

# Baron Guns For State Net Title

A senior who has already experienced glory and a freshman whose potential is considered exceptional are in Columbus today for participation in state high school athletic meets.

The senior, Jack Baron, is gunning for a tennis "grand slam." He's one of eight boys still in the running for the state singles tennis championship, teamed with Dick Garcia, now a Wooster freshman, to win the state doubles title.

Baron and Coach Jack Decker left for Columbus yesterday morning so Baron could work out on the Ohio State courts.

Baron won the district championship with hardly more than a light workout. He didn't lose a game in his semi-final and final matches.
