## BLOOMVILLE IN SLIM VICTORY OVER FREMONT

Take 33 to 31 Contest in  
Real Thriller at Gym;  
Nip and Tuck

The chief point of interest at the F. H. S. gym last evening was to get a peek at the L. B. S. derby entry for the season, but the most interesting event on the evening's card was the contest between the girls' teams from Fremont high and Bloomville high. The Fremont lassies were defeated, 33 to 31, but it was a case of put and take over the entire route of 32 minutes of actual play.

If ever there was an old-fashioned see-saw game played on a local setting of hardwood it was this contest last night. The teams were as evenly matched as two new Buffalo nickels and the issue at stake was in doubt up to the very last second of the merry romp.

The Bloomville huskies presented something unusual in any basketball proceedings. They had three sisters on their outfit in O., and Mary and Martha Zucker, the former being captain of the visiting outfit. The sisters are good at team work and it proves that they also must be clever at home work. The contrasts in uniforms in this setting were also features, the visiting having green and white to appear against the famous purple and white of Fremont.

Two fielders right off the reel put Bloomville into bloom and Fremont came right back with bagged free toss. The quarter ended 6 and 6, thanks to some clever bucketing on the part of Jane Moore.

The tide of battle ran amuck and fortune flirted with the gals all the way in the second quarter. Misses Hetrick, Grace Fisher and Jane Moore boosted the purple and white game from the border line of free shots and from various ranges on the floor. The Misses Zucker and a shifty performer named Weisner, star of Bloomville's offering, kept the visiting nose out in front and the half ended 16 to 15 in favor of the folks from away.

The girls labored hard and long and showed some real action, but at one instance in the second half the Bloomers appeared to be running off with the game, having run the count to 28 to 21, the Weisner

## WALTER HAGEN IS IN ON BASEBALL

NEW YORK, Dec. 17.—(INS)—Walter Hagen, pro golf champion, and John Ganzel, former ball player, have been granted one week of grace by the International League in which to raise \$40,000 to complete their purchase of the franchise of the Rochester International League baseball team. To date they have made only a partial payment of \$25,000.

Evangeline Booth has gone to Chicago. You'll find the Salvation Army wherever there is bloodshed.

gal having gotten loose again.

Accurate shooting by Misses Moore, Hetrick and Fisher set the purple and white on the trail again and several times Fremont was within a point of knotting the count, but it was not to be and the visitors finished out in front, 33 to 31, which is just about as slender a edge as a slice of restaurant ham.

The contest was not only fast, but it was furious at times and was a real thriller of the evening.

Misses Moore, Fisher and Hetrick did the heavy work for Fremont, but Captain Althoff, L. Lucas and Mossberger did fine work in their positions. Misses Weisner and O. Zucker had the leading roles for the visitors.

The girls' basketball team held a practice game with Jackson Centralized school girls' team Wednesday night in the new gym. The "Huskies" of course won, but the ozone lassies from Jackson gave the Tennerstedt girls a run for their money. The Jackson girls were not accustomed to the large floor and were a little uneasy in their playing. Another game between the two schools will be played at a later date.

THE FREMONT HIGH GIRLS' basketball team will journey to Port Clinton this evening for a contest with the high school girls' team of that place. This game will be staged as a preliminary to the Toledo Woodward high and Port Clinton high contest.

Did the girls play basketball Friday night? Well I will sing a song they did—a mighty good game. The team is just rounding into real form now and great things can be expected from these clever girls. Hard knocks precede success and the girls have had the former and the latter is sure to come now. Success to the "Huskies" in their remaining games!

treat is in store for the victors. The contest will be started again this second semester and it is up to James Caborn and team to begin right now and secure Chatter subscriptions or they will be hosts to another social at the end of the year.

A practice game of basketball was held last night in the new gym between our Huskies and Jackson centralized girls' team. The coaches of both teams gave their subs a chance to strut their stuff on the hardwood. All members of the Huskies' squad were ushered into the game. Although

all the girls received a chance to play on both squads, there were some players who loomed up better than the rest. Moore, Hetrick, Fisher, Hunsinger, Moseberger and Althoff played stellar basketball for Fremont, while Inks, Weaver, McDaniels, Baker and Garner were the stars for the Jackson lassies. This was the second meeting of the two teams, both games being played in the new gym, and a third contest is to be staged some time later. In the absence of Coach Miss Tennerstedt, Miss Zechiel had charge of the Huskies and she also refereed the game. The Huskies won by a decisive score.

The boys' basketball squad with Coach Ross and the managers, had their pictures taken this afternoon at 3:30. The first ten of the squad had individual pictures while one large picture was taken of the whole squad. The girls' basketball squad also had the privilege of seeing the "birdie" this afternoon when the entire squad, the coach, Miss Tennerstedt, and the two girl managers, sat in a group picture. Individual pictures of the girls who will earn the coveted "F," may be taken at a later date. The Huskies' quad is a mighty large squad, compared to previous years, and has some fine material which needs to be taught the fundamentals of the game. They may be found in the squad next year.
