# Mezinger finishes 5th in Class AAA regional

LORAIN — Al Voggenthaler was tight-lipped about it but he gave off strong hints that the toughest opponents for Mike Mezinger were not the ones he wrestled.

Mezinger, Ross High School's hopeful for the state wrestling tournament, failed in that bid Saturday at the Class AAA Regional Wrestling Tournament at Admiral King High School. The 112-pounder finished fifth, one spot away from a state qualifying berth.

"He got nailed a couple of times by an official," Voggenthaler, the Ross coach said.

The first time that Mezinger came up short in the battle with the man in stripes was in the quarterfinals against David Carlin of Lakewood St. Edward. Carlin officially pinned Mezinger in two minutes.

"I asked the official what the time was on the pin and he said two minutes," Voggenthaler explained. "I asked him how could that be because the period is only two minutes long. I know that the kid who taps the official let him know the period is over made two swipes

at him and missed before the pin was called!"

Mezinger came back to defeat Frank Cwiklinski of Parma Valley Forge 3-2 in the consolations but had another brush with the referee in the next match, losing 1-0 in overtime to Jim Juskew of Brunswick.

"Mike was up 3-0 at one point," the Ross coach said, "but it got to be 3-2. With 13 seconds left, he was warned for stalling and with one second left, he was slapped with a penalty to tie it up. He had the kid at the edge of the mat with one leg up trying to get him down when he was penalized. It was ridiculous.

"In the overtime, the other kid was warned for stalling and the referee kept yelling for him to wrestle but he was never penalized."

Juskew scored on an escape to win the match.

Mezinger came back to take fifth, defeating Robert Copp of Lorain Southview 6-1.

Ironically, Jeff McCreery of Maumee who Mezinger beat 7-0 in the district finals, finished second and will be in the state tournament.
