Little Giant Foos still chasing

FREMONT — There is still one burning question for Fremont Ross senior swimmer Dexter Foos: Can he ever catch Sandusky's Gus Everson?

Foos took second once again to Everson in the 50-yard freestyle and 100 free Saturday as the Little Giant boys took fourth at the Northwest Ohio Aquatic Conference Championships held inside the Ross High School Natatorium.

"I'm just speechless when it comes to describing Gus (Everson)," Foos said. "But theoretically it's still like the middle — to the beginning of the season, so nothing is really new."

Everson swam a new NWOAC record time of 21.58 in the 50 free and a time of 47.36 in the 100. Foos swam a 22.33 and 49.22 respectively.

"You can lose like that all season, but doesn't mean you're going to lose in the end," Ross coach Phil Moran said. "The guys took a beating in districts last year, but we're hoping we'll peak at the right time this time around."

Junior Alex Hoffman also earned a runner-up finish for the Little Giants, taking second (55.30) in the 100 butterfly to Chris Waldock of Sandusky Perkins new meet time of 51.54.

Ross totaled 231 points, beating out rival Sandusky (176) as the second-highest finisher among Greater Buckeye Conference squads, only behind Napoleon's third-place spot with a 370.5. Toledo St. John's Jesuit took the boys team title, beating out Perkins 507-374, and, with 27 points, Oak Harbor was 11th.

"We did a nice job," Moran said. "We had a lot of younger kids that set personal records today."

Foos, Hoffman, Luke Wilhelm and Keith Wasserman also took runner-up honors for Ross in the 200 and 400 free relays. Both times they lost to the Pirates' team of Waldock, Michael Mulvin, Michael Kessler and Kevin Bressler.

Oak Harbor's top swim came from Michael Cervantes (15th) in the 100 breaststroke. The boys' 200 medley relay team was 13th.

On the girls side, the Little Giants also earned fourth as the 200 medley relay and 200 free relay squads topped the results with a pair of third-place finishes.

"The girls swam well," Moran said. "This time of year where the kids get out of the pool and say they feel horrible, which is normal because this is the time of the season where you start resting for districts."
