## PREP TRACK PREVIEW

### BOYS

#### ROSS

The Little Giants have more than enough distance runners, but although sophomore Jason Lather is a top sprinter, coach John Elder says sprinting depth will have to develop.

Sprinter Tyrone Price and hurdler Efrain Moreno graduated, but the biggest loss for the Little Giants is Tony Franks, who is now throwing the weights at Bowling Green State University.

"Our returning lettermen are strong," Elder said. "I expect them to do a lot."

Tim Leeth and Jeff Pasch are 400 and 800 specialists, while the distance corps includes Dane Snyder and sophomore Jeremiah Wagner.

Sean Sprouse is the top hurdler returning, and Brandon Willer is the main man in the shot put and discus with Franks gone. Nate Rhodes will support Lather in the long jump, with Melvin Rusch competing in the pole vault.

Top newcomers to the team include four freshmen as well as hurdler Jerry Catcher.

The freshmen are field event specialist Josh Claybaugh, middle-distance runner Kurt Snyder, pole vaulter and high jumper Shawn Tooman and sprinter Eric Miller.

"Last year we were Great Lakes League co-champs with Bedford (Mich.)," Elder said. "This year, it will be tougher. Our goal is to develop depth but also to take our individuals as far as they can go."

### GIRLS

#### ROSS

The Little Giants finished fifth in the Great Lakes League a year ago, and coach John Elder says he expects them to finish higher this year.

"We have good individuals to lead our team, and an excellent group of freshmen who will step in and help," he said.

"I'm very excited about our girls' chances. The freshmen work hard and our returning lettermen are very positive and serious about being successful."

Hurdler Michelle Jenkins, sprinter Shante Flores, distance runners Carey Gill and Grace Durnel, middle-distance runner Heather Mears and jumper Lisa Elder lead Ross.

Other letterwinners include Sara Williams in the middle-distance events, Tirzah Hale in the shot put and discus and distance runner Aqua Yost.

Joining Durnell, who moved in from California and led the Ross cross country team last fall, as newcomers are freshmen Shannon Heidelberg, Tonya Elder, Marcy Reinbolt and Annie Mears.

### ST. JOE

The SJCC girls program could continue to emerge led by sophomore Sarah Yeager, who placed seventh in the state meet last year in the 400 dash.

With Jamie Chapman and Nanci Luc, the Crimson Streaks are strong in the distance events.

Coach Eddie Colon says the Streaks are also strong in the sprints and relays which are

## TRACK & FIELD

# Lather sets Ross record in 100

### ■ Second place:

Despite his record-setting dash, the Ross sophomore ran behind Fostoria's James Estrada.

News-Messenger reports

Jason Lather set a Fremont Ross school record in the 100-meter dash Thursday, but it wasn't good enough for first place as Fostoria's James Estrada caught Lather from behind and finished first by a tenth of a second.

Lather's finish in 10.6 seconds was better than Steve Parker's 1968 time of 10.8, which was the 100 meter equivalent of his 9.8 in the 100-yard dash.

Estrada also ran past Lather in the 200 dash, finish in 21.9 to Lather's 22.7.

"Estrada's best event is the 200," Ross coach John Elder said. "Jason knows he's not quite there at the end."

Elder said Lather ran a wind-aided 10.7 last year in the Great Lakes League meet.

Ross beat Fostoria 90-42. The Little Giants took the top three places in four events — the 3200, 1600 and 800 runs as well as the shot put.

Dane Snyder won the 1600 and 800 in 4:56 and 2:12, respectively.

"I knew they weren't strong in the distance events," Elder said, "and they weren't as strong as they might have been in other events."

Fostoria's Damon Moore, a long jumper, and 400-meter specialist Jermaine Cousins missed the meet.

