

## 1926 Limited Season Review

The season for girls' basketball started Monday evening when Miss Chilson met with all the girl candidates for the varsity squad in the new gymnasium. There were many girls from all the classes, including the Freshmen and all of last years varsity team except Ione Wood, who is living in Lakewood. The girls were fortunate enough to have no members of the '24 team graduate with the class of that year. Over seventy-five girls reported Monday evening and Miss Chilson is greatly pleased with the enthusiasm shown. She stated Tuesday morning that although the members of last year's team knew good basketball she would not consider only last year's players in her selection of the new squad. There will be two teams with fifteen members on the squad that will be carried to every game.

# HIGH CAGERS TO GET THEIR FIRST LABORS TODAY

Basketball players of the high school faculty were billed to make an effort this afternoon to show the members of the high school team how the game should be played, when these teams line up in the gym in the first real session for either team.

Coach Ross announced this morning that the team will probably start with Bob Fangboner and Kenny Hawk playing guards, Zink at center, Althoff and Bowers at guards with H. Fangboner probably replacing one of them before the end of the contest.

Foos will probably not be started, owing to an injury to his nose. Summers, the Old Fort boy who has been working out in an effort to make the team, will be ineligible for play until after the start of the second semester.

The regular team will be made up of the players mentioned above and will be ready for play when the team lines up against Clyde high Friday evening of next week.

The girls' team of the high school will take the floor against St. Ann's girls this afternoon in a preliminary to the regular game.

# F. H. S. GIRLS SAVED THE DAY; DEFEAT GALION

## Miss Hirt Stars in Well-Played Game —Claims to Championship

For the first time this season Fremont high girls met a team Friday night in the Galion high girls, which proved to be a real contestant against the onslaughts of Grace Hirt and her teammates. The purple and white girls won their eights straight game but it was no easy task, the score being 31 to 21. At the half the visitors were trailing, with the count 21 to 12.

Miss Hirt who scored 23 of the points made by the Fremont girls, and Bowers and Miller were the stars for the local girls, but the work of Karlovetz, Beebe and Longanbach should not be forgotten, as they aided greatly in keeping the visitors from the basket.

The Galion team was delayed in reaching Fremont by the heavy snow which fell during the afternoon and evening and did not reach the school building until after 7 o'clock, the game as a result was late in being started and this in turn caused the start of the Oberlin game to be delayed until 9 o'clock.

The Galionites brought with them a little red-headed forward, Ramsdell by name, who knows her stuff, and

The people who follow the boxing pastime know that whenever Rendely or Ryan is on a card, they are certain to see plenty of action in one bout anyway.

Both Ryan and Rendely are stout punchers, lads who are liable to put an enemy away with one clout. The folks like to see them work for the

this little miss, together with Captain "Ted" Nichols and "Eddie" Riter, the boyish bobbed guard, were responsible for the good showing of the team against the Fremont crew.

Last night's game should just about prove the contention of the local girls that they are entitled to the championship of northwestern Ohio girls' teams as their showing against the Galion girls proved the strength of the local aggregation. The lineup and summaries:

Fremont 31		Galion 21	
Beebe .....	F. ....	Meeker	
Hirt .....	F. ....	Ramsdell	
Bowers .....	F. ....	Wise	
Karlovetz .....	C. ....	Nichols	
Miller .....	G. ....	Rider	
Longanbach ....	G. ....	Gutchall	

Field goals—Hirt 11, Beebe 2, Bowers 2, Meeker 1, Wise 1, Ramsdell 6.

Free throws—Hirt, Wise 5.

Referee—Collier of Fremont.

It is often difficult to start screws when the wood is very hard. If a nail a little smaller than the screw is driven in and then removed, it will leave a place where the screws can be more easily turned.

Stand on your own rights and you can't be told where to get off.

# NORWALK GIRLS CHECK ADVANCE OF FREMONTERS

Give Locals First Defeat of the  
Season in Whirlwind Con-  
test—Score 23 to 20

Norwalk 23, Fremont 20.

For the first time this season the Fremont high school girls' basketball team has felt the sting of defeat. They faced the Norwalk girls at the local gym last night in a game which was expected to be easy for the "Wonder Girls" of the purple and white, who had on an easy victory from the visitors on their home floor several weeks ago, and lost a close decision, 23 and 20.

Miss Edith Clark, coach of the Maple City team, had a girl named Reeder in the lineup, and she had been perfectly drilled in stopping the star of the Fremonters, Grace Hirt, and although the little blonde scored six baskets, she was stopped time after time by Miss Reeder, who followed her every move.

Schlecter and Leighton were the stars for the visitors, the former getting four baskets and the latter five, thus accounting for a total of 18 of the 23 points scored by their team.

While Miss Hirt scored 12 of the 20 points made by the Fremont girls, honors for the evening should go to Beebe, for her all around play and her scoring of the balance of the points.

Supporters of the Fremont team say that a bit of carelessness may have crept into the play of the team and they might have been a bit overconfident. Just the same, the outfit gave the visitors a run for their victory and now stand 50-50 on the season's results, each team having won a contest. There are many who will risk their spring bonnet on the Fremonters should the two outfits, Norwalk and Fremont meet in Bucyrus tournament.

The defeat may be a blessing in disguise for it will bring the snappiest team of co-eds that F. H. S. has boasted of in years, back to the grim realization that they must get down to business if they wish to run up another string of victories and cop the championship which is rightfully their own.

Fremont is proud of this great team's record and all Fremont will sit up and take notice when the tourney time draws nigh.

The score and summary of the Friday night defeat:

Norwalk 23	Fremont 20
Leighton . . . . . F. . . . .	Hirt
Homerick . . . . . F. . . . .	Beebe
Schlecter . . . . . C. . . . .	Bowers
Kromer . . . . . C. . . . .	Miller
Reeder . . . . . G. . . . .	Karlovetz
Laender . . . . . G. . . . .	Longanbach

Field goals: Leighton 4, Schlecter 4, Bennet 1, Hirt 6, Beebe 3.

Free throws: Homerick 2, Schlecter 3, Beebe 2.

Substitutes: Bennet for Homerick, Mossberger for Karlovetz.

Referee: Wetnight of Toledo.

Time of halves, 16 minutes.
