Ross sweeps its own titles

News-Messenger Reports

Norm Bray issued his team a challenge which spurred his Ross High School boys track team to the championship in the 25th Fremont Ross Relays Saturday at the Ross High School track.

To add good measure, the Lady Giants of Coach Harold Zienta won the girls portion of the seven-team meet.

Ironically, both the Ross boys and girls scored 76 points. Finishing second in the boys meet was Tiffin Columbian, the defending champion, with 71 points while the girls defending champion, Toledo Start, was second to the Lady Giants with 72.

Third in the boys meet was Bowling Green with Marion Harding fourth, Maumee fifth and Port Clinton and Toledo Start rounding out the field. The girls' meet was won by Tiffin Columbian with Bowling Green, Marion Harding, Maumee and Port Clinton finishing fourth through seventh, respectively.

"I told them Friday," Bray said about his challenge to his team, "that if they cared and if they really had 'pride,' they could win it. I told them if they were satisfied to be just average and had no 'Little Giant pride,' then they would not win."

"We did," Bray summed up, "they had it today."

The Ross boys won on the strength of just three first places but backed that up with four seconds and a third to go with a fourth and a pair of sixth place finishes.

The discus trio of Shay Moran, Todd Beatty and Mike Bobay had a combined effort of 376 feet to win that event by three feet. The quartet of Brian Doty, Mike Robinette, John Snodgrass and Paul Hetrick in the 4x100 relay in 2:26.25 and the third place for the Little Giants was garnered by the distance medley team of Robinette, Dave McDonald, Hetrick and Doty with a time of 11:16.9.

The Ross boys took seconds in the 100, 200, high jump, pole vault and 800 relay. In the 800, Rick Egbert dove across the finish line enabling Ross to nip

Tiffin Columbian.

"We had to beat Columbian in that race," Bray said.

The Lady Giants took six first places in their winning effort which included a record setting performance in the 400 relay.

The team of Jenny Monak, Jennifer Rollins, Missy Provard and Pam Pitts covered the 400 meters in 51.9 seconds, one-tenth of a second quicker than the previous mark set by Maumee in 1979 and equaled last year by Toledo Start.

Kelly Wolfe, Pitts and Heather Fought teamed up to win the high jump with 14 feet, six inches. Kim Crawford, Rollins

and Wolfe cleared a combined 44-9½ to win the long jump.

The Ross girls also won the sprint medley, 800 and 1600 relays.

Kelly Shaffer, Pitts, Shannon Carter and Shelly Hines were on the winning sprint medley with a clocking of 1:55.1. Shaffer, Jodi Beatty, Provard and Pitts medley was also won by Ross in 1:51.5. The 1600 team was comprised of Rollins, Hines, Wolfe and Carter. The foursome had a 4:23.5 to win the 1600 by more than nine seconds.

"We knew that we had to beat Start," Zienta said, "and to do that, our sprinters had to do well

and they did that. We actually beat them pretty handily in the sprints."

Zienta pointed out that there were several personal bests by his team members. He cited the 103.7 effort by Minerva Nearez in the discus, the first time she had been over 100 feet.

"In the shuttle hurdles, we would have won but Jody Ritzman, our second runner fell," Zienta said. "but she got back up and we still finished second. Ritzman came back in the 300 race (the 300 relay) and ran very well. That was a gutsy performance by her."
