

1990 Sectional Tournament...

"The wind was awful," Ross coach Dave Fleming said, "but it affected everyone."

Except for Bowling Green which took the top spot with a 314. Perrysburg was next with 326 and St. John's had 331, a stroke ahead of Ross.

Ross felt the blustery wind on the par-five 10th hole as three drives from Little Giants players sailed into the pond along the fairway.

Such was Ross's day that Dan Swaisgood carded an 85 despite having 10 penalty strokes.

"It was very disappointing," Fleming said.

Mark Gottron was the bright spot for Ross, shooting a 78 and qualifying as an individual for the district tournament at Mohawk Country Club in Tiffin.
