretta, giving St. Joe the dual win over the Bears.

In the girls' meet, first-place finishes in all three relays made all the difference in Margaretta's 59-55 win over the Lady Giants, and added up to bigger wins of 93-17 over the SJCC girls, 84-27 over Tiffin Calvert, and 83-28 against Tiffin

Columbian. The Lady Giants beat Calvert, 85-25 and Columbian 63-25. Margaretta, Calvert and Columbian all beat SJCC, and Columbian edged out Calvert 48-41.

Margaretta's Jessica Fitz and Kaitlyn Eckert were 2nd and 4th in the 200-yard freestyle; Ross's Jenn Serrick was 3rd. Lady Bears Mary Griffith and Lindsay Trautman were 2-4 in the 200-yard individual medley with Fremont's Alyssa Moyer grabbing 3rd.

Second and third in the 50-yard free went to Margaretta's Alissa Malott and Amanda Wahl, with Amy Kim 4th for Ross. Little Giant divers Brittany Stout and Jordyn Gallagher scored 155.15 and 148.80, respective-

ly, to beat Margaretta's Lauren Bolinger (118.60) and Mandy Dauch (115.25).

Lady Giants Julie Overmeyer and Brooke Ratcliff were 2-4 in the girl's 100-yard butterfly; Senior Sarah Stierwalt was 3rd for St. Joe. Malott and Morgan Craig were 2-3 for Margaretta in the 100-yard free, and Kim 4th. Jessica Fitz of Margaretta took 1st in the 500-yard free over Serrick and Overmeyer, and her teammate Griffith won the 100-yard backstroke over Fremont's Moyer and Katie Fisher. Senior Staci Zimmerman and Carly Young went 2-3 in the 100-yard breaststroke.

Fremont Ross faces Napoleon at Napoleon on Saturday in the final dual meet of the year.

# Ross boys are again unbeaten

By **ANDY HOGAN**

Undefeated in 27 dual meets. Two straight undefeated seasons. The best record in school history.

That's how Fremont Ross closed its season Saturday, with a 94-92 win over Napoleon in a meet that came down to the final relay event.

Even though the Little Giants swam a number of personal best times, the girls team still lost to state-ranked Napoleon, 111-75.

For the boys, it was tight the whole way despite winning seven of the 12 events.

"Napoleon was within four after the diving," Ross coach Phil Moran said. "The next few events we barely managed to stay ahead. Then, we got hammered in the 100 back (Napoleon finished first, second, fourth) and they went [first, second] to our 3-4-5 in the breaststroke, which put them four up."

"I saw the Napoleon coach go over to the scorer's table, so I knew he was switching his relays around. We knew we'd get first, so I figured he pulled his best swimmer back to his B relay, trying to get second and third.

Josh Fate, another coach, kept a close eye on the score, though, and told Moran his team had to finish first, second and third in the final relay to win.

"I thought about it long and hard," Moran said. "Our B relay is all sophomores, and they would really have to step it up to get third. I quietly asked Lincoln (Fahrbach) what he thought, and he told me he was sure the B guys could do it. Then I talked to all of them, and decided to let it ride."

No one on Ross' side was watching the A relay (Fahrbach, Chris Beier, Andre Velez, and Josh Bowen) in the final event. They won it by eight seconds.

As for the B relay (Jordan Beck, Erick White, Kyle Wasserman and Adam Widman), it swam so well it nearly beat Napoleon's A team. It lost by less than one second.

"We were pretty upset after losing to Napoleon in the Greater Buckeye Championships last weekend, so it was just a matter of figuring out what we were going to do," Moran said. "Having the sophomores swim personal best times made all the difference, and it says a lot about where we'll be next year."

Ross went first, second and third in the 200-yard medley relay, while Beier, Beck, Hoelzle and Josh Bowen were first in the 200-yard free relay.

Fahrbach and Beier each won

a pair of individual events, too. Fahrbach took the 200-yard free and the 500-yard free, as Beier finished second in the 50-yard free to win by a second.

Jordan Beck's third-place fin-

ish in the 100 free was just short of amazing, according to Moran.

"Beck let the Napoleon swimmer get ahead of him on the last 25, and he was an arm's length

# Little Giant girls tie for first in unorthodox meet

By ANDY HOGAN  
News-Messenger correspondent

The Fremont Ross girls tied Toledo Notre Dame Academy for first at the Ken Gipe Relays on Saturday.

Jessica Ickes had a personal-best performance in the 850-yard crescendo relay, and the Little Giants divers (Brittney Stout and Jordyn Gallagher) won their portion of the meet. The Oak Harbor girls were fifth and Margaretta sixth.

Toledo St. John Jesuit was first for the boys, Ross second, the Rockets eighth and the Polar Bears 10th.

The Ken Gipe Relays are unlike any other meet throughout the season, with an array of un-

orthodox events. Only at "The Gipe" will you see a 200-yard underwater freestyle relay, each swimmer going down and back, underwater.

