## Ross third at sectional

PERRYSBURG — Buckeye Conference schools dominated the Northwestern Ohio "AAA" Sectional Track Meet at Perryburg Saturday. Findlay, Sandusky, and Fremont Ross finished one, two, three, with the Trojan triumph coming as anticipated.

The Blue Streaks of coach Jim Johnson had dominated this particular sectional for the last three years but were outclassed by an aroused Findlay team. With still one event to run (the pole vault was canceled because of poor runway and landing pit conditions and was run at 11 a.m. this morning), the Trojans hold a 93-79 lead over the Blue Streaks.

Ross finished with 58 points while qualifying four individuals and the two relay teams for the district test next week. The mile relay team of Terry Shearon, Jim Heidelberg, Sam Starks, and Tim Smith, turned in a 3:30.4 to win the race. Jim Heidelberg, Sam Starks, and Tim Smith.

Paul Fahrbach hopped his way into the district high jump competition with a 6-0 effort while finishing second. Randy Robertson was third in the 100 with a 10.4 while Smith took second in the 440 with a 51.5. Larry Liggins finished third in a very close 180-yard low hurdles race. He was timed in 21.3.

The 880-yard relay team of Robertson, Scott Barman, Heidelberg, and Starks finished third in the race and third in a trip to the districts next week in Bowling Green.

Probably the biggest and most pleasant surprise for Ross coach Ron Bram and his assistants was the fourth place finish of sophomore miler Sam Starks. The former Little Giant sprinter in the distance race turned in a 4:34.4, only 1.4 seconds off the school record.

Port Clinton finished the meet with 36 points and eighth spot. The Redskins will send Steve Hickman in the shot, Don Jackson in the high hurdles, Dick Zach and Dirk Schumaker in the 880 and the half mile relay team to the district.

## **Old Fort district qualifiers**

Gary Fry, pole vault; Charles Priddy, 880-yard run.

# *Jeff Opelt, Gowitzka in tournament*

BOWLING GREEN — Jeff Opelt and Steve Gowitzka finished one-two for Ross in the delayed pole vault of the "AAA" sectional track meet. The event had been delayed from last Saturday when the runway and the landing pit were deemed unfit at the Perrysburg field where the other field and running event were held.

With Opelt and Gowitzka finishing in the top two spots, the Little Giants picked up 18 points to make their final meet total, 76, three and one-third points behind runner up Sandusky.

Opelt won the event with a 13-3 while Gowitzka vaulted 13-0 for second. Both Little Giant vaulters will advance to the district meet next Saturday.
