

1919 Season...

Candidates for the junior class team of the Fremont high school have been engaged in spring baseball practice for the past few days. The class intends to organize a stout team and seek scalps in Bellevue, Clyde, Norwalk and other neighboring territory. It is not known whether a varsity sity team will represent F. H. S. this season. There is some mighty good baseball timber in the big high school and a corking good aggregation could be placed in the field with little or no trouble.

The Juniors and Seniors of Fremont high school got together in the first baseball game of the season on the Hazel street field Saturday. The Juniors by heavy hitting won 11 to 1, and are now the champions of the school. Fred Zimmerman pitched for the winner and James Foster for the defeated crew. The hitting of Henry Sprunk, of the Juniors, was one of the game's features.