You come up, you're disqualified. For all the cheering that goes on, the swimmers can't hear a thing.

"The Gipe's a little fun after a long season of training, and helps the swimmers relax going into sectionals," Ross coach Phil Moran said. "Not that they don't take it seriously. At The Gipe they swim against local kids they've known for a long time, so there's 'bragging rights' on the line. We had a couple personal best times, so we know they're out to win."

The meet opens with the loudest, biggest event of the day, the 850-yard crescendo. Four swimmers combine to swim a 50, 100, 200 and 500-yard freestyle relay.

The Oak Harbor girls (Jenna Dickman, Olivia Porter, and Katie Millinger) had a decent lead going into the final 500. The Little Giants (Kristyn Paulson, Staci Zimmerman, Caley Miller) were about eight seconds back when Ickes started her 500. By the final 75 yards it

was Oak Harbor, Notre Dame and Ross neck-and-neck.

Rafters were shaking and plaster was cracking. It was that loud. Oak Harbor's Stephanie Greggila had equipment problems with her goggles, and fell back, finishing third.

Ickes touched out Notre Dame, 9:13.12 to 9:13.37.

"Over 850 yards, to finish that close was amazing," Ickes said. "And we had to swim it without Jacques (Fate). I never thought we'd get first in the event, or the meet, without her. Everybody really stepped up."

Fate received a minor injury during warm-ups and sat the meet out, but was cleared for practice today.

MILLER

The Little Giants' Andre Velez, Josh Bowen, Chris Beier and Lincoln Fahrback matched the girls with a win in the boys crescendo, finishing eight seconds ahead of St. John's.

The Oak Harbor girls (Samantha Reynolds, Kaycee Hallett, Brielle Hanthorn and Andrea Behm) beat Margaretta (Erin Toms, Gray, Fitz and Mary Griffith) by three seconds for a win in the 400-yard free relay. Beier, Jordan Beck, Adam Widman and Kyle Wasserman were third for Ross in the boys 400.

Margaretta's Griffith, Morgan Craig, Alissa Malott and Lindsay Trautman took second in the 200-yard butterfly-breaststroke

relay. The Little Giants' Tom Hohman, Brian Hoeltzle, Kyle Wasserman and Brad Osborne were third in the event for the boys.

Miller, Ickes and Jenn Serrick went third in the 300-yard individual medley relay for the girls, six seconds ahead of Oak Harbor's Reynolds, Hanthorn and Katie Bechtel. The Ross boys took third in the medley.

Carly Young, Staci Zimmerman, Julie Overmyer and Amy Kim took third in the 200-yard medley.

Ross and Margaretta will swim in sectionals at Napoleon on Saturday while Oak Harbor hosts its meet.

# Fahrbach continues training for top spot

By KEVIN YANIK  
Sports Writer

Fremont Ross junior Lincoln Fahrbach spends his summer days in the pool like every other teenager.

But he's in there training, attacking the water four hours at a time and preparing for another high school swimming season.

This past season, Fahrbach shattered records, returned to the state swim championships and led the Little Giants to a second straight unbeaten regular season. So clearly, he's deserving of The News-Messenger's Male Swimmer of the Year honor.

"He's an amazing swimmer," Ross junior Jessica Ickes said. "It's just weird to think that I've been swimming with him for so long, and that he was that high up in the state this season."

Fahrbach actually raced in two individual events at states, placing second in the 50-yard freestyle and fourth in the 100-yard free.

In the 50, he finished 0.06 seconds behind champion Paul Miller of Sidney.

"I set out a lot of goals for myself this year, and I accomplished even more than I expected," Fahrbach said. "I had a lot of expectations for myself."

He still left a little to be had next season, though. Fahrbach, who finished last in his first individual event at states as a freshman, will aim for a first-time first-place finish next season in Canton.

FAHRBACH

Could that happen in the 50 or 100? Or, perhaps, another event?

"I've never really been one of those swimmers who sticks with one event meet after meet," Fahrbach said. "The great swimmers aren't just great at one event; they can do well at any event. That's what my coach (Phil Moran) wants for me."

During the regular season, Fahrbach took performance of the meet honors at the Little Giant Invitational against some of his district's fiercest competitors.

"All the top guys were there," he said. "I set a pool record in both of my events, and set my season-best times. That couldn't have gone better. That really gave me the confidence toward the end of the year."

# Fahrbach continues to improve

At sectionals, Fahrbach didn't race to his expectations. But he still advanced easily to districts, where he won the 50 free and dropped a whole second off his time.

"To drop a whole second is an amazing ac-

complishment, and a testament to how hard he trains," Moran said. "I had him under 10 seconds on two different 25-yard laps in warmups, so I thought we'd be seeing something come race time."

Fahrbach has improved several of his times since his sopho-

more season because of the new Olympic-sized pool at Ross, he said. It makes practices more roomy for him and his teammates.

"You really can do so much more now that we have so much more facility," Fahrbach said.