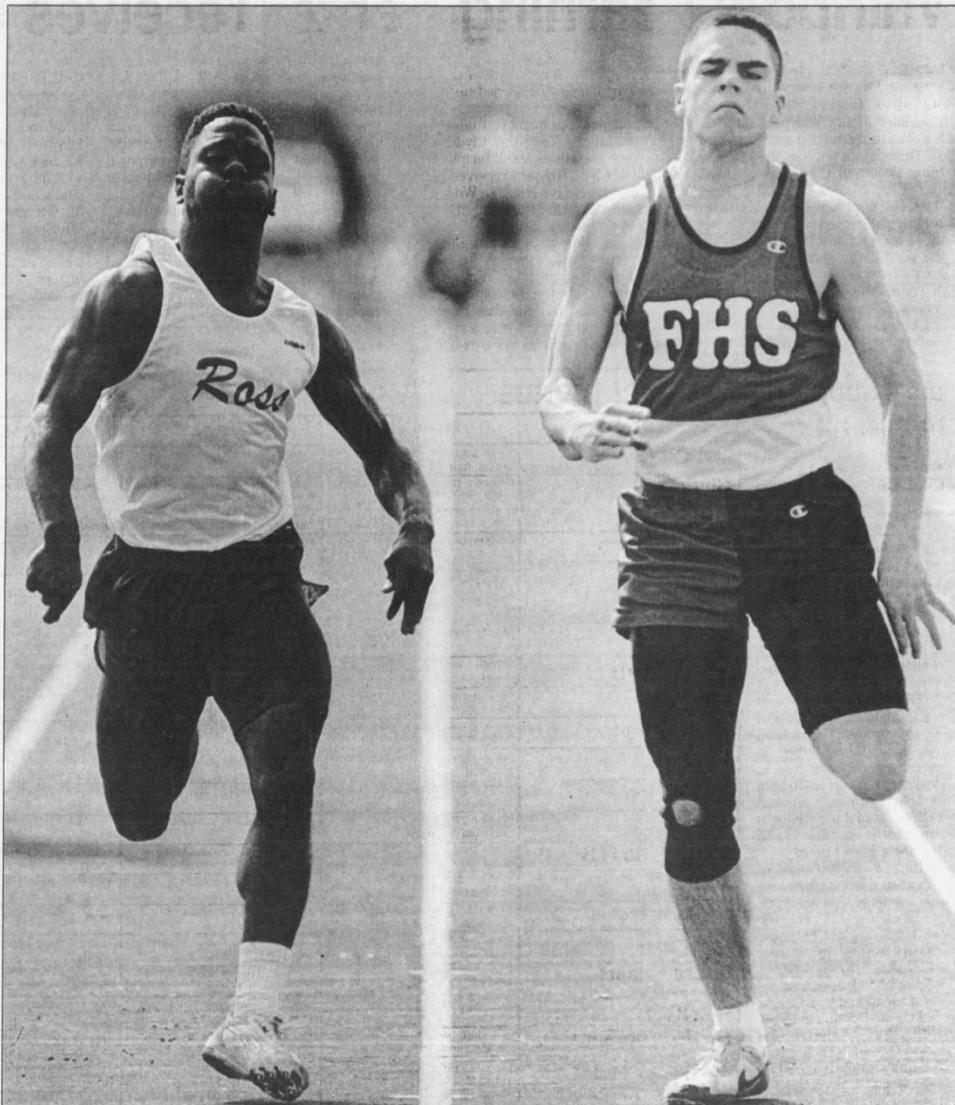

In the girls meet, Ross defeated Fostoria 80-51 despite losing both sprint relays.

"When you lose those relays, it's hard to win a meet," Elder said, "but the distance kids all ran well."

Ross took the top three places in the 1600 and 800 and the top two in the 3200. Grace Durnell won the 1600 and 3200, finishing in 5:45 and 12:45, respectively.

The Little Giants also got a pair of first-place finishes from hurdler Michelle Jenkins, who finished the 100 hurdles in 16.8 and the 300 in 53.2.

# Ross boys win Hendricks Invitational

## ■ Margaretta 1st:

The Polar Bears took a girls title at Clyde High School.

By DUANE SMITH  
Staff correspondent

CLYDE — An Ashland mishap allowed the Fremont Ross boys track and field team to repeat as champion of the A.W. Hendricks Track Invitational Saturday at Clyde High School.

Ross trailed Ashland by four points in the Division I team standings entering the final event — the 4x400 relay.

The Arrows' number two runner dumped the Ross runner, dropping the baton. The miscue kept Ashland from scoring in the event, while the Little Giants placed third to win the team title with 76 points to Ashland's 74.

"I can't complain at all. I'll take it," Ross coach John Elder said. "I'd like to have beaten Ashland head to head (in the relay) but that's (the dropped baton) part of track."

New London in Division II also repeated as champ as did Margaretta in the Division II girls meet. The lone new champion was Toledo Central Catholic, which replaced Sandusky as champ in girls Division I.

"I was impressed with our two-milers," Elder said. "They had to go right into the wind for eight laps. It (the wind) was a killer. The kids had to stand outside in it...then having to run in it...it takes a lot out of you."

Jeremiah Wagner finished second for Ross in the 3200 run. His time of 10:52.6 trailed only Zach Allen of Tiffin Columbian.

Grace Durnell, meanwhile, highlighted the efforts of the Ross girls by winning the 3200 in 12:23.9.

Individually, a Little Giant also

repeated as the outstanding performer in boy's Division I. Jason Lather earned the honor after breaking his own meet record by a half second in the 200-meter dash (22.2 seconds) and tying the 100-meter dash record of 10.9 set last year by Clyde's Jason Barr.

Lather also scored points in the long jump, taking fourth.

Last season, Tyrone Price of Ross shared the outstanding performer award with Clyde's Andy Madell.

Barr, second to Lather in the 100 this year, won the 400 dash in 54.7. It was the first time Barr has run the 400 in competition, and he beat Nate Rhodes of Ross by sixth tenths of a second.

