

1972 Buckeye Conference...

Sandusky Gets Nod

Buckeye Conferences coaches are unanimous in their opinion — only time is between Sandusky and its fifth consecutive track and field championship.

And the powerful Blue Streaks, who made a shambles of Fremont Ross Wednesday in a dual meet, will erase that last barrier at Marion Harding Saturday.

Sandusky is heavily favored to its fifth straight title and seventh in the last eight years when the eight conference schools gather at Harding's all-weather oval. A victory by anyone other than the Blue Streaks would be considered the biggest track and field upset in conference history.

Thus, the attention at the meet will be focused on the battle for second place which is expected to be between Ross and Findlay.

"I think the battle for second place will be between us and Findlay," Little Giant head coach Ron Brant said Thursday. "I really can't see anybody coming close to Sandusky — they have too much individual talent and depth."

Ross finished third in the conference meet last year — the highest finish ever for a Little Giant squad. Sandusky ran away with the meet, scoring 69½ points while Elyria was second with 42 and Ross had 37½. Lorain (33), Findlay (21), Mansfield (19), Marion (10) and Admiral King (eight) completed the field.

Three new records were established last year and Ross was responsible for two of those marks. Earl Smith cracked the 880 barrier and the mile relay team also put itself in the conference record book. Tim Wasco of Lorain Senior set the other mark in the two-mile run.

Ross' best hope for an individual win tomorrow appears to be with junior sprint star Rob Lyle. He will be a slight favorite in both the 100 and 220. He failed to place in either event last year. Lyle, who recorded a 9.9 in winning the 100

at the Marion Invitational last Friday, is unbeaten in the century this spring and has fallen only one in the 220 — to Findlay's Hal Paul.

The Little Giants have three individual place winners returning from the 1970 meet. Tom Liggins will try and better his second place effort in the shot put while Tom Pitts will be out to improve on his fourth in the high hurdles and Chuck Celek will be aiming higher than his fourth place in the high jump.

Pitts will probably be the only member of that trio who will participate in more than one event. He's also scheduled to run in the 440 and lead off Ross' mile relay. Other mile relay members will be Ken Price, Jim Heidelberg and Lyle.

Liggins could possibly get the call in the 880 relay but the Ross coaching staff was still attempting to pick its quartet for that event Thursday.

Ross Has Best Finish Ever In Buckeye

MARION — What Rob Lytle did Saturday.

But the performances of sophomore Jeff Opelt and Ross' mile relay team in the Buckeyes Conference championships were not the only ones to impress.

Lytle, a junior speedster, won both the 100 and 220 yard dashes while Opelt surprised everyone by taking the pole vault competition as the Little Giants stormed to their highest finish ever in the conference competition.

Ross finished second with 38½ points, far back of front-runner Findlay, which had 71½. The Little Giants just had 24½. Findlay had 30 points at the end of the 15 events.

"Being number two isn't so bad," said coach Ron Brant said. "We knew Sandusky was going to be a factor. They had them and we didn't."

Tom Liggin took the shot put competition to become the fourth Little Giant first place winner.

"We expected Lytle to win the 100 and 220 and for Tommy to take the shot put, but that was just too much," said Brant. "Opelt, a sophomore, went out at 15-3, the highest he has gone in his career. Findlay's Rick Eds-

difference. They had four first places, the same number as us, but those second and thirds were important. They had them and we didn't."

Tom Liggin took the shot put competition to become the fourth Little Giant first place winner.

"We expected Lytle to win the 100 and 220 and for Tommy to take the shot put, but that was just too much," said Brant. "Opelt, a sophomore, went out at 15-3, the highest he has gone in his career. Findlay's Rick Eds-

went out of the competition at the same height, but Opelt took the first place medal based on "When you come right down to it," Brant said, "it was Opelt who got us the championship although we didn't know it at the time. He had a great race. He had the first and second place (six for first and four for second) were the difference. If the finish in the pole vault would have been reversed, Findlay would have won the meet."

Lytle, running into a strong wind, cracked the tape at the end of the 100 in 10.2 and came back with a 22.5 in the 220. Liggin, giving winning effort in the 100, had a 10.1 and a 22.1 in the 220.

"They three fellows stand out because they took first places,"

Brant said, "but everyone who participated in the meet for us gave a good effort. We can't just say we won because we won the points from the other fellows. Practically everyone in our lineup matched or topped their best previous performance of the season."

"He (Pitts) didn't wrap up the second spot until the mile relay. Then it took a brilliant second place effort by a revamped quartet to keep the Little Giants in second. Going into the final race Ross had 34½ points compared to Findlay's 33."

"I talked to every boy before the start of the mile relay and told them they had to beat Findlay," Brant said. "Actually, we had a good race and placed behind them and still won because we didn't."

Price (third, low hurdles and fourth, high hurdles), high jumpers Kim Michael (tied for first) and Jeff Opelt (second) and the 800 relay.

In previous conference meets,

the highest Ross finish was third

in 1971. The Little Giants were fifth in 1970 with just 16 points.

Sandusky wins were provided

by discus thrower Scott May, low

hurdler Jim Fanto, two-miler Bob Fair and the mile relay quartet. But the Blue Streaks had a good race and added to their third place points.

Other individual winners were Mansfield's Tyrone Coleman (long jump), Findlay's Hal Paul (high hurdles) and Jeff Hochstetler (mile run and 800), Lorain Admiral King's John

Whitaker (400) and Elyria's Jim Perkins (high jump). Marion fielded the winning squad in the 800 relay.

Elyria was fourth in the team standings with 24 points followed by Lorain Admiral King (20), Mansfield Jr. (18), Marion Harting (17) and Lorain (15).