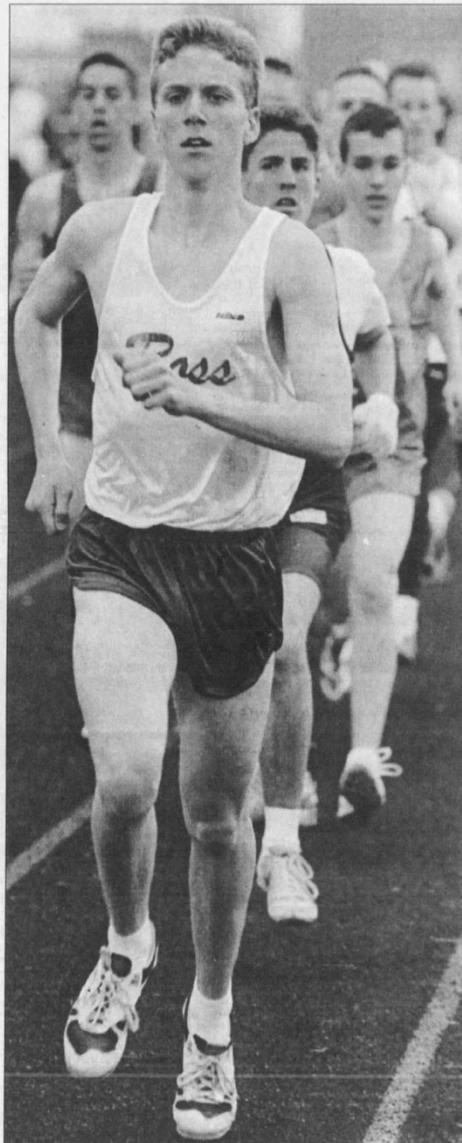

"We put Barr in the 400 dash, and we figured he'd score for us," Clyde coach Mark Martin said.

Barr also placed third in the 200 and anchored Clyde's winning 4x100 relay, which also included Gregg Aldrich, Brian Myers and Aaron Wilson, as the Fliers placed fifth among Division I boys teams with 52 points.

Clyde's girls, meanwhile, placed second in the girls Divi-

sion I standings. The Fliers' 76 points trailed Central Catholic by 30.

Lisa Keegan and Shanna Gill led the Fliers. Keegan won the high jump by clearing 4 feet, 10 inches. Gill, with a time of 1:08, tied for first place in the 400 dash with Angel Collins of Toledo St. Ursula.

Led by outstanding performer Andrea Lindsley, Margaretta won the Division II girls meet with 74 points.

Lindsley won the 100 hurdles (15.7), anchored the winning 4x100 relay, took first in the 300 hurdles (50.0) and won the 200 dash (25.8).

Woodmore compiled 48 points for second place.

Rachel Harder of Woodmore ran second to Lindsley in the 100 hurdles.

Central Catholic's Stephanie Held was named outstanding performer in Division I after jumping 16-6 to set a meet record in the long jump. Michelle Schnurr of Clyde set the previous record of 16-1' in 1988.

## Woodmore's Gardner makes one jump count, for top performer award

By DUANE SMITH  
Staff correspondent

CLYDE — The fourth time was charmed for Woodmore's Trent Gardner in the long jump Saturday at the A.W. Hendricks Invitational at Clyde High School.

"Trent was first in the long jump and I was kind of surprised because he had fouls in his first three jumps," Woodmore coach Mark Yoder said. "In the fourth jump he took off a foot and a half from the board. The board is about eight inches (across). If he'd have hit the board just right, he could've carried another two feet."

Gardner's jump of 20 feet, one-half inch was two inches longer than the best by runner-up Wayne Durrah of Sandusky.

The award for Gardner's efforts? The award for being the outstanding performer among Division II boys.

Gardner also placed second in the 300 hurdles, finishing in 44.1 seconds to place behind Nick Pinski of Toledo Central Catholic.

Woodmore finished a distant second to Division II team champ New London, which amassed 71 points. The Wildcats finished with 20.

News-Messenger reports

TIFFIN — It was Grace Durnell's turn to set a Fremont Ross record Saturday. The senior distance runner ran the 3200 in 11 minutes, 50.5 seconds at the Bill Krause Relays in Tiffin to lower Amy Ritzman's 1990 record by 8.5 seconds.

The Little Giants placed fifth, matching a fifth-place finish by the Ross boys. The girls compiled 82 points to trail team champ Sandusky Perkins by 35, while the boys had 59 points to trail team champ Worthington Kilbourne by 59.

The Ross girls high jump team of Shannon Heidelberg, Tori Kille and Lisa Elder finished first with a combined effort of 14-4. The Little Giants' other first was by Sara Williams, who ran the 800 in 2:29.4.

"It was a good meet for the girls," Ross coach John Elder said. "Much better than last week (at the A.W. Hendricks at Clyde)."

Jason Lather, who set the Ross record in the 100 earlier this season, set a meet record in the event Saturday with the same time of 10.6.

Lather later added a victory in the 200 dash, combined with Dana Walker and Nate Rhodes for a fourth-place finish in the long jump, and ran the third leg on the third-place 4x400 squad.

"Jason, as usual, put in an ironman effort," Elder said. "He is running great."

Lather ran the 200 in 22.4, and the long jump trio totaled 56 feet, 3 $\frac{1}{4}$  inches. Sean Sprouse, Tim Leeth and Rhodes combined with Lather to finish in 3:33.

Jeremiah Wagner, meanwhile, added a personal best in the 3200, finishing third in 9:54.1.
